(1) Within thirty days of, but in no event prior to January 1, 2017, the president of the Missouri Association of County Clerks and Election Authorities shall appoint fourteen of its members to serve on a committee to approve and develop uniform standards, systems, and modifications that shall be used by the secretary of state in any electronic voter registration application system offered by that office. The committee may also make recommendations regarding the purchase, maintenance, integration, and operation of electronic databases, software, and hardware used by local election authorities and the secretary of state's office including, but not limited to, systems used for military and overseas voting and for building and conducting election operations. The committee shall have fourteen local election authorities, including representatives of each classification of counties, a representative from an election board, and at least one member who has experience processing online voter registration transactions. In addition, one representative appointed by the secretary of state's office shall serve on the committee;

(2) The committee shall immediately meet to approve electronic signature formats and a minimum set of data collection standards for use in a voter registration application system maintained by the secretary of state;

(3) Once the format and data collection standards are approved by the committee and implemented for the system maintained by the secretary of state, local election authorities shall accept the transmission of voter registration applications submitted to the approved system under the provisions of sections 432.200 to 432.295;

(4) The secretary of state's office shall direct eligible voters to a local election authority's system to accept voter registration applications electronically if the local election authority has a system in place as of August 28, 2016, or implements a system that meets the same standards and format that has been approved by the committee for the secretary of state's system;

(5) The committee shall meet not less than semiannually through June 30, 2019, to recommend and approve changes and enhancements proposed by the secretary of state or election authorities to the electronic voter registration application system. Vacancies that occur on the committee shall be filled by the president of the Missouri Association of County Clerks and Election Authorities at the time of the vacancy;

(6) To improve the accuracy of voter registration application data and reduce costs for local election authorities, the system maintained by the secretary of state shall, as soon as is practical, provide a method where the data entered by the voter registration applicant does not have to be re-entered by the election authority to the state voter registration database.

3. Each applicant who registers using an approved electronic voter registration application system shall be deemed to be registered as of the date the signed application is submitted to the system, if such application is accepted and not rejected by the election authority and the verification notice required under section 115.155 is not returned as undeliverable by the postal service.

4. This section shall not apply to voter registration and absentee records submitted by voters authorized under federal law, section 115.291, or sections 115.900 to 115.936 to submit electronic records and signatures.

5. High quality copies, including electronic copies, of signatures made on paper documents may be used for petition signature verification purposes and retained as records.

6. Any signature required for petition submission under chapter 116 shall be handwritten on a paper document.

7. ~~[Notwithstanding the provisions of section 432.230]~~ **Except as provided under sections 115.160 and 432.230**, nothing in this section shall require the election authority to accept voter registration records or signatures created, generated, sent, communicated, received, stored, or otherwise processed, or used by electronic means or in electronic form from any officer, agency, or organization not authorized under subsection 2 of this section without prior approval from the election authority. **Election authorities shall accept and process voter registration records, including electronic images of applicant signatures, transmitted electronically by the division of motor vehicle and drivers licensing of the department of revenue under section 115.160.** Except as provided in

subsection 2 of this section **and section 115.160**, no officer, agency, or organization shall give the voter the opportunity to submit a voter registration application with an electronic signature without first obtaining the approval of the local election authority.

8. An election authority that agrees to conduct a transaction by electronic means may refuse to conduct other transactions by electronic means.

9. No election authority or the secretary of state shall furnish to any member of the public any data collected under a voter registration application system except as authorized in subsections 1 to 5 of section 115.157.

10. Nothing in this section shall be construed to require the secretary of state to cease operating a voter registration application in place as of the effective date of this act."; and

Further amend the title and enacting clause accordingly.

Senate Amendment No. 4

AMEND Senate Substitute for House Bill No. 850, Page 5, Section 115.225, Line 61, by inserting after all of said line the following:

"5. If any election authority uses any touchscreen, direct-recording, electronic vote-counting machine, the election authority may continue to use such machine. Upon the removal of such voting machine from the election authority's inventory because of mechanical malfunction, wear and tear, or any other reason, the machine shall not be replaced and no additional direct-recording electronic voting machine shall be added to the election authority's inventory. Such machines shall not be used beginning January 1, 2022, except that election authorities may allow the machines to be used by voters who are disabled as long as the machines are functional. Replacement of equipment for use by voters who are disabled shall be with paper ballot marking devices designed to assist voters."

In which the concurrence of the House is respectfully requested.

"160.545. 1. There is hereby established within the department of elementary and secondary education the "A+ Schools Program" to be administered by the commissioner of education. The program shall consist of grant awards made to public secondary schools that demonstrate a commitment to ensure that:

- (1) All students be graduated from school;
- (2) All students complete a selection of high school studies that is challenging and for which there are identified learning expectations; and
- (3) All students:
 - (a) Earn credits toward any type of college degree while in high school; or
 - (b) Proceed from high school graduation to a college or postsecondary vocational or technical school or high-wage job with work place skill development opportunities.

2. The state board of education shall promulgate rules and regulations for the approval of grants made under the program to schools that:

- (1) Establish measurable districtwide performance standards for the goals of the program outlined in subsection 1 of this section; and
- (2) Specify the knowledge, skills and competencies, in measurable terms, that students must demonstrate to successfully complete any individual course offered by the school, and any course of studies ~~[which]~~ **that** will qualify a student for graduation from the school; and
- (3) Do not offer a general track of courses that, upon completion, can lead to a high school diploma; and
- (4) Require rigorous coursework with standards of competency in basic academic subjects for students pursuing vocational and technical education as prescribed by rule and regulation of the state board of education; and
- (5) Have a partnership plan developed in cooperation and with the advice of local business persons, labor leaders, parents, and representatives of college and postsecondary vocational and technical school representatives, with the plan then approved by the local board of education. Further, the plan shall detail the procedures used in the school to identify students that may drop out of school and the intervention services to be used to meet the needs of such students. The plan shall outline counseling and mentoring services provided to students who will enter the work force upon graduation from high school, address apprenticeship and intern programs, and shall contain procedures for the recruitment of volunteers from the community of the school to serve in schools receiving program grants.

Every nonpublic school that applies and has met the requirements of this section shall have its students eligible for reimbursement of postsecondary education under subsection 8 of this section on an equal basis to students who graduate from public schools that meet the requirements of this section. Any nonpublic school that applies shall not be eligible for any grants under this section. Students of certified nonpublic schools shall be eligible for reimbursement of postsecondary education under subsection 8 of this section so long as they meet the other requirements of such subsection. Further, no school in any district shall receive a grant under the program unless the district makes available facilities and services for adult literacy training as specified by rule of the state board of education.

6. HOUSE RESOLUTIONS

Representative Deaton offered House Resolution No. 2163, which was read.

House Resolution No. 2163

WHEREAS, It is May so that can only mean one thing
The end of Session at the conclusion of Spring
The time is nigh for us to say our goodbyes
To take a long breath and release a deep sigh; and

WHEREAS, Our work is done; another session complete
The Gentleman from Carthage constructed a budgetary feat
We passed that budget - \$35 billion strong
Medicaid expansion just didn't belong; and

WHEREAS, Resolutions were drafted; bills heard and debated
Some we liked; while others we hated.
Yes, house bill after house bill passed this great chamber
Just to go to the Senate to falter and languor; and

WHEREAS, Our work continued as we heard Senate bills
That mostly left me with a severe case of chills!
Some were a gas; others a tax
in the case of one; we found both - a gas tax; and

WHEREAS, The challenges have been many for us this year
Let's try to reflect without crying in fear
As we close this year, it's time now for Sine Die
We look forward to casting our one final "aye"; and

WHEREAS, As I conclude let me wish you only the best
Travel safely home, enjoy your family and rest;
Speaker Pro Tem Wiemann says it so well,
"Mr. Clerk please ring the board and open the bell.";

NOW THEREFORE BE IT RESOLVED that we, the members of the Missouri House of Representatives, One Hundred First General Assembly, First Regular Session, hereby expressing our sincerest thanks and deepest appreciation to our Legislative Assistants and the staff of the Missouri House of Representatives for their devoted and faithful service to this body and further extend our very best wishes for health and happiness throughout the rest of the year; and

REFERRAL OF GOVERNOR’S REORGANIZATION PLANS

The following Governor’s Reorganization Plan was referred to the Committee indicated:

GRP 1 - Budget

The Benediction was given by Reverend Monsignor Robert A. Kurwicki, Chaplain.

The Lord is just in all His ways, and kind in all His doings. (Psalm 145:17)

O God, our Creator, to whom all hearts are open, all desires known, and from whom no secrets are hidden, cleanse us as we, this moment, wait upon You in humility. And as we prepare ourselves to depart from this House, bless us with graces to recognize Your Spirit within us and to learn from all You have taught us. Let us not yield to the temptations of the world, but with strength in You, may we reflect on our past experiences this year with gratitude.

In all sincerity we pray for each other and for all those we represent. Together may we walk in the way of Your commandments and obey Your will to serve our fellow citizens well and to receive Your blessings until we meet again.

And the House says, "Amen!"

ADJOURNMENT

On motion of Representative Plocher, the House adjourned until 10:00 a.m., Tuesday, May 25, 2021.

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

SIXTY-THIRD DAY, MONDAY, MAY 3, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Representative Brian Seitz.

Father, we come to You this day in humbleness of heart, seeking Your guidance. We acknowledge You as Creator God, and the only true satisfaction of the soul.

As we come boldly before the throne of grace, by Your Son Jesus, we recognize our need and lack, seeing only You as all sufficient.

I ask that You give us favor as we seek to represent those who've sent us here.

Give us clarity of thought and the wisdom to act in a way that is pleasing to You.

Father, may You guide the lost unto Yourself by the Holy Spirit, seeing Jesus, the very Son of God, as both Savior and Lord.

Watch over the state of Missouri and forgive us as a nation that is ever more quickly leaving You.

We pray these things in the matchless name of Christ Jesus, and the House said, Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-second day was approved as printed by the following vote:

Representative Fitzwater offered **House Amendment No. 2**.

House Amendment No. 2

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 176, Page 16, Section 301.010, Line 332, by inserting after all of said section and line the following:

"301.558. 1. A motor vehicle dealer, boat dealer, or powersport dealer may fill in the blanks on standardized forms in connection with the sale or lease of a new or used motor vehicle, vessel, or vessel trailer if the motor vehicle dealer, boat dealer, or powersport dealer does not charge for the services of filling in the blanks or otherwise charge for preparing documents.

2. A motor vehicle dealer, boat dealer, or powersport dealer may charge an administrative fee in connection with the sale or lease of a new or used motor vehicle, vessel, or vessel trailer for the storage of documents or any other administrative or clerical services not prohibited by this section. A portion of the administrative fee may result in profit to the motor vehicle dealer, boat dealer, or powersport dealer.

3. **(1) Ten percent of any fee authorized under this section and charged by motor vehicle dealers shall be remitted to the motor vehicle administration technology fund established in this subsection, for the development of the system specified in this subsection. Following the development of the system specified in this subsection, the director of the department of revenue shall notify motor vehicle dealers and implement the system, and the percentage of any fee authorized under this section required to be remitted to the fund shall be reduced to one percent, which shall be used for maintenance of the system. This subsection shall expire on January 1, 2037.**

(2) There is hereby created in the state treasury the "Motor Vehicle Administration Technology Fund", which shall consist of money collected as specified in this subsection. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. The fund shall be a dedicated fund and money in the fund shall be used solely by the department of revenue for the purpose of development and maintenance of a modernized, integrated system for the titling of vehicles, issuance and renewal of vehicle registrations, issuance and renewal of driver's licenses and identification cards, and perfection and release of liens and encumbrances on vehicles.

(3) Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund.

(4) The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

4. No motor vehicle dealer, boat dealer, or powersport dealer that sells or leases new or used motor vehicles, vessels, or vessel trailers and imposes an administrative fee of ~~less than two~~ five hundred dollars or less in connection with the sale or lease of a new or used vehicle, vessel, or vessel trailer for the storage of documents or any other administrative or clerical services shall be deemed to be engaging in the unauthorized practice of law. **The maximum administrative fee permitted under this subsection shall be increased annually by an amount equal to the percentage change in the annual average of the Consumer Price Index for All Urban Consumers or its successor index, as reported by the federal Bureau of Labor Statistics or its successor agency, or by zero, whichever is greater. The director of the department of revenue shall annually furnish the maximum administrative fee determined under this section to the secretary of state, who shall publish such value in the Missouri register as soon as practicable after January fourteenth of each year.**

~~[4-]~~ 5. If an administrative fee is charged under this section, the same administrative fee shall be charged to all retail customers ~~and~~ **unless the fee is limited by the dealer's franchise agreement to certain classes of customers. The fee shall be** disclosed on the retail buyer's order form as a separate itemized charge.

~~[5-]~~ 6. A preliminary worksheet on which a sale price is computed and that is shown to the purchaser, a retail buyer's order form from the purchaser, or a retail installment contract shall include, in reasonable proximity to the place on the document where the administrative fee authorized by this section is disclosed, the amount of the administrative fee and the following notice in type that is boldfaced, capitalized, underlined, or otherwise conspicuously set out from the surrounding written material:

"AN ADMINISTRATIVE FEE IS NOT AN OFFICIAL FEE AND IS NOT REQUIRED BY LAW BUT MAY BE CHARGED BY A DEALER. THIS ADMINISTRATIVE FEE MAY RESULT IN A PROFIT TO DEALER. NO PORTION OF THIS ADMINISTRATIVE FEE IS FOR THE DRAFTING, PREPARATION, OR COMPLETION OF DOCUMENTS OR THE PROVIDING OF LEGAL ADVICE. THIS NOTICE IS REQUIRED BY LAW."

~~[6-]~~ 7. The general assembly believes that an administrative fee charged in compliance with this section is not the unauthorized practice of law or the unauthorized business of law so long as the activity or service for which the fee is charged is in compliance with the provisions of this section and does not result in the waiver of any rights or remedies. Recognizing, however, that the judiciary is the sole arbitrator of what constitutes the practice of law, in the event that a court determines that an administrative fee charged in compliance with this section, and that does not waive any rights or remedies of the buyer, is the unauthorized practice of law or the unauthorized business of law, then no person who paid that administrative fee may recover said fee or treble damages, as permitted under section 484.020, and no person who charged that fee shall be guilty of a misdemeanor, as provided under section 484.020."; and

Further amend said bill, Page 28, Section 365.020, Line 60, by inserting after all of said section and line the following:

"407.005. As used in this chapter, unless the context clearly requires otherwise, the term "digital electronic equipment" shall mean any product that depends for its functioning, in whole or in part, on digital electronics embedded in or attached to the product; provided however, that such term shall not include any motor vehicle manufacturer, manufacturer of motor vehicle equipment, or motor vehicle dealer, or any product or service of a motor vehicle manufacturer, manufacturer of motor vehicle equipment, or motor vehicle dealer acting in that capacity."; and

No person shall engage in the practice of pharmacy unless he or she is licensed under the provisions of this chapter. This chapter shall not be construed to prohibit the use of auxiliary personnel under the direct supervision of a pharmacist from assisting the pharmacist in any of his or her duties. This assistance in no way is intended to relieve the pharmacist from his or her responsibilities for compliance with this chapter and he or she will be responsible for the actions of the auxiliary personnel acting in his or her assistance. This chapter shall also not be construed to prohibit or interfere with any legally registered practitioner of medicine, dentistry, or podiatry, or veterinary medicine only for use in animals, or the practice of optometry in accordance with and as provided in sections 195.070 and 336.220 in the compounding, administering, prescribing, or dispensing of his or her own prescriptions.

2. Any pharmacist who accepts a prescription order for a medication therapeutic plan shall have a written protocol from the physician who refers the patient for medication therapy services. In order to take effect, such rules shall be approved by a majority vote of a quorum of each board. Neither board shall separately promulgate rules regulating the use of protocols for prescription orders for medication therapy services and administration of viral influenza vaccines. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. 4. The state board of registration for the healing arts and the state board of pharmacy shall jointly promulgate rules and regulations for the administration of this section. Neither board shall separately promulgate rules governing a pharmacist's authority to dispense HIV postexposure prophylaxis under this section.

5. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2021, shall be invalid and void.";

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

SIXTY-FOURTH DAY, TUESDAY, MAY 4, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

I remind you to rekindle the gift of God that is within you, for God did not give us the spirit of fear, but of power, and of love and of a sound mind. (II Timothy 1:67)

O God beyond all praising, whose love and care we cannot escape, in the glory of a new day we come lifting our hearts to You, praying that Your spirit may guide us, Your strength support us, and Your peace pervade our minds and hearts.

Within the noise and commotion of this day, may we hear Your still, small voice and, responding, find our weakness changed to strength, our fear to faith, and our wicked thoughts to good actions.

We can be disturbed by the challenges in our changing and pluralistic world, weighed down by many burdens, both political and personal, as well as tempted to become critical, if not cynical, because of human error and human evil. Give us the spirit to carry on with courage and faith, believing that You are with us, and believing that together we can do what needs to be done for the show-me state.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-third day was approved as printed by the following vote:

A. Oversight

1. The executive, legislative, and judicial branches of State government in each Member State shall enforce this Compact and take all actions necessary and appropriate to effectuate the Compact's purposes and intent. The provisions of this Compact and the Rules promulgated hereunder shall have standing as statutory law.
2. All courts shall take judicial notice of the Compact and the Rules in any judicial or administrative proceeding in a Member State pertaining to the subject matter of this Compact which may affect the powers, responsibilities, or actions of the Commission.
3. The Commission shall be entitled to receive service of process in any such proceeding, and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the Commission shall render a judgment or order void as to the Commission, this Compact, or promulgated Rules.

B. Default, Technical Assistance, and Termination

1. If the Commission determines that a Member State has defaulted in the performance of its obligations or responsibilities under this Compact or the promulgated Rules, the Commission shall:
 - a. Provide written notice to the defaulting State and other Member States of the nature of the default, the proposed means of curing the default and/or any other action to be taken by the Commission; and
 - b. Provide remedial training and specific technical assistance regarding the default.
2. If a State in default fails to cure the default, the defaulting State may be terminated from the Compact upon an affirmative vote of a majority of the Member States, and all rights, privileges and benefits conferred by this Compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending State of obligations or liabilities incurred during the period of default.
3. Termination of membership in the Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Commission to the governor, the majority and minority leaders of the defaulting State's legislature, and each of the Member States.
4. A State that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.
5. The Commission shall not bear any costs related to a State that is found to be in default or that has been terminated from the Compact, unless agreed upon in writing between the Commission and the defaulting State.

6. The defaulting State may appeal the action of the Commission by petitioning the U.S. District Court for the District of Columbia or the federal district where the Commission has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

Any State that joins the Compact subsequent to the Commission's initial adoption of the Rules shall be subject to the Rules as they exist on the date on which the Compact becomes law in that State. Any Rule that has been previously adopted by the Commission shall have the full force and effect of law on the day the Compact becomes law in that State.

C. Any Member State may withdraw from this Compact by enacting a statute repealing the same.

1. A Member State's withdrawal shall not take effect until six (6) months after enactment of the repealing statute.

2. Withdrawal shall not affect the continuing requirement of the withdrawing State's Occupational Therapy Licensing Board to comply with the investigative and Adverse Action reporting requirements of this act prior to the effective date of withdrawal.

D. Nothing contained in this Compact shall be construed to invalidate or prevent any Occupational Therapy licensure agreement or other cooperative arrangement between a Member State and a non-Member State that does not conflict with the provisions of this Compact.

E. This Compact may be amended by the Member States. No amendment to this Compact shall become effective and binding upon any Member State until it is enacted into the laws of all Member States.

SECTION 13. CONSTRUCTION AND SEVERABILITY

This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is declared to be contrary to the constitution of any Member State or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any Member State, the Compact shall remain in full force and effect as to the remaining Member States and in full force and effect as to the Member State affected as to all severable matters.

"610.026. 1. Except as otherwise provided by law, each public governmental body shall provide access to and, upon request, furnish copies of public records subject to the following:

(1) Fees for copying public records, except those records restricted under section 32.091, shall not exceed ten cents per page for a paper copy not larger than nine by fourteen inches, with the hourly fee for duplicating time not to exceed the average hourly rate of pay for clerical staff of the public governmental body. Research time required for fulfilling records requests may be charged at the actual cost of research time. Based on the scope of the request, the public governmental body shall produce the copies using employees of the body that result in the lowest amount of charges for search, research, and duplication time. Prior to producing copies of the requested records, the person requesting the records may request the public governmental body to provide an estimate of the cost to the person requesting the records. Documents may be furnished without charge or at a reduced charge when the public governmental body determines that waiver or reduction of the fee is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the public governmental body and is not primarily in the commercial interest of the requester;

(2) Fees for providing access to public records maintained on computer facilities, recording tapes or disks, videotapes or films, pictures, maps, slides, graphics, illustrations or similar audio or visual items or devices, and for paper copies larger than nine by fourteen inches shall include only the cost of copies, staff time, which shall not exceed the average hourly rate of pay for staff of the public governmental body required for making copies and programming, if necessary, and the cost of the disk, tape, or other medium used for the duplication. Fees for maps, blueprints, or plats that require special expertise to duplicate may include the actual rate of compensation for the trained personnel required to duplicate such maps, blueprints, or plats. If programming is required beyond the customary and usual level to comply with a request for records or information, the fees for compliance may include the actual costs of such programming.

2. Payment of such copying fees may be requested prior to the making of copies. **A request for public records to a public governmental body shall be considered withdrawn if the requester fails to remit all fees within thirty days of a request for payment of the fees by the public governmental body, prior to the making of copies.**

3. Except as otherwise provided by law, each public governmental body of the state shall remit all moneys received by or for it from fees charged pursuant to this section to the director of revenue for deposit to the general revenue fund of the state.

4. Except as otherwise provided by law, each public governmental body of a political subdivision of the state shall remit all moneys received by it or for it from fees charged pursuant to sections 610.010 to 610.028 to the appropriate fiscal officer of such political subdivision for deposit to the governmental body's accounts.

5. The term "tax, license or fees" as used in Section 22 of Article X of the Constitution of the State of Missouri does not include copying charges and related fees that do not exceed the level necessary to pay or to continue to pay the costs for providing a service, program, or activity which was in existence on November 4, 1980, or which was approved by a vote of the people subsequent to November 4, 1980."; and

Further amend the title and enacting clause accordingly.

4. Any investigation conducted as a result of a report made under this section shall be conducted by an unbiased and disinterested investigator.

210.152. 1. All information, including telephone reports reported pursuant to section 210.145, relating to reports of abuse or neglect received by the division shall be retained by the division or removed from the records of the division as follows:

(1) For investigation reports contained in the central registry, the report and all information shall be retained by the division;

(2) (a) For investigation reports initiated against a person required to report pursuant to section 210.115, where insufficient evidence of abuse or neglect is found by the division and where the division determines the allegation of abuse or neglect was made maliciously, for purposes of harassment, or in retaliation for the filing of a report by a person required to report, identifying information shall be expunged by the division within forty-five days from the conclusion of the investigation;

(b) For investigation reports, where insufficient evidence of abuse or neglect is found by the division and where the division determines the allegation of abuse or neglect was made maliciously, for purposes of harassment, or in retaliation for the filing of a report, identifying information shall be expunged by the division within forty-five days from the conclusion of the investigation;

Such reports shall include any exculpatory evidence known by the division, including exculpatory evidence obtained after the closing of the case. At the end of such time period, the identifying information shall be removed from the records of the division and destroyed;

(d) For investigation reports where the identification of the specific perpetrator or perpetrators cannot be substantiated and the division has specific evidence to determine that a child was abused or neglected, the division shall retain the report and all information but shall not place an unknown perpetrator on the central registry. The division shall retain all information. The division shall retain and disclose information and findings in the same manner as the division retains and discloses family assessments. If the division made a finding of abuse or neglect against an unknown perpetrator prior to August 28, 2017, the division shall remove the unknown perpetrator from the central registry but shall retain and utilize all information as otherwise provided in this section;

(3) For reports where the division uses the family assessment and services approach, information shall be retained by the division;

(4) For reports in which the division is unable to locate the child alleged to have been abused or neglected, information shall be retained for eighteen years from the date of the report and then shall be removed from the records by the division.

2. Within ninety days, or within one hundred twenty days in cases involving sexual abuse, or until the division's investigation is complete in cases involving a child fatality or near-fatality, after receipt of a report of abuse or neglect that is investigated, the alleged perpetrator named in the report and the parents of the child named in the report, if the alleged perpetrator is not a parent, shall be notified in writing of any determination made by the division based on the investigation. The notice shall advise either:

(1) That the division has determined by a probable cause finding prior to August 28, 2004, or by a preponderance of the evidence after August 28, 2004, that abuse or neglect exists and that the division shall retain all information regarding the abuse or neglect; that such information shall remain confidential and will not be released except to law enforcement agencies, prosecuting or circuit attorneys, or as provided in section 210.150; that the alleged perpetrator has sixty days from the date of receipt of the notice to seek reversal of the division's determination through a review by the child abuse and neglect review board as provided in subsection 4 of this section;

(2) That the division has not made a probable cause finding or determined by a preponderance of the evidence that abuse or neglect exists; or

(3) The division has been unable to determine the identity of the perpetrator of the abuse or neglect. The notice shall also inform the child's parents and legal guardian that the division shall retain, utilize, and disclose all information and findings as provided in family assessment and services cases.

3. The children's division may reopen a case for review if new, specific, and credible evidence is obtained.

4. Any person named in an investigation as a perpetrator who is aggrieved by a determination of abuse or neglect by the division as provided in this section may seek an administrative review by the child abuse and neglect review board pursuant to the provisions of section 210.153. Such request for review shall be made within sixty days of notification of the division's decision under this section. In those cases where criminal charges arising out of facts of the investigation are pending, the request for review shall be made within sixty days from the court's final disposition or dismissal of the charges. **Nothing in this section shall preclude the office of child advocate from releasing findings regarding the professional performance of any individual member of the multidisciplinary team as described in section 660.520.**

5. In any such action for administrative review, the child abuse and neglect review board shall sustain the division's determination if such determination was supported by evidence of probable cause prior to August 28, 2004, or is supported by a preponderance of the evidence after August 28, 2004, and is not against the weight of such evidence. The child abuse and neglect review board hearing shall be closed to all persons except the parties, their attorneys and those persons providing testimony on behalf of the parties.

6. If the alleged perpetrator is aggrieved by the decision of the child abuse and neglect review board, the alleged perpetrator may seek de novo judicial review in the circuit court in the county in which the alleged perpetrator resides and in circuits with split venue, in the venue in which the alleged perpetrator resides, or in Cole County. If the alleged perpetrator is not a resident of the state, proper venue shall be in Cole County. The case may be assigned to the family court division where such a division has been established. The request for a judicial review shall be made within sixty days of notification of the decision of the child abuse and neglect review board decision. In reviewing such decisions, the circuit court shall provide the alleged perpetrator the opportunity to appear and present testimony. The alleged perpetrator may subpoena any witnesses except the alleged victim or the reporter. However, the circuit court shall have the discretion to allow the parties to submit the case upon a stipulated record.

7. In any such action for administrative review, the child abuse and neglect review board shall notify the child or the parent, guardian or legal representative of the child that a review has been requested.

479.162. Notwithstanding any provision of law, supreme court rule, or court operating rule, in a proceeding for a municipal ordinance violation or any other proceeding before a municipal court if the charge carries the possibility of fifteen days or more in jail or confinement, a defendant shall not be charged any fee for obtaining a police report, a probable cause statement, or any video relevant to the traffic stop or arrest. Such police report, probable cause statement, or video shall be provided by the prosecutor upon written request by the defendant for discovery."; and

217.250. Whenever any offender is afflicted with a disease which is terminal, or is advanced in age to the extent that the offender is in need of long-term nursing home care, or when confinement will necessarily greatly endanger or shorten the offender's life, the correctional center's physician shall certify such facts to the chief medical administrator, stating the nature of the disease. The chief medical administrator with the approval of the director will then forward the certificate to the ~~[board of probation and]~~ parole **board** who in their discretion may grant a medical parole or at their discretion may recommend to the governor the granting or denial of a commutation.

2. Prior to sentencing, any judge considering an offender for this program shall notify the department. The potential candidate for the program shall be screened by the department to determine eligibility. The department shall, by regulation, establish eligibility criteria and inform the court of such criteria. The department shall notify the court as to the offender's eligibility and the availability of space in the program. Notwithstanding any other provision of law to the contrary, except as provided for in section 558.019, if an offender is eligible and there is adequate space, the court may sentence a person to the program which shall consist of institutional drug or alcohol treatment for a period of at least twelve and no more than twenty-four months, as well as a term of incarceration. The department shall determine the nature, intensity, duration, and completion criteria of the education, treatment, and aftercare portions of any program services provided. Execution of the offender's term of incarceration shall be suspended pending completion of said program. Allocation of space in the program may be distributed by the department in proportion to drug arrest patterns in the state. If the court is advised that an offender is not eligible or that there is no space available, the court shall consider other authorized dispositions.

3. Upon successful completion of the program, the ~~[board]~~ **division** of probation and parole shall advise the sentencing court of an offender's probationary release date thirty days prior to release. If the court determines that probation is not appropriate the court may order the execution of the offender's sentence.

4. If it is determined by the department that the offender has not successfully completed the program, or that the offender is not cooperatively participating in the program, the offender shall be removed from the program and the court shall be advised. Failure of an offender to complete the program shall cause the offender to serve the sentence prescribed by the court and void the right to be considered for probation on this sentence.

5. An offender's first incarceration in a department of corrections program pursuant to this section prior to release on probation shall not be considered a previous prison commitment for the purpose of determining a minimum prison term pursuant to the provisions of section 558.019.

217.364. 1. The department of corrections shall establish by regulation the "Offenders Under Treatment Program". The program shall include institutional placement of certain offenders, as outlined in subsection 3 of this section, under the supervision and control of the department of corrections. The department shall establish rules determining how, when and where an offender shall be admitted into or removed from the program.

2. As used in this section, the term "offenders under treatment program" means a one-hundred-eighty-day institutional correctional program for the monitoring, control and treatment of certain substance abuse offenders and certain nonviolent offenders followed by placement on parole with continued supervision.

4. This program shall be used as an intermediate sanction by the department. The program may include education, treatment and rehabilitation programs. If an offender successfully completes the institutional phase of the program, the department shall notify the ~~board of probation and~~ parole **board** within thirty days of completion. Upon notification from the department that the offender has successfully completed the program, the ~~board of probation and~~ parole **board** may at its discretion release the offender on parole as authorized in subsection 1 of section 217.690.

5. The availability of space in the institutional program shall be determined by the department of corrections.

6. If the offender fails to complete the program, the offender shall be taken out of the program and shall serve the remainder of his sentence with the department.

7. Time spent in the program shall count as time served on the sentence.

217.455. The request provided for in section 217.450 shall be delivered to the director, who shall forthwith:

(1) Certify the term of commitment under which the offender is being held, the time already served, the time remaining to be served on the sentence, the time of parole eligibility of the offender, and any decisions of the state ~~board of probation and~~ parole **board** relating to the offender; and

(2) Send by registered or certified mail, return receipt requested, one copy of the request and certificate to the court and one copy to the prosecuting attorney to whom it is addressed.

217.541. 1. The department shall by rule establish a program of house arrest. The director or his designee may extend the limits of confinement of offenders serving sentences for class D or E felonies who have one year or less remaining prior to release on parole, conditional release, or discharge to participate in the house arrest program.

5. The ~~board~~ **division** of probation and parole shall supervise every offender released to the house arrest program and shall verify compliance with the requirements of this section and such other rules and regulations that the department shall promulgate and may do so by remote electronic surveillance. If any probation/parole officer has probable cause to believe that an offender under house arrest has violated a condition of the house arrest agreement, the probation/parole officer may issue a warrant for the arrest of the offender. The probation/parole officer may effect the arrest or may deputize any officer with the power of arrest to do so by giving the officer a copy of the warrant which shall outline the circumstances of the alleged violation. The warrant delivered with the offender by the arresting officer to the official in charge of any jail or other detention facility to which the offender is brought shall be sufficient legal authority for detaining the offender. An offender arrested under this section shall remain in custody or incarcerated without consideration of bail. The director or his designee, upon recommendation of the probation and parole officer, may direct the return of any offender from house arrest to a correctional facility of the department for reclassification.

6. Each offender who is released to house arrest shall pay a percentage of his wages, established by department rules, to a maximum of the per capita cost of the house arrest program. The money received from the offender shall be deposited in the inmate fund and shall be expended to support the house arrest program.

217.650. As used in sections 217.650 to 217.810, unless the context clearly indicates otherwise, the following terms mean:

217.665. 1. Beginning August 28, 1996, the parole board shall consist of seven members appointed by the governor by and with the advice and consent of the senate.

2. Beginning August 28, 1996, members of the board shall be persons of recognized integrity and honor, known to possess education and ability in decision making through career experience and other qualifications for the successful performance of their official duties. Not more than four members of the board shall be of the same political party.

3. At the expiration of the term of each member and of each succeeding member, the governor shall appoint a successor who shall hold office for a term of six years and until his successor has been appointed and qualified. Members may be appointed to succeed themselves.

4. Vacancies occurring in the office of any member shall be filled by appointment by the governor for the unexpired term.

5. The governor shall designate one member of the board as ~~chairman~~ **chair** and one member as vice ~~chairman~~ **chair**. The ~~chairman~~ **chair** shall establish the duties and responsibilities of the members of the board and supervise their performance and may require reports from any member as to his or her conduct and exercise of duties. In the event of the ~~chairman's~~ **chair's** removal, death, resignation, or inability to serve, the vice ~~chairman~~ **chair** shall act as ~~chairman~~ **chair** upon written order of the governor or ~~chairman~~ **chair**.

6. Members of the board shall devote full time to the duties of their office and before taking office shall subscribe to an oath or affirmation to support the Constitution of the United States and the Constitution of the State of Missouri. The oath shall be signed in the office of the secretary of state.

7. The annual compensation for each member of the board whose term commenced before August 28, 1999, shall be forty-five thousand dollars plus any salary adjustment, including prior salary adjustments, provided pursuant to section 105.005. Salaries for board members whose terms commence after August 27, 1999, shall be set as provided in section 105.950; provided, however, that the compensation of a board member shall not be increased during the member's term of office, except as provided in section 105.005. In addition to compensation provided by law, the members shall be entitled to reimbursement for necessary travel and other expenses incurred pursuant to section 33.090.

8. Any person who served as a member of the board of probation and parole prior to July 1, 2000, shall be made, constituted, appointed and employed by the board of trustees of the state employees' retirement system as a special consultant on the problems of retirement, aging and other state matters. As compensation for such services, such consultant shall not be denied use of any unused sick leave, or the ability to receive credit for unused sick leave pursuant to chapter 104, provided such sick leave was maintained by the board of probation and parole in the regular course of business prior to July 1, 2000, but only to the extent of such sick leave records are consistent with the rules promulgated pursuant to section 36.350. Nothing in this section shall authorize the use of any other form of leave that may have been maintained by the board prior to July 1, 2000.

217.690. 1. All releases or paroles shall issue upon order of the **parole** board, duly adopted.

2. Before ordering the parole of any offender, the **parole** board shall conduct a validated risk and needs assessment and evaluate the case under the rules governing parole that are promulgated by the **parole** board. The **parole** board shall then have the offender appear before a hearing panel and shall conduct a personal interview with him, unless waived by the offender, or if the guidelines indicate the offender may be paroled without need for an interview. The guidelines and rules shall not allow for the waiver of a hearing if a victim requests a hearing. The appearance or presence may occur by means of a videoconference at the discretion of the **parole** board. A parole may be ordered for the best interest of society when there is a reasonable probability, based on the risk assessment and indicators of release readiness, that the person can be supervised under parole supervision and successfully reintegrated into the community, not as an award of clemency; it shall not be considered a reduction of sentence or a pardon. Every offender while on parole shall remain in the legal custody of the department but shall be subject to the orders of the **parole** board.

3. The division of probation and parole has discretionary authority to require the payment of a fee, not to exceed sixty dollars per month, from every offender placed under division supervision on probation, parole, or conditional release, to waive all or part of any fee, to sanction offenders for willful nonpayment of fees, and to contract with a private entity for fee collections services. All fees collected shall be deposited in the inmate fund established in section 217.430. Fees collected may be used to pay the costs of contracted collections services. The fees collected may otherwise be used to provide community corrections and intervention services for offenders. Such services include substance abuse assessment and treatment, mental health assessment and treatment, electronic monitoring services, residential facilities services, employment placement services, and other offender community corrections or intervention services designated by the division of probation and parole to assist offenders to successfully complete probation, parole, or conditional release. The ~~board~~ **division of probation and parole** shall adopt rules not inconsistent with law, in accordance with section 217.040, with respect to sanctioning offenders and with respect to establishing, waiving, collecting, and using fees.

4. The **parole** board shall adopt rules not inconsistent with law, in accordance with section 217.040, with respect to the eligibility of offenders for parole, the conduct of parole hearings or conditions to be imposed upon paroled offenders. Whenever an order for parole is issued it shall recite the conditions of such parole.

5. When considering parole for an offender with consecutive sentences, the minimum term for eligibility for parole shall be calculated by adding the minimum terms for parole eligibility for each of the consecutive sentences, except the minimum term for parole eligibility shall not exceed the minimum term for parole eligibility for an ordinary life sentence.

6. Any offender under a sentence for first degree murder who has been denied release on parole after a parole hearing shall not be eligible for another parole hearing until at least three years from the month of the parole denial; however, this subsection shall not prevent a release pursuant to subsection 4 of section 558.011.

7. A victim who has requested an opportunity to be heard shall receive notice that the **parole** board is conducting an assessment of the offender's risk and readiness for release and that the victim's input will be particularly helpful when it pertains to safety concerns and specific protective measures that may be beneficial to the victim should the offender be granted release.

8. Parole hearings shall, at a minimum, contain the following procedures:

(1) The victim or person representing the victim who attends a hearing may be accompanied by one other person;

(2) The victim or person representing the victim who attends a hearing shall have the option of giving testimony in the presence of the inmate or to the hearing panel without the inmate being present;

(3) The victim or person representing the victim may call or write the parole board rather than attend the hearing;

(4) The victim or person representing the victim may have a personal meeting with a **parole** board member at the **parole** board's central office;

(5) The judge, prosecuting attorney or circuit attorney and a representative of the local law enforcement agency investigating the crime shall be allowed to attend the hearing or provide information to the hearing panel in regard to the parole consideration; and

(6) The **parole** board shall evaluate information listed in the juvenile sex offender registry pursuant to section 211.425, provided the offender is between the ages of seventeen and twenty-one, as it impacts the safety of the community.

9. The **parole** board shall notify any person of the results of a parole eligibility hearing if the person indicates to the **parole** board a desire to be notified.

10. The **parole** board may, at its discretion, require any offender seeking parole to meet certain conditions during the term of that parole so long as said conditions are not illegal or impossible for the offender to perform. These conditions may include an amount of restitution to the state for the cost of that offender's incarceration.

11. Special parole conditions shall be responsive to the assessed risk and needs of the offender or the need for extraordinary supervision, such as electronic monitoring. The **parole** board shall adopt rules to minimize the conditions placed on low-risk cases, to frontload conditions upon release, and to require the modification and reduction of conditions based on the person's continuing stability in the community. **Parole** board rules shall permit parole conditions to be modified by parole officers with review and approval by supervisors.

12. Nothing contained in this section shall be construed to require the release of an offender on parole nor to reduce the sentence of an offender heretofore committed.

13. Beginning January 1, 2001, the **parole** board shall not order a parole unless the offender has obtained a high school diploma or its equivalent, or unless the **parole** board is satisfied that the offender, while committed to the custody of the department, has made an honest good-faith effort to obtain a high school diploma or its equivalent; provided that the director may waive this requirement by certifying in writing to the **parole** board that the offender has actively participated in mandatory education programs or is academically unable to obtain a high school diploma or its equivalent.

14. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2005, shall be invalid and void.

217.692. 1. Notwithstanding any other provision of law to the contrary, any offender incarcerated in a correctional institution serving any sentence of life with no parole for fifty years or life without parole, whose plea of guilt was entered or whose trial commenced prior to December 31, 1990, and who:

- (1) Pleaded guilty to or was found guilty of a homicide of a spouse or domestic partner;
- (2) Has no prior violent felony convictions;
- (3) No longer has a cognizable legal claim or legal recourse; and
- (4) Has a history of being a victim of continual and substantial physical or sexual domestic violence that was not presented as an affirmative defense at trial or sentencing and such history can be corroborated with evidence of facts or circumstances which existed at the time of the alleged physical or sexual domestic violence of the offender, including but not limited to witness statements, hospital records, social services records, and law enforcement records;

shall be eligible for parole after having served fifteen years of such sentence when the **parole** board determines by using the guidelines established by this section that there is a strong and reasonable probability that the person will not thereafter violate the law.

2. The ~~[board of probation and]~~ **parole board** shall give a thorough review of the case history and prison record of any offender described in subsection 1 of this section. At the end of the **parole** board's review, the **parole** board shall provide the offender with a copy of a statement of reasons for its parole decision.

3. Any offender released under the provisions of this section shall be under the supervision of the ~~[parole-board]~~ **division of probation and parole** for an amount of time to be determined by the **parole** board.

4. The parole board shall consider, but not be limited to the following criteria when making its parole decision:

- (1) Length of time served;
- (2) Prison record and self-rehabilitation efforts;
- (3) Whether the history of the case included corroborative material of physical, sexual, mental, or emotional abuse of the offender, including but not limited to witness statements, hospital records, social service records, and law enforcement records;
- (4) If an offer of a plea bargain was made and if so, why the offender rejected or accepted the offer;
- (5) Any victim information outlined in subsection 8 of section 217.690 and section 595.209;
- (6) The offender's continued claim of innocence;
- (7) The age and maturity of the offender at the time of the **parole** board's decision;
- (8) The age and maturity of the offender at the time of the crime and any contributing influence affecting the offender's judgment;
- (9) The presence of a workable parole plan; and
- (10) Community and family support.

5. Nothing in this section shall limit the review of any offender's case who is eligible for parole prior to fifteen years, nor shall it limit in any way the parole board's power to grant parole prior to fifteen years.

6. Nothing in this section shall limit the review of any offender's case who has applied for executive clemency, nor shall it limit in any way the governor's power to grant clemency.

7. It shall be the responsibility of the offender to petition the **parole** board for a hearing under this section.

8. A person commits the crime of perjury if he or she, with the purpose to deceive, knowingly makes a false witness statement to the **parole** board. Perjury under this section shall be a class D felony.

9. In cases where witness statements alleging physical or sexual domestic violence are in conflict as to whether such violence occurred or was continual and substantial in nature, the history of such alleged violence shall be established by other corroborative evidence in addition to witness statements, as provided by subsection 1 of this section. A contradictory statement of the victim shall not be deemed a conflicting statement for purposes of this section.

217.695. 1. As used in this section, the following terms mean:

- (1) "Chief law enforcement official", the county sheriff, chief of police or other public official responsible for enforcement of criminal laws within a county or city not within a county;
- (2) "County" includes a city not within a county;
- (3) "Offender", a person in the custody of the department or under the supervision of the ~~[board]~~ **division of probation and parole**.

2. Each offender to be released from custody of the department who will be under the supervision of the ~~[board]~~ **division of probation and parole**, except an offender transferred to another state pursuant to the interstate corrections compact, shall shortly before release be required to: complete a registration form indicating his intended address upon release, employer, parent's address, and such other information as may be required; submit to photographs; submit to fingerprints; or undergo other identification procedures including but not limited to hair samples or other identification indicia. All data and indicia of identification shall be compiled in duplicate, with one set to be retained by the department, and one set for the chief law enforcement official of the county of intended residence.

3. Any offender subject to the provisions of this section who changes his county of residence shall, in addition to notifying the ~~[board]~~ **division** of probation and parole, notify and register with the chief law enforcement official of the county of residence within seven days after he changes his residence to that county.

4. Failure by an offender to register with the chief law enforcement official upon a change in the county of his residence shall be cause for revocation of the parole of the person except for good cause shown.

5. The department, the ~~[board]~~ **division of probation and parole**, and the chief law enforcement official shall cause the information collected on the initial registration and any subsequent changes in residence or registration to be recorded with the highway patrol criminal information system.

6. The director of the department of public safety shall design and distribute the registration forms required by this section and shall provide any administrative assistance needed to facilitate the provisions of this section.

217.710. 1. Probation and parole officers, supervisors and members of the ~~[board of probation and]~~ **parole board**, who are certified pursuant to the requirements of subsection 2 of this section shall have the authority to carry their firearms at all times. The department of corrections shall promulgate policies and operating regulations which govern the use of firearms by probation and parole officers, supervisors and members of the **parole board** when carrying out the provisions of sections 217.650 to 217.810. Mere possession of a firearm shall not constitute an employment activity for the purpose of calculating compensatory time or overtime.

2. The department shall determine the content of the required firearms safety training and provide firearms certification and recertification training for probation and parole officers, supervisors and members of the ~~[board of probation and]~~ **parole board**. A minimum of sixteen hours of firearms safety training shall be required. In no event shall firearms certification or recertification training for probation and parole officers and supervisors exceed the training required for officers of the state highway patrol.

3. The department shall determine the type of firearm to be carried by the officers, supervisors and members of the ~~[board of probation and]~~ **parole board**.

4. Any officer, supervisor or member of the ~~[board of probation and]~~ **parole board** that chooses to carry a firearm in the performance of such officer's, supervisor's or member's duties shall purchase the firearm and holster.

5. The department shall furnish such ammunition as is necessary for the performance of the officer's, supervisor's and member's duties.

6. Any rule or portion of a rule, as that term is defined in section 536.010, that is promulgated under the authority of this chapter, shall become effective only if the agency has fully complied with all of the requirements of chapter 536 including but not limited to, section 536.028, if applicable, after August 28, 1998. All rulemaking authority delegated prior to August 28, 1998, is of no force and effect and repealed as of August 28, 1998, however nothing in section 571.030 or this section shall be interpreted to repeal or affect the validity of any rule adopted and promulgated prior to August 28, 1998. If the provisions of section 536.028 apply, the provisions of this section are nonseverable and if any of the powers vested with the general assembly pursuant to section 536.028 to review, to delay the effective date, or to disapprove and annul a rule or portion of a rule are held unconstitutional or invalid, the purported grant of rulemaking authority and any rule so proposed and contained in the order of rulemaking shall be invalid and void, except that nothing in section 571.030 or this section shall affect the validity of any rule adopted and promulgated prior to August 28, 1998.

217.735. 1. Notwithstanding any other provision of law to the contrary, the division of probation and parole shall supervise an offender for the duration of his or her natural life when the offender has been found guilty of an offense under:

(1) Section 566.030, 566.032, 566.060, 566.062, 566.067, 566.083, 566.100, 566.151, 566.212, 566.213, 568.020, 568.080, or 568.090 based on an act committed on or after August 28, 2006; or

(2) Section 566.068, 566.069, 566.210, 566.211, 573.200, or 573.205 based on an act committed on or after January 1, 2017, against a victim who was less than fourteen years old and the offender is a prior sex offender as defined in subsection 2 of this section.

2. For the purpose of this section, a prior sex offender is a person who has previously pleaded guilty to or been found guilty of an offense contained in chapter 566 or violating section 568.020 when the person had sexual intercourse or deviate sexual intercourse with the victim, or violating subdivision (2) of subsection 1 of section 568.045.

3. Subsection 1 of this section applies to offenders who have been granted probation, and to offenders who have been released on parole, conditional release, or upon serving their full sentence without early release. Supervision of an offender who was released after serving his or her full sentence will be considered as supervision on parole.

4. A mandatory condition of lifetime supervision of an offender under this section is that the offender be electronically monitored. Electronic monitoring shall be based on a global positioning system or other technology that identifies and records the offender's location at all times.

5. In appropriate cases as determined by a risk assessment, the **parole** board may terminate the supervision of an offender who is being supervised under this section when the offender is sixty-five years of age or older.

6. In accordance with section 217.040, the ~~[board]~~ **division of probation and parole** may adopt rules relating to supervision and electronic monitoring of offenders under this section.

217.829. 1. The department shall develop a form which shall be used by the department to obtain information from all offenders regarding their assets.

2. The form shall be submitted to each offender as of the date the form is developed and to every offender who thereafter is sentenced to imprisonment under the jurisdiction of the department. The form may be resubmitted to an offender by the department for purposes of obtaining current information regarding assets of the offender.

3. Every offender shall complete the form or provide for completion of the form and the offender shall swear or affirm under oath that to the best of his or her knowledge the information provided is complete and accurate. Any person who shall knowingly provide false information on said form to state officials or employees shall be guilty of the crime of making a false affidavit as provided by section 575.050.

4. Failure by an offender to fully, adequately and correctly complete the form may be considered by the ~~[board of probation and]~~ **parole board** for purposes of a parole determination, and in determining an offender's parole release date or eligibility and shall constitute sufficient grounds for denial of parole.

5. Prior to release of any offender from imprisonment, and again prior to release from the jurisdiction of the department, the department shall request from the offender an assignment of ten percent of any wages, salary, benefits or payments from any source. Such an assignment shall be valid for the longer period of five years from the date of its execution, or five years from the date that the offender is released from the jurisdiction of the department or any of its divisions or agencies. The assignment shall secure payment of the total cost of care of the offender executing the assignment. The restrictions on the maximum amount of earnings subject to garnishment contained in section 525.030 shall apply to earnings subject to assignments executed pursuant to this subsection.

549.500. All documents prepared or obtained in the discharge of official duties by any member or employee of the ~~[board of probation and]~~ **parole board or employee of the division of probation and parole** shall be privileged and shall not be disclosed directly or indirectly to anyone other than members of the **parole** board and other authorized employees of the department pursuant to section 217.075. The **parole** board may at its discretion permit the inspection of the report or parts thereof by the offender or his attorney or other persons having a proper interest therein."; and

Further amend said bill, Page 2, Section 557.045, Line 15, by inserting after all of said section and line the following:

"557.051. 1. A person who has been found guilty of an offense under chapter 566, or any sex offense involving a child under chapter 568 or 573, and who is granted a suspended imposition or execution of sentence or placed under the supervision of the ~~[board]~~ **division of probation and parole** shall be required to participate in and successfully complete a program of treatment, education and rehabilitation designed for perpetrators of sexual offenses. Persons required to attend a program under this section shall be required to follow all directives of the treatment program provider, and may be charged a reasonable fee to cover the costs of such program.

2. A person who provides assessment services or who makes a report, finding, or recommendation for any offender to attend any counseling or program of treatment, education or rehabilitation as a condition or requirement of probation following a finding of guilt for an offense under chapter 566, or any sex offense involving a child under chapter 568 or 573, shall not be related within the third degree of consanguinity or affinity to any person who has a financial interest, whether direct or indirect, in the counseling or program of treatment, education or rehabilitation or any financial interest, whether direct or indirect, in any private entity which provides the counseling or program of treatment, education or rehabilitation. A person who violates this subsection shall thereafter:

(1) Immediately remit to the state of Missouri any financial income gained as a direct or indirect result of the action constituting the violation;

(2) Be prohibited from providing assessment or counseling services or any program of treatment, education or rehabilitation to, for, on behalf of, at the direction of, or in contract with the state ~~[board]~~ **division** of probation and parole or any office thereof; and

(3) Be prohibited from having any financial interest, whether direct or indirect, in any private entity which provides assessment or counseling services or any program of treatment, education or rehabilitation to, for, on behalf of, at the direction of, or in contract with the ~~[state-board]~~ **division** of probation and parole or any office thereof.

3. The provisions of subsection 2 of this section shall not apply when the department of corrections has identified only one qualified service provider within reasonably accessible distance from the offender or when the only providers available within a reasonable distance are related within the third degree of consanguinity or affinity to any person who has a financial interest in the service provider.

558.011. 1. The authorized terms of imprisonment, including both prison and conditional release terms, are:

(1) For a class A felony, a term of years not less than ten years and not to exceed thirty years, or life imprisonment;

(2) For a class B felony, a term of years not less than five years and not to exceed fifteen years;

(3) For a class C felony, a term of years not less than three years and not to exceed ten years;

(4) For a class D felony, a term of years not to exceed seven years;

(5) For a class E felony, a term of years not to exceed four years;

(6) For a class A misdemeanor, a term not to exceed one year;

(7) For a class B misdemeanor, a term not to exceed six months;

(8) For a class C misdemeanor, a term not to exceed fifteen days.

2. In cases of class D and E felonies, the court shall have discretion to imprison for a special term not to exceed one year in the county jail or other authorized penal institution, and the place of confinement shall be fixed by the court. If the court imposes a sentence of imprisonment for a term longer than one year upon a person convicted of a class D or E felony, it shall commit the person to the custody of the department of corrections.

3. (1) When a regular sentence of imprisonment for a felony is imposed, the court shall commit the person to the custody of the department of corrections for the term imposed under section 557.036, or until released under procedures established elsewhere by law.

(2) A sentence of imprisonment for a misdemeanor shall be for a definite term and the court shall commit the person to the county jail or other authorized penal institution for the term of his or her sentence or until released under procedure established elsewhere by law.

4. (1) Except as otherwise provided, a sentence of imprisonment for a term of years for felonies other than dangerous felonies as defined in section 556.061, and other than sentences of imprisonment which involve the individual's fourth or subsequent remand to the department of corrections shall consist of a prison term and a conditional release term. The conditional release term of any term imposed under section 557.036 shall be:

(a) One-third for terms of nine years or less;

(b) Three years for terms between nine and fifteen years;

(c) Five years for terms more than fifteen years; and the prison term shall be the remainder of such term.

The prison term may be extended by the ~~[board of probation and]~~ parole **board** pursuant to subsection 5 of this section.

(2) "Conditional release" means the conditional discharge of an offender by the ~~[board of probation and]~~ parole **board**, subject to conditions of release that the **parole board** deems reasonable to assist the offender to lead a law-abiding life, and subject to the supervision under the ~~[state-board]~~ **division** of probation and parole. The conditions of release shall include avoidance by the offender of any other offense, federal or state, and other conditions that the **parole board** in its discretion deems reasonably necessary to assist the releasee in avoiding further violation of the law.

5. The date of conditional release from the prison term may be extended up to a maximum of the entire sentence of imprisonment by the ~~[board of probation and]~~ parole **board**. The director of any division of the department of corrections except the ~~[board]~~ **division** of probation and parole may file with the ~~[board of probation and]~~ parole **board** a petition to extend the conditional release date when an offender fails to follow the rules and regulations of the division or commits an act in violation of such rules. Within ten working days of receipt of the petition to extend the conditional release date, the ~~[board of probation and]~~ parole **board** shall convene a hearing on the petition. The offender shall be present and may call witnesses in his or her behalf and cross-examine witnesses appearing against the offender. The hearing shall be conducted as provided in section 217.670. If the violation

occurs in close proximity to the conditional release date, the conditional release may be held for a maximum of fifteen working days to permit necessary time for the division director to file a petition for an extension with the **parole** board and for the **parole** board to conduct a hearing, provided some affirmative manifestation of an intent to extend the conditional release has occurred prior to the conditional release date. If at the end of a fifteen-working-day period a **parole** board decision has not been reached, the offender shall be released conditionally. The decision of the **parole** board shall be final.

558.026. 1. Multiple sentences of imprisonment shall run concurrently unless the court specifies that they shall run consecutively; except in the case of multiple sentences of imprisonment imposed for any offense committed during or at the same time as, or multiple offenses of, the following felonies:

- (1) Rape in the first degree, forcible rape, or rape;
- (2) Statutory rape in the first degree;
- (3) Sodomy in the first degree, forcible sodomy, or sodomy;
- (4) Statutory sodomy in the first degree; or
- (5) An attempt to commit any of the felonies listed in this subsection. In such case, the sentence of

imprisonment imposed for any felony listed in this subsection or an attempt to commit any of the aforesaid shall run consecutively to the other sentences. The sentences imposed for any other offense may run concurrently.

2. If a person who is on probation, parole or conditional release is sentenced to a term of imprisonment for an offense committed after the granting of probation or parole or after the start of his conditional release term, the court shall direct the manner in which the sentence or sentences imposed by the court shall run with respect to any resulting probation, parole or conditional release revocation term or terms. If the subsequent sentence to imprisonment is in another jurisdiction, the court shall specify how any resulting probation, parole or conditional release revocation term or terms shall run with respect to the foreign sentence of imprisonment.

3. A court may cause any sentence it imposes to run concurrently with a sentence an individual is serving or is to serve in another state or in a federal correctional center. If the Missouri sentence is served in another state or in a federal correctional center, subsection 4 of section 558.011 and section 217.690 shall apply as if the individual were serving his sentence within the department of corrections of the state of Missouri, except that a personal hearing before the ~~board of probation and~~ **parole board** shall not be required for parole consideration.

558.031. 1. A sentence of imprisonment shall commence when a person convicted of an offense in this state is received into the custody of the department of corrections or other place of confinement where the offender is sentenced. Such person shall receive credit toward the service of a sentence of imprisonment for all time in prison, jail or custody after the offense occurred and before the commencement of the sentence, when the time in custody was related to that offense, except:

- (1) Such credit shall only be applied once when sentences are consecutive;
- (2) Such credit shall only be applied if the person convicted was in custody in the state of Missouri, unless such custody was compelled exclusively by the state of Missouri's action; and
- (3) As provided in section 559.100.

2. The officer required by law to deliver a person convicted of an offense in this state to the department of corrections shall endorse upon the papers required by section 217.305 both the dates the offender was in custody and the period of time to be credited toward the service of the sentence of imprisonment, except as endorsed by such officer.

3. If a person convicted of an offense escapes from custody, such escape shall interrupt the sentence. The interruption shall continue until such person is returned to the correctional center where the sentence was being served, or in the case of a person committed to the custody of the department of corrections, to any correctional center operated by the department of corrections. An escape shall also interrupt the jail time credit to be applied to a sentence which had not commenced when the escape occurred.

4. If a sentence of imprisonment is vacated and a new sentence imposed upon the offender for that offense, all time served under the vacated sentence shall be credited against the new sentence, unless the time has already been credited to another sentence as provided in subsection 1 of this section.

5. If a person released from imprisonment on parole or serving a conditional release term violates any of the conditions of his or her parole or release, he or she may be treated as a parole violator. If the ~~board of probation and~~ **parole board** revokes the parole or conditional release, the paroled person shall serve the remainder of the prison term and conditional release term, as an additional prison term, and the conditionally released person shall serve the remainder of the conditional release term as a prison term, unless released on parole.

558.046. The sentencing court may, upon petition, reduce any term of sentence or probation pronounced by the court or a term of conditional release or parole pronounced by the ~~state board of probation and~~ **parole board** if the court determines that:

- (2) Since the commission of such offense, the convicted person has successfully completed a detoxification and rehabilitation program; and

 - (c) A prior offender, a persistent offender or a class X offender as defined in section 558.019.

559.026. Except in infraction cases, when probation is granted, the court, in addition to conditions imposed pursuant to section 559.021, may require as a condition of probation that the offender submit to a period of detention up to forty-eight hours after the determination by a probation or parole officer that the offender violated a condition of continued probation or parole in an appropriate institution at whatever time or intervals within the period of probation, consecutive or nonconsecutive, the court shall designate, or the ~~[board]~~ **division** of probation and parole shall direct. Any person placed on probation in a county of the first class or second class or in any city with a population of five hundred thousand or more and detained as herein provided shall be subject to all provisions of section 221.170, even though he was not convicted and sentenced to a jail or workhouse.

(1) In misdemeanor cases, the period of detention under this section shall not exceed the shorter of thirty days or the maximum term of imprisonment authorized for the misdemeanor by chapter 558.

(2) In felony cases, the period of detention under this section shall not exceed one hundred twenty days.

559.105. 1. Any person who has been found guilty of or has pled guilty to an offense may be ordered by the court to make restitution to the victim for the victim's losses due to such offense. Restitution pursuant to this section shall include, but not be limited to a victim's reasonable expenses to participate in the prosecution of the crime.

2. No person ordered by the court to pay restitution pursuant to this section shall be released from probation until such restitution is complete. If full restitution is not made within the original term of probation, the court shall order the maximum term of probation allowed for such offense.

3. Any person eligible to be released on parole shall be required, as a condition of parole, to make restitution pursuant to this section. The ~~[board of probation and]~~ parole **board** shall not release any person from any term of parole for such offense until the person has completed such restitution, or until the maximum term of parole for such offense has been served.

4. The court may set an amount of restitution to be paid by the defendant. Said amount may be taken from the inmate's account at the department of corrections while the defendant is incarcerated. Upon conditional release or parole, if any amount of such court-ordered restitution is unpaid, the payment of the unpaid balance may be collected as a condition of conditional release or parole by the prosecuting attorney or circuit attorney under section 559.100. The prosecuting attorney or circuit attorney may refer any failure to make such restitution as a condition of conditional release or parole to the parole board for enforcement.

559.106. 1. Notwithstanding any statutory provision to the contrary, when a court grants probation to an offender who has been found guilty of an offense in:

(1) Section 566.030, 566.032, 566.060, 566.062, 566.067, 566.083, 566.100, 566.151, ~~[566.212, 566.213]~~ **566.210, 566.211**, 568.020, ~~[568.080, or 568.090]~~ **573.200, or 573.205**, based on an act committed on or after August 28, 2006; or

(2) Section 566.068, 566.069, 566.210, 566.211, 573.200, or 573.205 based on an act committed on or after January 1, 2017, against a victim who was less than fourteen years of age and the offender is a prior sex offender as defined in subsection 2 of this section;

the court shall order that the offender be supervised by the ~~[board]~~ **division** of probation and parole for the duration of his or her natural life.

2. For the purpose of this section, a prior sex offender is a person who has previously been found guilty of an offense contained in chapter 566, or violating section 568.020, when the person had sexual intercourse or deviate sexual intercourse with the victim, or of violating subdivision (2) of subsection 1 of section 568.045.

3. When probation for the duration of the offender's natural life has been ordered, a mandatory condition of such probation is that the offender be electronically monitored. Electronic monitoring shall be based on a global positioning system or other technology that identifies and records the offender's location at all times.

4. In appropriate cases as determined by a risk assessment, the court may terminate the probation of an offender who is being supervised under this section when the offender is sixty-five years of age or older.

559.115. 1. Neither probation nor parole shall be granted by the circuit court between the time the transcript on appeal from the offender's conviction has been filed in appellate court and the disposition of the appeal by such court.

2. Unless otherwise prohibited by subsection 8 of this section, a circuit court only upon its own motion and not that of the state or the offender shall have the power to grant probation to an offender anytime up to one hundred twenty days after such offender has been delivered to the department of corrections but not thereafter. The court may request information and a recommendation from the department concerning the offender and such offender's behavior during the period of incarceration. Except as provided in this section, the court may place the offender on probation in a program created pursuant to section 217.777, or may place the offender on probation with any other conditions authorized by law.

3. The court may recommend placement of an offender in a department of corrections one hundred twenty-day program under this subsection or order such placement under subsection 4 of section 559.036. Upon the recommendation or order of the court, the department of corrections shall assess each offender to determine the appropriate one hundred twenty-day program in which to place the offender, which may include placement in the shock incarceration program or institutional treatment program. When the court recommends and receives placement of an offender in a department of corrections one hundred twenty-day program, the offender shall be released on probation if the department of corrections determines that the offender has successfully completed the program except as follows. Upon successful completion of a program under this subsection, the ~~board~~ **division** of probation and parole shall advise the sentencing court of an offender's probationary release date thirty days prior to release. The court shall follow the recommendation of the department unless the court determines that probation is not appropriate. If the court determines that probation is not appropriate, the court may order the execution of the offender's sentence only after conducting a hearing on the matter within ninety to one hundred twenty days from the date the offender was delivered to the department of corrections. If the department determines the offender has not successfully completed a one hundred twenty-day program under this subsection, the offender shall be removed from the program and the court shall be advised of the removal. The department shall report on the offender's participation in the program and may provide recommendations for terms and conditions of an offender's probation. The court shall then have the power to grant probation or order the execution of the offender's sentence.

4. If the court is advised that an offender is not eligible for placement in a one hundred twenty-day program under subsection 3 of this section, the court shall consider other authorized dispositions. If the department of corrections one hundred twenty-day program under subsection 3 of this section is full, the court may place the offender in a private program approved by the department of corrections or the court, the expenses of such program to be paid by the offender, or in an available program offered by another organization. If the offender is convicted of a class C, class D, or class E nonviolent felony, the court may order probation while awaiting appointment to treatment.

5. Except when the offender has been found to be a predatory sexual offender pursuant to section 566.125, the court shall request the department of corrections to conduct a sexual offender assessment if the defendant has been found guilty of sexual abuse when classified as a class B felony. Upon completion of the assessment, the department shall provide to the court a report on the offender and may provide recommendations for terms and conditions of an offender's probation. The assessment shall not be considered a one hundred twenty-day program as provided under subsection 3 of this section. The process for granting probation to an offender who has completed the assessment shall be as provided under subsections 2 and 6 of this section.

6. Unless the offender is being granted probation pursuant to successful completion of a one hundred twenty-day program the circuit court shall notify the state in writing when the court intends to grant probation to the offender pursuant to the provisions of this section. The state may, in writing, request a hearing within ten days of receipt of the court's notification that the court intends to grant probation. Upon the state's request for a hearing, the court shall grant a hearing as soon as reasonably possible. If the state does not respond to the court's notice in writing within ten days, the court may proceed upon its own motion to grant probation.

7. An offender's first incarceration under this section prior to release on probation shall not be considered a previous prison commitment for the purpose of determining a minimum prison term under the provisions of section 558.019.

8. Notwithstanding any other provision of law, probation may not be granted pursuant to this section to offenders who have been convicted of murder in the second degree pursuant to section 565.021; forcible rape pursuant to section 566.030 as it existed prior to August 28, 2013; rape in the first degree under section 566.030; forcible sodomy pursuant to section 566.060 as it existed prior to August 28, 2013; sodomy in the first degree under section 566.060; statutory rape in the first degree pursuant to section 566.032; statutory sodomy in the first degree pursuant to section 566.062; child molestation in the first degree pursuant to section 566.067 when classified as a class A felony; abuse of a child pursuant to section 568.060 when classified as a class A felony; or an offender who has been found to be a predatory sexual offender pursuant to section 566.125; or any offense in which there exists a statutory prohibition against either probation or parole.

559.125. 1. The clerk of the court shall keep in a permanent file all applications for probation or parole by the court, and shall keep in such manner as may be prescribed by the court complete and full records of all presentence investigations requested, probations or paroles granted, revoked or terminated and all discharges from probations or paroles. All court orders relating to any presentence investigation requested and probation or parole granted under the provisions of this chapter and sections 558.011 and 558.026 shall be kept in a like manner, and, if the defendant subject to any such order is subject to an investigation or is under the supervision of the ~~[state board]~~ **division** of probation and parole, a copy of the order shall be sent to the ~~[board]~~ **division of probation and parole**. In any county where a parole board ceases to exist, the clerk of the court shall preserve the records of that **parole** board.

2. Information and data obtained by a probation or parole officer shall be privileged information and shall not be receivable in any court. Such information shall not be disclosed directly or indirectly to anyone other than the members of a parole board and the judge entitled to receive reports, except the court, **the division of probation and parole**, or the **parole** board may in its discretion permit the inspection of the report, or parts of such report, by the defendant, or offender or his or her attorney, or other person having a proper interest therein.

3. The provisions of subsection 2 of this section notwithstanding, the presentence investigation report shall be made available to the state and all information and data obtained in connection with preparation of the presentence investigation report may be made available to the state at the discretion of the court upon a showing that the receipt of the information and data is in the best interest of the state.

559.600. 1. In cases where the ~~[board]~~ **division** of probation and parole is not required under section 217.750 to provide probation supervision and rehabilitation services for misdemeanor offenders, the circuit and associate circuit judges in a circuit may contract with one or more private entities or other court-approved entity to provide such services. The court-approved entity, including private or other entities, shall act as a misdemeanor probation office in that circuit and shall, pursuant to the terms of the contract, supervise persons placed on probation by the judges for class A, B, C, and D misdemeanor offenses, specifically including persons placed on probation for violations of section 577.023. Nothing in sections 559.600 to 559.615 shall be construed to prohibit the ~~[board]~~ **division** of probation and parole, or the court, from supervising misdemeanor offenders in a circuit where the judges have entered into a contract with a probation entity.

2. In all cases, the entity providing such private probation service shall utilize the cutoff concentrations utilized by the department of corrections with regard to drug and alcohol screening for clients assigned to such entity. A drug test is positive if drug presence is at or above the cutoff concentration or negative if no drug is detected or if drug presence is below the cutoff concentration.

3. In all cases, the entity providing such private probation service shall not require the clients assigned to such entity to travel in excess of fifty miles in order to attend their regular probation meetings.

559.602. A private entity seeking to provide probation supervision and rehabilitation services to misdemeanor offenders shall make timely written application to the judges in a circuit. When approved by the judges of a circuit, the application, the judicial order of approval and the contract shall be forwarded to the ~~[board]~~ **division** of probation and parole. The contract shall contain the responsibilities of the private entity, including the offenses for which persons will be supervised. The ~~[board]~~ **division** may then withdraw supervision of misdemeanor offenders which are to be supervised by the court-approved private entity in that circuit.

559.607. 1. Judges of the municipal division in any circuit, acting through a chief or presiding judge, either may contract with a private or public entity or may employ any qualified person to serve as the city's probation officer to provide probation and rehabilitation services for persons placed on probation for violation of any ordinance of the city, specifically including the offense of operating or being in physical control of a motor vehicle while under the influence of intoxicating liquor or narcotic drugs. The contracting city shall not be required to pay for any part of the cost of probation and rehabilitation services authorized under sections 559.600 to 559.615.

Persons found guilty or pleading guilty to ordinance violations and placed on probation by municipal or city court judges shall contribute a service fee to the court in the amount set forth in section 559.604 to pay the cost of their probation supervision provided by a probation officer employed by the court or by a contract probation officer as provided for in section 559.604.

2. When approved by municipal court judges in the municipal division, the application, judicial order of approval, and the contract shall be forwarded to and filed with the ~~board~~ **division** of probation and parole. The court-approved private or public entity or probation officer employed by the court shall then function as the probation office for the city, pursuant to the terms of the contract or conditions of employment and the terms of probation ordered by the judge. Any city in this state which presently does not have probation services available for persons convicted of its ordinance violations, or that contracts out those services with a private entity, may, under the procedures authorized in sections 559.600 to 559.615, contract with and continue to contract with a private entity or employ any qualified person and contract with the municipal division to provide such probation supervision and rehabilitation services.

- (2) Is seventeen years of age or older and arrested for burglary in the first degree under section 569.160, or burglary in the second degree under section 569.170, or a felony offense under chapter 565, 566, 567, 568, or 573; or
- (3) Has been determined to be a sexually violent predator pursuant to sections 632.480 to 632.513; or
- (4) Is an individual required to register as a sexual offender under sections 589.400 to 589.425;

shall have a fingerprint and blood or scientifically accepted biological sample collected for purposes of DNA profiling analysis.

2. Any individual subject to DNA collection and profiling analysis under this section shall provide a DNA sample:

- (1) Upon booking at a county jail or detention facility; or
- (2) Upon entering or before release from the department of corrections reception and diagnostic centers; or
- (3) Upon entering or before release from a county jail or detention facility, state correctional facility, or any other detention facility or institution, whether operated by a private, local, or state agency, or any mental health facility if committed as a sexually violent predator pursuant to sections 632.480 to 632.513; or

(4) When the state accepts a person from another state under any interstate compact, or under any other reciprocal agreement with any county, state, or federal agency, or any other provision of law, whether or not the person is confined or released, the acceptance is conditional on the person providing a DNA sample if the person was found guilty of a felony offense in any other jurisdiction; or

(5) If such individual is under the jurisdiction of the department of corrections. Such jurisdiction includes persons currently incarcerated, persons on probation, as defined in section 217.650, and on parole, as also defined in section 217.650; or

(6) At the time of registering as a sex offender under sections 589.400 to 589.425.

3. The Missouri state highway patrol and department of corrections shall be responsible for ensuring adherence to the law. Any person required to provide a DNA sample pursuant to this section shall be required to provide such sample, without the right of refusal, at a collection site designated by the Missouri state highway patrol and the department of corrections. Authorized personnel collecting or assisting in the collection of samples shall not be liable in any civil or criminal action when the act is performed in a reasonable manner. Such force may be used as necessary to the effectual carrying out and application of such processes and operations. The enforcement of these provisions by the authorities in charge of state correctional institutions and others having custody or jurisdiction over individuals included in subsection 1 of this section which shall not be set aside or reversed is hereby made mandatory. The ~~board~~ **division** of probation or parole shall recommend that an individual on probation or parole who refuses to provide a DNA sample have his or her probation or parole revoked. In the event that a person's DNA sample is not adequate for any reason, the person shall provide another sample for analysis.

4. The procedure and rules for the collection, analysis, storage, expungement, use of DNA database records and privacy concerns shall not conflict with procedures and rules applicable to the Missouri DNA profiling system and the Federal Bureau of Investigation's DNA databank system.

5. Unauthorized use or dissemination of individually identifiable DNA information in a database for purposes other than criminal justice or law enforcement is a class A misdemeanor.

6. Implementation of sections 650.050 to 650.100 shall be subject to future appropriations to keep Missouri's DNA system compatible with the Federal Bureau of Investigation's DNA databank system.

7. All DNA records and biological materials retained in the DNA profiling system are considered closed records pursuant to chapter 610. All records containing any information held or maintained by any person or by any agency, department, or political subdivision of the state concerning an individual's DNA profile shall be strictly confidential and shall not be disclosed, except to:

(1) Peace officers, as defined in section 590.010, and other employees of law enforcement agencies who need to obtain such records to perform their public duties;

(2) The attorney general or any assistant attorneys general acting on his or her behalf, as defined in chapter 27;

(3) Prosecuting attorneys or circuit attorneys as defined in chapter 56, and their employees who need to obtain such records to perform their public duties;

(4) The individual whose DNA sample has been collected, or his or her attorney; or

(5) Associate circuit judges, circuit judges, judges of the courts of appeals, supreme court judges, and their employees who need to obtain such records to perform their public duties.

8. Any person who obtains records pursuant to the provisions of this section shall use such records only for investigative and prosecutorial purposes, including but not limited to use at any criminal trial, hearing, or proceeding; or for law enforcement identification purposes, including identification of human remains. Such records shall be considered strictly confidential and shall only be released as authorized by this section.

9. (1) An individual may request expungement of his or her DNA sample and DNA profile through the court issuing the reversal or dismissal, or through the court granting an expungement of all official records under section 568.040. A certified copy of the court order establishing that such conviction has been reversed, guilty plea has been set aside, or expungement has been granted under section 568.040 shall be sent to the Missouri state highway patrol crime laboratory. Upon receipt of the court order, the laboratory will determine that the requesting individual has no other qualifying offense as a result of any separate plea or conviction and no other qualifying arrest prior to expungement.

(2) A person whose DNA record or DNA profile has been included in the state DNA database in accordance with this section and sections 650.050, 650.052, and 650.100 may request expungement on the grounds that the conviction has been reversed, the guilty plea on which the authority for including that person's DNA record or DNA profile was based has been set aside, or an expungement of all official records has been granted by the court under section 568.040.

(3) Upon receipt of a written request for expungement, a certified copy of the final court order reversing the conviction, setting aside the plea, or granting an expungement of all official records under section 568.040, and any other information necessary to ascertain the validity of the request, the Missouri state highway patrol crime laboratory shall expunge all DNA records and identifiable information in the state DNA database pertaining to the person and destroy the DNA sample of the person, unless the Missouri state highway patrol determines that the person is otherwise obligated to submit a DNA sample. Within thirty days after the receipt of the court order, the Missouri state highway patrol shall notify the individual that it has expunged his or her DNA sample and DNA profile, or the basis for its determination that the person is otherwise obligated to submit a DNA sample.

(4) The Missouri state highway patrol is not required to destroy any item of physical evidence obtained from a DNA sample if evidence relating to another person would thereby be destroyed.

(5) Any identification, warrant, arrest, or evidentiary use of a DNA match derived from the database shall not be excluded or suppressed from evidence, nor shall any conviction be invalidated or reversed or plea set aside due to the failure to expunge or a delay in expunging DNA records.

10. When a DNA sample is taken from an individual pursuant to subdivision (2) of subsection 1 of this section and the prosecutor declines prosecution and notifies the arresting agency of that decision, the arresting agency shall notify the Missouri state highway patrol crime laboratory within ninety days of receiving such notification. Within thirty days of being notified by the arresting agency that the prosecutor has declined prosecution, the Missouri state highway patrol crime laboratory shall determine whether the individual has any other qualifying offenses or arrests that would require a DNA sample to be taken and retained. If the individual has no other qualifying offenses or arrests, the crime laboratory shall expunge all DNA records in the database taken at the arrest for which the prosecution was declined pertaining to the person and destroy the DNA sample of such person.

11. When a DNA sample is taken of an arrestee for any offense listed under subsection 1 of this section and charges are filed:

(1) If the charges are later withdrawn, the prosecutor shall notify the state highway patrol crime laboratory that such charges have been withdrawn;

(2) If the case is dismissed, the court shall notify the state highway patrol crime laboratory of such dismissal;

(3) If the court finds at the preliminary hearing that there is no probable cause that the defendant committed the offense, the court shall notify the state highway patrol crime laboratory of such finding;

(4) If the defendant is found not guilty, the court shall notify the state highway patrol crime laboratory of such verdict.

If the state highway patrol crime laboratory receives notice under this subsection, such crime laboratory shall determine, within thirty days, whether the individual has any other qualifying offenses or arrests that would require a DNA sample to be taken. If the individual has no other qualifying arrests or offenses, the crime laboratory shall expunge all DNA records in the database pertaining to such person and destroy the person's DNA sample.

650.058. 1. Notwithstanding the sovereign immunity of the state, any individual who was found guilty of a felony in a Missouri court and was later determined to be actually innocent of such crime solely as a result of DNA profiling analysis may be paid restitution. The individual may receive an amount of one hundred dollars per day for each day of postconviction incarceration for the crime for which the individual is determined to be actually innocent. The petition for the payment of said restitution shall be filed with the sentencing court. For the purposes of this section, the term "actually innocent" shall mean:

(1) The individual was convicted of a felony for which a final order of release was entered by the court;

(2) All appeals of the order of release have been exhausted;

(3) The individual was not serving any term of a sentence for any other crime concurrently with the sentence for which he or she is determined to be actually innocent, unless such individual was serving another concurrent sentence because his or her parole was revoked by a court or the ~~board of probation and parole~~ **parole board** in connection with the crime for which the person has been exonerated. Regardless of whether any other basis may exist for the revocation of the person's probation or parole at the time of conviction for the crime for which the person is later determined to be actually innocent, when the court's or the ~~board of probation and parole's~~ **parole board's** sole stated reason for the revocation in its order is the conviction for the crime for which the person is later determined to be actually innocent, such order shall, for purposes of this section only, be conclusive evidence that their probation or parole was revoked in connection with the crime for which the person has been exonerated; and

(4) Testing ordered under section 547.035, or testing by the order of any state or federal court, if such person was exonerated on or before August 28, 2004, or testing ordered under section 650.055, if such person was or is exonerated after August 28, 2004, demonstrates a person's innocence of the crime for which the person is in custody.

Any individual who receives restitution under this section shall be prohibited from seeking any civil redress from the state, its departments and agencies, or any employee thereof, or any political subdivision or its employees. This section shall not be construed as a waiver of sovereign immunity for any purposes other than the restitution provided for herein. The department of corrections shall determine the aggregate amount of restitution owed during a fiscal year. If insufficient moneys are appropriated each fiscal year to pay restitution to such persons, the department shall pay each individual who has received an order awarding restitution a pro rata share of the amount appropriated. Provided sufficient moneys are appropriated to the department, the amounts owed to such individual shall be paid on June thirtieth of each subsequent fiscal year, until such time as the restitution to the individual has been paid in full. However, no individual awarded restitution under this subsection shall receive more than thirty-six thousand five hundred dollars during each fiscal year. No interest on unpaid restitution shall be awarded to the individual. No individual who has been determined by the court to be actually innocent shall be responsible for the costs of care under section 217.831.

2. If the results of the DNA testing confirm the person's guilt, then the person filing for DNA testing under section 547.035, shall:

(1) Be liable for any reasonable costs incurred when conducting the DNA test, including but not limited to the cost of the test. Such costs shall be determined by the court and shall be included in the findings of fact and conclusions of law made by the court; and

(2) Be sanctioned under the provisions of section 217.262.

3. A petition for payment of restitution under this section may only be filed by the individual determined to be actually innocent or the individual's legal guardian. No claim or petition for restitution under this section may be filed by the individual's heirs or assigns. An individual's right to receive restitution under this section is not assignable or otherwise transferrable. The state's obligation to pay restitution under this section shall cease upon the individual's death. Any beneficiary designation that purports to bequeath, assign, or otherwise convey the right to receive such restitution shall be void and unenforceable.

4. An individual who is determined to be actually innocent of a crime under this chapter shall automatically be granted an order of expungement from the court in which he or she pled guilty or was sentenced to expunge from all official records all recordations of his or her arrest, plea, trial or conviction. Upon granting of the order of expungement, the records and files maintained in any administrative or court proceeding in an associate or circuit division of the court shall be confidential and only available to the parties or by order of the court for good cause shown. The effect of such order shall be to restore such person to the status he or she occupied prior to such arrest, plea or conviction and as if such event had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrest, plea, trial, conviction or expungement in response to any inquiry made of him or her for any purpose whatsoever and no such inquiry shall be made for information relating to an expungement under this section.

~~[217.660. 1. The chairman of the board of probation and parole shall be the director of the division.~~

~~2. In addition to the compensation as a member of the board, any chairman whose term of office began before August 28, 1999, shall receive three thousand eight hundred seventy-five dollars per year for duties as chairman.]"; and"; and~~

590.1065. 1. The provisions of this section shall be known and may be cited as the "Law Enforcement Accountability Act".

2. A peace officer shall intervene to prevent or stop another peace officer from using physical force that exceeds the degree of force permitted under this chapter in pursuance of the other peace officer's law enforcement duties in carrying out an arrest of any person, placing any person under detention, taking any person into custody, booking any person, or in the process of crowd or riot control without regard to chain of command.

3. A peace officer who intervenes as required under subsection 1 of this section shall report the intervention to his or her immediate supervisor. At a minimum, the report required under this subsection shall include:

- (1) The date, time, and place of the occurrence;**
- (2) The identity, if known and description of the participants; and**
- (3) A description of the intervention actions taken.**

Such report shall be made in writing within ten days of the occurrence of the use of such force and shall be appended to all other reports of the incident.

4. A member of a law enforcement agency shall not discipline or retaliate in any way against a peace officer for intervening as required under subsection 1 of this section, reporting unconstitutional conduct, or failing to follow what the peace officer reasonably believes is an unconstitutional directive.

5. When an internal investigation finds that a peace officer failed to intervene or prevent the use of unlawful physical force under this section, such finding shall be presented to the prosecuting attorney for a determination as to whether charges should be filed. However, nothing in this subsection prohibits the prosecuting attorney from charging a peace officer with failure to intervene before the conclusion of any internal investigation.

6. In addition to any criminal liability and penalty, when an internal investigation finds that a peace officer failed to intervene or prevent the use of unlawful physical force under this section in an incident resulting in serious bodily injury or death to any person, the peace officer's employer shall subject the peace officer to discipline, up to and including termination, to the extent permitted under applicable constitutional and statutory law, and the POST Commission shall revoke the peace officer's certification under chapter 590 upon receipt of notice of the peace officer's discipline. Such revocation may only be overturned if the peace officer is exonerated by a court.

7. In a case in which the prosecution charges a peace officer with offenses related to and based on the use of excessive force but does not file charges against any other peace officer or officers who were at the scene during the use of force, the prosecuting attorney shall prepare a written report explaining his or her basis for the decision not to charge any other peace officer with criminal conduct and shall disclose the report to the public; except that if disclosure of the report would substantially interfere with or jeopardize an ongoing criminal investigation, the prosecuting attorney may delay public disclosure for up to forty-five days. The prosecuting attorney shall post the written report on its website or, if it does not have a website, make it publicly available upon request.

8. The offense of failing to intervene to prevent the use of unlawful force under this section is considered an act of complicity and the penalty for such act shall be equal to the penalty imposed against the peace officer who committed the original wrongdoing for which the peace officer failed to intervene. Nothing in this subsection shall prohibit or discourage prosecution of any other criminal offense related to failure to intervene, including a higher charge, if supported by the evidence."; and"; and

House Amendment No. 4

AMEND House Committee Substitute for Senate Substitute No. 2 for Senate Bill No. 26, Page 2, Section 84.400, Line 14, by inserting after said section and line the following:

"217.690. 1. All releases or paroles shall issue upon order of the board, duly adopted.

2. Before ordering the parole of any offender, the board shall conduct a validated risk and needs assessment and evaluate the case under the rules governing parole that are promulgated by the board. The board shall then have the offender appear before a hearing panel and shall conduct a personal interview with him, unless waived by the offender, or if the guidelines indicate the offender may be paroled without need for an interview. The guidelines and rules shall not allow for the waiver of a hearing if a victim requests a hearing. The appearance or presence may occur by means of a videoconference at the discretion of the board. A parole may be ordered for the best interest of society when there is a reasonable probability, based on the risk assessment and indicators of release readiness, that the person can be supervised under parole supervision and successfully reintegrated into the community, not as an award of clemency; it shall not be considered a reduction of sentence or a pardon. Every offender while on parole shall remain in the legal custody of the department but shall be subject to the orders of the board.

3. The division of probation and parole has discretionary authority to require the payment of a fee, not to exceed sixty dollars per month, from every offender placed under division supervision on probation, parole, or conditional release, to waive all or part of any fee, to sanction offenders for willful nonpayment of fees, and to contract with a private entity for fee collections services. All fees collected shall be deposited in the inmate fund established in section 217.430. Fees collected may be used to pay the costs of contracted collections services. The fees collected may otherwise be used to provide community corrections and intervention services for offenders. Such services include substance abuse assessment and treatment, mental health assessment and treatment, electronic monitoring services, residential facilities services, employment placement services, and other offender community corrections or intervention services designated by the division of probation and parole to assist offenders to successfully complete probation, parole, or conditional release. The board shall adopt rules not inconsistent with law, in accordance with section 217.040, with respect to sanctioning offenders and with respect to establishing, waiving, collecting, and using fees.

4. The board shall adopt rules not inconsistent with law, in accordance with section 217.040, with respect to the eligibility of offenders for parole, the conduct of parole hearings or conditions to be imposed upon paroled offenders. Whenever an order for parole is issued it shall recite the conditions of such parole.

5. When considering parole for an offender with consecutive sentences, the minimum term for eligibility for parole shall be calculated by adding the minimum terms for parole eligibility for each of the consecutive sentences, except the minimum term for parole eligibility shall not exceed the minimum term for parole eligibility for an ordinary life sentence.

6. Any offender sentenced to a term of imprisonment amounting to fifteen years or more or multiple terms of imprisonment that, taken together, amount to fifteen or more years who was under eighteen years of age at the time of the commission of the offense or offenses may be eligible for parole after serving fifteen years of incarceration, regardless of whether the case is final for the purposes of appeal, and may be eligible for reconsideration hearings in accordance with regulations promulgated by the parole board.

7. The provisions of subsection 6 shall not apply to an offender found guilty of murder in the first degree or capital murder who was under eighteen years of age when the offender committed the offense or offenses who may be found ineligible for parole or whose parole eligibility may be controlled by section 558.047 or 565.033.

8. Any offender under a sentence for first degree murder who has been denied release on parole after a parole hearing shall not be eligible for another parole hearing until at least three years from the month of the parole denial; however, this subsection shall not prevent a release pursuant to subsection 4 of section 558.011.

~~[7-]~~ 9. A victim who has requested an opportunity to be heard shall receive notice that the **parole** board is conducting an assessment of the offender's risk and readiness for release and that the victim's input will be particularly helpful when it pertains to safety concerns and specific protective measures that may be beneficial to the victim should the offender be granted release.

~~[8-]~~ 10. Parole hearings shall, at a minimum, contain the following procedures:

(1) The victim or person representing the victim who attends a hearing may be accompanied by one other person;

(2) The victim or person representing the victim who attends a hearing shall have the option of giving testimony in the presence of the inmate or to the hearing panel without the inmate being present;

(3) The victim or person representing the victim may call or write the parole board rather than attend the hearing;

(4) The victim or person representing the victim may have a personal meeting with a **parole** board member at the **parole** board's central office;

(5) The judge, prosecuting attorney or circuit attorney and a representative of the local law enforcement agency investigating the crime shall be allowed to attend the hearing or provide information to the hearing panel in regard to the parole consideration; and

(6) The **parole** board shall evaluate information listed in the juvenile sex offender registry pursuant to section 211.425, provided the offender is between the ages of seventeen and twenty-one, as it impacts the safety of the community.

~~[9-]~~ 11. The **parole** board shall notify any person of the results of a parole eligibility hearing if the person indicates to the **parole** board a desire to be notified.

~~[10-]~~ 12. The **parole** board may, at its discretion, require any offender seeking parole to meet certain conditions during the term of that parole so long as said conditions are not illegal or impossible for the offender to perform. These conditions may include an amount of restitution to the state for the cost of that offender's incarceration.

~~[11-]~~ 13. Special parole conditions shall be responsive to the assessed risk and needs of the offender or the need for extraordinary supervision, such as electronic monitoring. The **parole** board shall adopt rules to minimize the conditions placed on low-risk cases, to frontload conditions upon release, and to require the modification and reduction of conditions based on the person's continuing stability in the community. **Parole** board rules shall permit parole conditions to be modified by parole officers with review and approval by supervisors.

~~[12-]~~ 14. Nothing contained in this section shall be construed to require the release of an offender on parole nor to reduce the sentence of an offender heretofore committed.

~~[13-]~~ 15. Beginning January 1, 2001, the **parole** board shall not order a parole unless the offender has obtained a high school diploma or its equivalent, or unless the **parole** board is satisfied that the offender, while committed to the custody of the department, has made an honest good-faith effort to obtain a high school diploma or its equivalent; provided that the director may waive this requirement by certifying in writing to the **parole** board that the offender has actively participated in mandatory education programs or is academically unable to obtain a high school diploma or its equivalent.

[14-] 16. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2005, shall be invalid and void.

217.692. 1. shall be eligible for parole after having served fifteen years of such sentence when the board determines by using the guidelines established by this section that there is a strong and reasonable probability that the person will not thereafter violate the law.

2. The board of probation and parole shall give a thorough review of the case history and prison record of any offender described in subsection 1 of this section. At the end of the board's review, the board shall provide the offender with a copy of a statement of reasons for its parole decision.

- (6) The offender's continued claim of innocence;
- (7) The age and maturity of the offender at the time of the board's decision;
- (8) The age and maturity of the offender at the time of the crime and any contributing influence affecting the offender's judgment;
- (9) The presence of a workable parole plan; and

5. Nothing in this section shall limit the review of any offender's case who is eligible for parole prior to fifteen years, nor shall it limit in any way the parole board's power to grant parole prior to fifteen years.

6. Nothing in this section shall limit the review of any offender's case who has applied for executive clemency, nor shall it limit in any way the governor's power to grant clemency.

7. It shall be the responsibility of the offender to petition the board for a hearing under this section.

8. A person commits the crime of perjury if he or she, with the purpose to deceive, knowingly makes a false witness statement to the board. Perjury under this section shall be a class D felony.

9. In cases where witness statements alleging physical or sexual domestic violence are in conflict as to whether such violence occurred or was continual and substantial in nature, the history of such alleged violence shall be established by other corroborative evidence in addition to witness statements, as provided by subsection 1 of this section. A contradictory statement of the victim shall not be deemed a conflicting statement for purposes of this section."; and

(2) Any unattended abandoned property illegally left standing upon any highway or bridge if the abandoned property is left in a position or under such circumstances as to obstruct the normal movement of traffic where there is no reasonable indication that the person in control of the property is arranging for its immediate control or removal;

(3) Any abandoned property which has been abandoned under section 577.080;

(4) Any abandoned property which has been reported as stolen or taken without consent of the owner;

(7) Any abandoned property left unattended in violation of a state law or local ordinance where signs have been posted giving notice of the law or where the violation causes a safety hazard;

(8) Any abandoned property illegally left standing on the waters of this state as defined in section 306.010 where the abandoned property is obstructing the normal movement of traffic, or where the abandoned property has been unattended for more than ten hours or is floating loose on the water; or

(9) Any abandoned property for which the person operating such property or vehicle eludes arrest for an alleged offense for which the officer would have taken the offender into custody.

2. The department of transportation or any law enforcement officer within the officer's jurisdiction may immediately remove any abandoned, unattended, wrecked, burned or partially dismantled property, spilled cargo or other personal property from the right-of-way of any interstate highway, freeway, or state highway if the abandoned property, cargo or personal property is creating a traffic hazard because of its position in relation to the interstate highway, freeway, or state highway. In the event the property creating a traffic hazard is a commercial motor vehicle, as defined in section 302.700, the department's authority under this subsection shall be limited to authorizing a towing company to remove the commercial motor vehicle to a place of safety, except that the owner of the commercial motor vehicle or the owner's designated representative shall have a reasonable opportunity to contact a towing company of choice. The provisions of this subsection shall not apply to vehicles transporting any material which has been designated as hazardous under Section 5103(a) of Title 49, U.S.C.

3. Any law enforcement agency authorizing a tow pursuant to this section in which the abandoned property is moved from the immediate vicinity shall complete a crime inquiry and inspection report. Any state or federal government agency other than a law enforcement agency authorizing a tow pursuant to this section in which the abandoned property is moved away from the immediate vicinity in which it was abandoned shall report the towing to the state highway patrol or water patrol within two hours of the tow along with a crime inquiry and inspection report as required in this section. Any local government agency, other than a law enforcement agency, authorizing a tow pursuant to this section where property is towed away from the immediate vicinity shall report the tow to the local law enforcement agency within two hours along with a crime inquiry and inspection report.

4. Neither the law enforcement officer, government agency official nor anyone having custody of abandoned property under his direction shall be liable for any damage to such abandoned property occasioned by a removal authorized by this section or by ordinance of a county or municipality licensing and regulating the sale of abandoned property by the municipality, other than damages occasioned by negligence or by willful or wanton acts or omissions.

5. The owner of abandoned property removed as provided in this section or in section 304.157 shall be responsible for payment of all reasonable charges for towing and storage of such abandoned property as provided in section 304.158.

6. Upon the towing of any abandoned property pursuant to this section or under authority of a law enforcement officer or local government agency pursuant to section 304.157, the law enforcement agency that authorized such towing or was properly notified by another government agency of such towing shall promptly make an inquiry with the national crime information center and any statewide Missouri law enforcement computer system to determine if the abandoned property has been reported as stolen and shall enter the information pertaining to the towed property into the statewide law enforcement computer system. If the abandoned property is not claimed

within ten working days of the towing, the tower who has online access to the department of revenue's records shall make an inquiry to determine the abandoned property owner and lienholder, if any, of record. In the event that the records of the department of revenue fail to disclose the name of the owner or any lienholder of record, the tower shall comply with the requirements of subsection 3 of section 304.156. If the tower does not have online access, the law enforcement agency shall submit a crime inquiry and inspection report to the director of revenue. A towing company that does not have online access to the department's records and that is in possession of abandoned property after ten working days shall report such fact to the law enforcement agency with which the crime inquiry and inspection report was filed. The crime inquiry and inspection report shall be designed by the director of revenue and shall include the following:

- (1) The year, model, make and property identification number of the property and the owner and any lienholders, if known;
- (2) A description of any damage to the property noted by the officer authorizing the tow;
- (3) The license plate or registration number and the state of issuance, if available;

This information shall be entered only by the law enforcement agency making the inquiry;

- (8) The signature and printed name of the officer authorizing the tow;
- (9) The name of the towing company, the signature and printed name of the towing operator, and an indicator disclosing whether the tower has online access to the department's records; and
- (10) Any additional information the director of revenue deems appropriate.

7. One copy of the crime inquiry and inspection report shall remain with the agency which authorized the tow. One copy shall be provided to and retained by the storage facility and one copy shall be retained by the towing facility in an accessible format in the business records for a period of three years from the date of the tow or removal.

8. The owner of such abandoned property, or the holder of a valid security interest of record, may reclaim it from the towing company upon proof of ownership or valid security interest of record and payment of all reasonable charges for the towing and storage of the abandoned property.

9. Any person who removes abandoned property at the direction of a law enforcement officer or an officer of a government agency where that agency's real property is concerned as provided in this section shall have a lien for all reasonable charges for the towing and storage of the abandoned property until possession of the abandoned property is voluntarily relinquished to the owner of the abandoned property or to the holder of a valid security interest of record. Any personal property within the abandoned property need not be released to the owner thereof until the reasonable or agreed charges for such recovery, transportation or safekeeping have been paid or satisfactory arrangements for payment have been made, except that any medication prescribed by a physician shall be released to the owner thereof upon request. The company holding or storing the abandoned property shall either release the personal property to the owner of the abandoned property or allow the owner to inspect the property and provide an itemized receipt for the contents. The company holding or storing the property shall be strictly liable for the condition and safe return of the personal property. Such lien shall be enforced in the manner provided under section 304.156.

10. Towing companies shall keep a record for three years on any abandoned property towed and not reclaimed by the owner of the abandoned property. Such record shall contain information regarding the authorization to tow, copies of all correspondence with the department of revenue concerning the abandoned property, including copies of any online records of the towing company accessed and information concerning the final disposition of the possession of the abandoned property.

11. If a lienholder repossesses any motor vehicle, trailer, all-terrain vehicle, outboard motor or vessel without the knowledge or cooperation of the owner, then the reposessor shall notify the local law enforcement agency where the repossession occurred within two hours of the repossession and shall further provide the local law enforcement agency with any additional information the agency deems appropriate. The local law enforcement agency shall make an inquiry with the national crime information center and the Missouri statewide law enforcement computer system and shall enter the repossessed vehicle into the statewide law enforcement computer system.

12. Notwithstanding the provisions of section 301.227, any towing company who has complied with the notification provisions in section 304.156 including notice that any property remaining unredeemed after thirty days may be sold as scrap property may then dispose of such property as provided in this subsection. Such sale shall only occur if at least thirty days has passed since the date of such notification, the abandoned property remains unredeemed with no satisfactory arrangements made with the towing company for continued storage, and the owner or holder of a security agreement has not requested a hearing as provided in section 304.156. The towing company may dispose of such abandoned property by selling the property on a bill of sale as prescribed by the director of revenue to a scrap metal operator or licensed salvage dealer for destruction purposes only. The towing company shall forward a copy of the bill of sale provided by the scrap metal operator or licensed salvage dealer to the director of revenue within two weeks of the date of such sale. The towing company shall keep a record of each such vehicle sold for destruction for three years that shall be available for inspection by law enforcement and authorized department of revenue officials. The record shall contain the year, make, identification number of the property, date of sale, and name of the purchasing scrap metal operator or licensed salvage dealer and copies of all notifications issued by the towing company as required in this chapter. Scrap metal operators or licensed salvage dealers shall keep a record of the purchase of such property as provided in section 301.227. Scrap metal operators and licensed salvage dealers may obtain a junk certificate as provided in section 301.227 on vehicles purchased on a bill of sale pursuant to this section."; and

9. (1) The sheriff shall keep a record of all applications for a concealed carry permit or a provisional permit and his or her action thereon. Any record of an application that is incomplete or denied for any reason shall be kept for a period not to exceed one year. 12. For processing a renewal for a concealed carry permit pursuant to sections 571.101 to 571.121, the sheriff in each county shall charge a nonrefundable fee not to exceed fifty dollars which shall be paid to the treasury of the county to the credit of the sheriff's revolving fund.

13. For the purposes of sections 571.101 to 571.121, the term "sheriff" shall include the sheriff of any county or city not within a county or his or her designee and in counties of the first classification the sheriff may designate the chief of police of any city, town, or municipality within such county.

The children's division; law enforcement, including the state technical assistance team; or prosecuting attorney may petition the circuit court for an order directing an exempt-from-licensure residential care facility, as those terms are defined under section 210.1253, that is the subject of an investigation of child abuse or neglect to present the child at a place and time designated by the court to a children's division worker for an assessment of the child's health, safety, and well-being.

2. The court shall enter an order under this section if:

(1) The court determines that there is reasonable suspicion to suspect that the child has been abused or neglected and the residential care facility does not voluntarily provide access to the child;

(2) The assessment is reasonably necessary for the completion of an investigation or the collection of evidence; and

210.1250. Sections 210.1250 to 210.1286 shall be known and may be cited as the "Residential Care Facility Notification Act".

210.1253. As used in sections 210.1250 to 210.1286, unless the context clearly provides otherwise, the following terms mean:

- (1) "Child", a person who is under eighteen years of age;

210.1256. 1. The department shall be the notification agency for all license-exempt residential care facilities, and the department shall fulfill the duties and responsibilities of the provisions of sections 210.1250 to 210.1286.

2. A residential care facility shall allow parents or guardians of children in the residential care facility unencumbered access to the children in the residential care facility without requiring prior notification to the residential care facility.

3. A residential care facility shall provide for adequate food, clothing, shelter, medical care, and other care necessary to provide for the child's physical, mental, or emotional health or development.

210.1259. 1. The director of any residential care facility shall provide the required notification in accordance with sections 210.1250 to 210.1286 before such operator shall accept any children.

2. All residential care facilities operating on the effective date of sections 210.1250 to 210.1286 shall register accordingly within three months after the effective date of sections 210.1250 to 210.1286.

3. The provisions of sections 210.1250 to 210.1286 shall not apply to any residential care facility that is already licensed so long as the license, registration, or monitoring under which such facility already operates requires of that facility all requirements provided under sections 210.1250 to 210.1286.

210.1262. The notification shall be filed by the director or his or her designee of the residential care facility to the department on forms provided by the department and shall contain the following information:

210.1263. 210.1264. Upon request by the department or a law enforcement officer acting within the scope of his or her employment, any license-exempt residential care facility subject to the notification requirements of sections 210.1250 to 210.1286 shall provide a full census and demographic information of children at the residential care facility, including parental or other guardian contact information and a full list of officers, managers, contractors, volunteers with access to children, employees, and other support staff of the residential care facility; any person eighteen years of age or older who resides at or on the property of the residential care facility; and any person who has unsupervised contact with a resident of the residential care facility.

210.1265. The residential care facility shall comply with all fire, safety, health, and sanitation inspections as may be required by state law or local ordinance.

210.1268. When the department is advised or has reason to believe that any residential care facility is operating without proper notification in accordance with sections 210.1250 to 210.1286, it shall give the director of the residential care facility written notice by certified mail that such person shall file notification in accordance with sections 210.1250 to 210.1286 within thirty days after receipt of such notice, or the department may request a court injunction as provided under section 210.1271.

210.1271. 1. Notwithstanding any other remedy, the department, the prosecuting attorney of the county where the facility is located, or the attorney general may seek injunctive relief to cease the operation of the residential care facility and provide for the appropriate removal of the children from the residential care facility and placement in the custody of the parent or legal guardian or any other appropriate individual or entity in the discretion of the court, or refer the matter to the juvenile officer of the appropriate county for appropriate proceedings under chapter 211. Such action shall be brought in the circuit court of the county in which such residential care facility is located and shall be initiated only for the following violations:

- (1) Providing supervision, care, lodging, or maintenance for any children in such facility without filing notification in accordance with sections 210.1250 to 210.1286;
- (2) Failing to satisfactorily comply with all fire, safety, health, and sanitation inspections as may be required by state law or local ordinance and required under section 210.252;
- (3) Failing to comply with background checks as required by section 210.493; or
- (4) An immediate health, safety, or welfare concern for the children at the residential care facility.

2. The department may notify the attorney general of any case in which the department makes a referral to a juvenile officer for removal of a child from a residential care facility. The notification shall include any violations under subsection 1 of this section.

3. If the court refers the matter to a juvenile officer, the court may also enter an order placing a child in the emergency, temporary protective custody of the children's division within the department, as provided under this section, for a period of time not to exceed five days. Such placement shall occur only if the children's division certifies to the court that the children's division has a suitable, temporary placement for the child and the court makes specific, written findings that:

- (1) It is contrary to the welfare of the child to remain in the residential care facility;
- (2) That the parent or legal guardian is unable or unwilling to take physical custody of the child within that time; and
- (3) There is no other temporary, suitable placement for the child.

If the parent or legal guardian of the child does not make suitable arrangements for the custody and disposition of the child within five days of placement within the children's division, the child shall fall under the original and exclusive jurisdiction of the juvenile court under subdivision (1) or (2) of subsection 1 of section 211.031 and the juvenile officer shall file a petition with the juvenile court for further proceedings. Under no circumstances shall the children's division be required to retain care and custody of the child for more than five days without an order from the juvenile court.

4. The provisions of sections 452.700 to 452.930 shall apply and the court shall follow the procedures specified under section 452.755 for children who are placed at a residential care facility and who are from another state or country or are under the jurisdiction or authority of a court from another state.

210.1274. Nothing in the statutes of Missouri shall give any governmental agency jurisdiction or authority to regulate or attempt to regulate, control, or influence the form, manner, or content of the religious curriculum, program, or ministry of a school or of a facility sponsored by a church or religious organization.

210.1280. The department shall maintain a list of all residential care facilities in compliance with sections 210.1250 to 210.1286, and the list shall be provided upon request. 210.1286. The department shall promulgate rules and regulations necessary for the implementation of sections 210.1250 to 210.1286. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after the effective date of sections 210.1250 to 210.1286 shall be invalid and void."; and

House Amendment No. 14*

AMEND House Amendment No. 14 to House Committee Substitute for Senate Substitute No. 2 for Senate Bill No. 26, Page 1, Line 4, by deleting all of said line and inserting in lieu thereof the following:

""301.227. 1. Whenever a vehicle is sold for salvage, dismantling or rebuilding, the purchaser shall forward to the director of revenue within ten days the certificate of ownership or salvage certificate of title and the proper application and fee of eight dollars and fifty cents, and the director shall issue a negotiable salvage certificate of title to the purchaser of the salvaged vehicle. On vehicles purchased during a year that is no more than six years

after the manufacturer's model year designation for such vehicle, it shall be mandatory that the purchaser apply for a salvage title. On vehicles purchased during a year that is more than six years after the manufacturer's model year designation for such vehicle, then application for a salvage title shall be optional on the part of the purchaser. Whenever a vehicle is sold for destruction and a salvage certificate of title, junking certificate, or certificate of ownership exists, the seller, if licensed under sections 301.217 to 301.221, shall forward the certificate to the director of revenue within ten days, with the notation of the date sold for destruction and the name of the purchaser clearly shown on the face of the certificate.

2. Whenever a vehicle is classified as junk, as defined in section 301.010, the purchaser may forward to the director of revenue a properly completed application for a junking certificate as well as the salvage certificate of title or certificate of ownership and the director shall issue a negotiable junking certificate to the purchaser of the vehicle. The director may also issue a junking certificate to a possessor of a vehicle manufactured twenty-six years or more prior to the current model year who has a bill of sale for said vehicle but does not possess a certificate of ownership, provided no claim of theft has been made on the vehicle and the highway patrol has by letter stated the vehicle is not listed as stolen after checking the registration number through its nationwide computer system. Such junking certificate may be granted within thirty days of the submission of a request. A junking certificate shall authorize the holder to possess, transport, or, by assignment, transfer ownership in such parts, scrap, or junk.

3. For any vehicle issued a junking certificate or such similar document or classification pursuant to the laws of another state, regardless of whether such designation has been subsequently changed by law in any other state, the department shall only issue a junking certificate, and a salvage certificate of title or original certificate of ownership shall not thereafter be issued for such vehicle, **unless the vehicle has been inspected by the highway patrol and passes such inspection in which case it shall receive a salvage certificate of title.** Notwithstanding the provisions of this subsection, if the vehicle has not previously been classified as a junk vehicle, the applicant making the original junking certification application shall, within ninety days, be allowed to rescind his application for a junking certificate by surrendering the junking certificate and apply for a salvage certificate of title in his name. The seller of a vehicle for which a junking certificate has been applied for or issued shall disclose such fact in writing to any prospective buyers before sale of such vehicle; otherwise the sale shall be voidable at the option of the buyer.

4. No scrap metal operator shall acquire or purchase a motor vehicle or parts thereof without, at the time of such acquisition, receiving the original certificate of ownership or salvage certificate of title or junking certificate from the seller of the vehicle or parts, unless the seller is a licensee under sections 301.219 to 301.221.

5. All titles and certificates required to be received by scrap metal operators from nonlicensees shall be forwarded by the operator to the director of revenue within ten days of the receipt of the vehicle or parts.

6. The scrap metal operator shall keep a record, for three years, of the seller's name and address, the salvage business license number of the licensee, date of purchase, and any vehicle or parts identification numbers open for inspection as provided in section 301.225.

7. Notwithstanding any other provision of this section, a motor vehicle dealer as defined in section 301.550 and licensed under the provisions of sections 301.550 to 301.572 may negotiate one reassignment of a salvage certificate of title on the back thereof.

8. Notwithstanding the provisions of subsection 1 of this section, an insurance company which settles a claim for a stolen vehicle may apply for and shall be issued a negotiable salvage certificate of title without the payment of any fee upon proper application within thirty days after settlement of the claim for such stolen vehicle. However, if the insurance company upon recovery of a stolen vehicle determines that the stolen vehicle has not sustained damage to the extent that the vehicle would have otherwise been declared a salvage vehicle pursuant to section 301.010, then the insurance company may have the vehicle inspected by the Missouri state highway patrol, or other law enforcement agency authorized by the director of revenue, in accordance with the inspection provisions of subsection 9 of section 301.190. Upon receipt of title application, applicable fee, the completed inspection, and the return of any previously issued negotiable salvage certificate, the director shall issue an original title with no salvage or prior salvage designation. Upon the issuance of an original title the director shall remove any indication of the negotiable salvage title previously issued to the insurance company from the department's electronic records.

9. Notwithstanding subsection 4 of this section or any other provision of the law to the contrary, if a motor vehicle is inoperable and is at least ten model years old, or the parts are from a motor vehicle that is inoperable and is at least ten model years old, a scrap metal operator may purchase or acquire such motor vehicle or parts without receiving the original certificate of ownership, salvage certificate of title, or junking certificate from the seller of the vehicle or parts, provided the scrap metal operator verifies with the department of revenue, via the department's online record access, that the motor vehicle is not subject to any recorded security interest or lien and the scrap metal operator complies with the requirements of this subsection. In lieu of forwarding certificates of title or ownership

for such motor vehicles as required by subsection 5 of this section, the scrap metal operator shall forward a copy of the seller's state identification card along with a bill of sale to the department of revenue. The bill of sale form shall be designed by the director and such form shall include, but not be limited to, a certification that the motor vehicle is at least ten model years old, is inoperable, is not subject to any recorded security interest or lien, and a certification by the seller that the seller has the legal authority to sell or otherwise transfer the seller's interest in the motor vehicle or parts. Upon receipt of the information required by this subsection, the department of revenue shall cancel any certificate of title or ownership and registration for the motor vehicle. If the motor vehicle is inoperable and at least twenty model years old, then the scrap metal operator shall not be required to verify with the department of revenue whether the motor vehicle is subject to any recorded security interests or liens. As used in this subsection, the term "inoperable" means a motor vehicle that is in a rusted, wrecked, discarded, worn out, extensively damaged, dismantled, and mechanically inoperative condition and the vehicle's highest and best use is for scrap purposes. The director of the department of revenue is directed to promulgate rules and regulations to implement and administer the provisions of this section, including but not limited to, the development of a uniform bill of sale. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void.

After a hearing, probation may be revoked and the suspended order executed.

3. When a child is found by the court to come within the provisions of subdivision (3) of subsection 1 of section 211.031, the court shall so decree and make a finding of fact upon which it exercises its jurisdiction over the child, and the court may, by order duly entered, proceed as follows:

(1) Place the child under supervision in his or her own home or in custody of a relative or other suitable person after the court or a public agency or institution designated by the court conducts an investigation of the home, relative or person and finds such home, relative or person to be suitable and upon such conditions as the court may require; provided that, no child who has been adjudicated a delinquent by a juvenile court for committing or attempting to commit a sex-related offense which if committed by an adult would be considered a felony offense pursuant to chapter 566, including but not limited to rape, forcible sodomy, child molestation, and sexual abuse, and in which the victim was a child, shall be placed in any residence within one thousand feet of the residence of the abused child of that offense until the abused child reaches the age of eighteen, and provided further that the provisions of this subdivision regarding placement within one thousand feet of the abused child shall not apply when the abusing child and the abused child are siblings or children living in the same home;

(2) Commit the child to the custody of:

(a) A public agency or institution authorized by law to care for children or to place them in family homes;

(b) Any other institution or agency which is authorized or licensed by law to care for children or to place them in family homes;

(c) An association, school or institution willing to receive it in another state if the approval of the agency in that state which administers the laws relating to importation of children into the state has been secured; or

(d) The juvenile officer;

(3) Beginning January 1, 1996, the court may make further directions as to placement with the division of youth services concerning the child's length of stay. The length of stay order may set forth a minimum review date;

(4) Place the child in a family home;

(5) Cause the child to be examined and treated by a physician, psychiatrist or psychologist and when the health or condition of the child requires it, cause the child to be placed in a public or private hospital, clinic or institution for treatment and care; except that, nothing contained herein authorizes any form of compulsory medical, surgical, or psychiatric treatment of a child whose parents or guardian in good faith are providing other remedial treatment recognized or permitted under the laws of this state;

(6) Suspend or revoke a state or local license or authority of a child to operate a motor vehicle;

(7) Order the child to make restitution or reparation for the damage or loss caused by his or her offense. In determining the amount or extent of the damage, the court may order the juvenile officer to prepare a report and may receive other evidence necessary for such determination. The child and his or her attorney shall have access to any reports which may be prepared, and shall have the right to present evidence at any hearing held to ascertain the amount of damages. Any restitution or reparation ordered shall be reasonable in view of the child's ability to make payment or to perform the reparation. The court may require the clerk of the circuit court to act as receiving and disbursing agent for any payment ordered;

(8) Order the child to a term of community service under the supervision of the court or of an organization selected by the court. Every person, organization, and agency, and each employee thereof, charged with the supervision of a child under this subdivision, or who benefits from any services performed as a result of an order issued under this subdivision, shall be immune from any suit by the child ordered to perform services under this subdivision, or any person deriving a cause of action from such child, if such cause of action arises from the supervision of the child's performance of services under this subdivision and if such cause of action does not arise from an intentional tort. A child ordered to perform services under this subdivision shall not be deemed an employee within the meaning of the provisions of chapter 287, nor shall the services of such child be deemed employment within the meaning of the provisions of chapter 288. Execution of any order entered by the court, including a commitment to any state agency, may be suspended and the child placed on probation subject to such conditions as the court deems reasonable. After a hearing, probation may be revoked and the suspended order executed;

(9) When a child has been adjudicated to have violated a municipal ordinance or to have committed an act that would be a misdemeanor if committed by an adult, assess an amount of up to twenty-five dollars to be paid by the child to the clerk of the court; when a child has been adjudicated to have committed an act that would be a felony if committed by an adult, assess an amount of up to fifty dollars to be paid by the child to the clerk of the court.

4. Beginning January 1, 1996, the court may set forth in the order of commitment the minimum period during which the child shall remain in the custody of the division of youth services. No court order shall require a child to remain in the custody of the division of youth services for a period which exceeds the child's ~~eighteenth~~ **nineteenth** birth date except upon petition filed by the division of youth services pursuant to subsection 1 of section 219.021. In any order of commitment of a child to the custody of the division of youth services, the division shall determine the appropriate program or placement pursuant to subsection 3 of section 219.021. Beginning January 1, 1996, the department shall not discharge a child from the custody of the division of youth services before the child completes the length of stay determined by the court in the commitment order unless the committing court orders otherwise. The director of the division of youth services may at any time petition the court for a review of a child's length of stay commitment order, and the court may, upon a showing of good cause, order the early discharge of the child from the custody of the division of youth services. The division may discharge the child from the division of youth services without a further court order after the child completes the length of stay determined by the court or may retain the child for any period after the completion of the length of stay in accordance with the law.

5. When an assessment has been imposed under the provisions of subsection 2 or 3 of this section, the assessment shall be paid to the clerk of the court in the circuit where the assessment is imposed by court order, to be deposited in a fund established for the sole purpose of payment of judgments entered against children in accordance with section 211.185.

No such surcharge shall be collected in any proceeding involving a violation of an ordinance or state law when the proceeding or defendant has been dismissed by the court or when costs are to be paid by the state, county, or municipality. 3. Expenditures from the county circuit court juvenile justice preservation fund shall be made at the discretion of the juvenile office for the circuit court and shall be used for the sole purpose of implementing and maintaining the expansion of juvenile court jurisdiction.

4. No moneys deposited in the juvenile justice preservation fund shall be expended for capital improvements.

5. To further promote the best interests of the children of the state of Missouri, moneys in the juvenile justice preservation fund shall not be used to replace or reduce the responsibilities of either the counties or the state to provide funding for existing and new juvenile treatment services as provided in this chapter and chapter 210 or funding as otherwise required by law.

304.155. 1. Any law enforcement officer within the officer's jurisdiction, or an officer of a government agency where that agency's real property is concerned, may authorize a towing company to remove to a place of safety:

- (1) Any abandoned property on the right-of-way of:
 - (a) Any interstate highway or freeway in an urbanized area, left unattended for ten hours, or immediately if a law enforcement officer determines that the abandoned property is a serious hazard to other motorists, provided that commercial motor vehicles not hauling materials designated as hazardous under 49 U.S.C. 5103(a) may only be removed under this subdivision to a place of safety until the owner or owner's representative has had a reasonable opportunity to contact a towing company of choice;

- (3) Any abandoned property which has been abandoned under section 577.080;
- (4) Any abandoned property which has been reported as stolen or taken without consent of the owner;

- (6) Any abandoned property which due to any other state law or local ordinance is subject to towing because of the owner's outstanding traffic or parking violations;
- (7) Any abandoned property left unattended in violation of a state law or local ordinance where signs have been posted giving notice of the law or where the violation causes a safety hazard;
- (8) Any abandoned property illegally left standing on the waters of this state as defined in section 306.010 where the abandoned property is obstructing the normal movement of traffic, or where the abandoned property has been unattended for more than ten hours or is floating loose on the water; or
- (9) Any abandoned property for which the person operating such property or vehicle eludes arrest for an alleged offense for which the officer would have taken the offender into custody.

2. The department of transportation or any law enforcement officer within the officer's jurisdiction may immediately remove any abandoned, unattended, wrecked, burned or partially dismantled property, spilled cargo or other personal property from the right-of-way of any interstate highway, freeway, or state highway if the abandoned property, cargo or personal property is creating a traffic hazard because of its position in relation to the interstate highway, freeway, or state highway. In the event the property creating a traffic hazard is a commercial motor vehicle, as defined in section 302.700, the department's authority under this subsection shall be limited to authorizing a towing company to remove the commercial motor vehicle to a place of safety, except that the owner of the commercial motor vehicle or the owner's designated representative shall have a reasonable opportunity to contact a towing company of choice. The provisions of this subsection shall not apply to vehicles transporting any material which has been designated as hazardous under Section 5103(a) of Title 49, U.S.C.

3. Any law enforcement agency authorizing a tow pursuant to this section in which the abandoned property is moved from the immediate vicinity shall complete a crime inquiry and inspection report. Any state or federal government agency other than a law enforcement agency authorizing a tow pursuant to this section in which the abandoned property is moved away from the immediate vicinity in which it was abandoned shall report the towing to the state highway patrol or water patrol within two hours of the tow along with a crime inquiry and inspection report as required in this section. Any local government agency, other than a law enforcement agency, authorizing a tow pursuant to this section where property is towed away from the immediate vicinity shall report the tow to the local law enforcement agency within two hours along with a crime inquiry and inspection report.

4. Neither the law enforcement officer, government agency official nor anyone having custody of abandoned property under his direction shall be liable for any damage to such abandoned property occasioned by a removal authorized by this section or by ordinance of a county or municipality licensing and regulating the sale of abandoned property by the municipality, other than damages occasioned by negligence or by willful or wanton acts or omissions.

5. The owner of abandoned property removed as provided in this section or in section 304.157 shall be responsible for payment of all reasonable charges for towing and storage of such abandoned property as provided in section 304.158.

6. Upon the towing of any abandoned property pursuant to this section or under authority of a law enforcement officer or local government agency pursuant to section 304.157, the law enforcement agency that authorized such towing or was properly notified by another government agency of such towing shall promptly make an inquiry with the national crime information center and any statewide Missouri law enforcement computer system to determine if the abandoned property has been reported as stolen and shall enter the information pertaining to the towed property into the statewide law enforcement computer system. If the abandoned property is not claimed within ten working days of the towing, the tower who has online access to the department of revenue's records shall make an inquiry to determine the abandoned property owner and lienholder, if any, of record. In the event that the records of the department of revenue fail to disclose the name of the owner or any lienholder of record, the tower shall comply with the requirements of subsection 3 of section 304.156. If the tower does not have online access, the law enforcement agency shall submit a crime inquiry and inspection report to the director of revenue. A towing company that does not have online access to the department's records and that is in possession of abandoned property after ten working days shall report such fact to the law enforcement agency with which the crime inquiry and inspection report was filed. The crime inquiry and inspection report shall be designed by the director of revenue and shall include the following:

- (1) The year, model, make and property identification number of the property and the owner and any lienholders, if known;
- (2) A description of any damage to the property noted by the officer authorizing the tow;
- (3) The license plate or registration number and the state of issuance, if available;
- (4) The storage location of the towed property;
- (5) The name, telephone number and address of the towing company;
- (6) The date, place and reason for the towing of the abandoned property;
- (7) The date of the inquiry of the national crime information center, any statewide Missouri law enforcement computer system and any other similar system which has titling and registration information to determine if the abandoned property had been stolen. This information shall be entered only by the law enforcement agency making the inquiry;
- (8) The signature and printed name of the officer authorizing the tow;

(9) The name of the towing company, the signature and printed name of the towing operator, and an indicator disclosing whether the tower has online access to the department's records; and

(10) Any additional information the director of revenue deems appropriate.

7. One copy of the crime inquiry and inspection report shall remain with the agency which authorized the tow. One copy shall be provided to and retained by the storage facility and one copy shall be retained by the towing facility in an accessible format in the business records for a period of three years from the date of the tow or removal.

8. The owner of such abandoned property, or the holder of a valid security interest of record, may reclaim it from the towing company upon proof of ownership or valid security interest of record and payment of all reasonable charges for the towing and storage of the abandoned property.

9. Any person who removes abandoned property at the direction of a law enforcement officer or an officer of a government agency where that agency's real property is concerned as provided in this section shall have a lien for all reasonable charges for the towing and storage of the abandoned property until possession of the abandoned property is voluntarily relinquished to the owner of the abandoned property or to the holder of a valid security interest of record. Any personal property within the abandoned property need not be released to the owner thereof until the reasonable or agreed charges for such recovery, transportation or safekeeping have been paid or satisfactory arrangements for payment have been made, except that any medication prescribed by a physician shall be released to the owner thereof upon request. The company holding or storing the abandoned property shall either release the personal property to the owner of the abandoned property or allow the owner to inspect the property and provide an itemized receipt for the contents. The company holding or storing the property shall be strictly liable for the condition and safe return of the personal property. Such lien shall be enforced in the manner provided under section 304.156.

10. Towing companies shall keep a record for three years on any abandoned property towed and not reclaimed by the owner of the abandoned property. Such record shall contain information regarding the authorization to tow, copies of all correspondence with the department of revenue concerning the abandoned property, including copies of any online records of the towing company accessed and information concerning the final disposition of the possession of the abandoned property.

11. If a lienholder repossesses any motor vehicle, trailer, all-terrain vehicle, outboard motor or vessel without the knowledge or cooperation of the owner, then the reposessor shall notify the local law enforcement agency where the repossession occurred within two hours of the repossession and shall further provide the local law enforcement agency with any additional information the agency deems appropriate. The local law enforcement agency shall make an inquiry with the national crime information center and the Missouri statewide law enforcement computer system and shall enter the repossessed vehicle into the statewide law enforcement computer system.

12. Notwithstanding the provisions of section 301.227, any towing company who has complied with the notification provisions in section 304.156 including notice that any property remaining unredeemed after thirty days may be sold as scrap property may then dispose of such property as provided in this subsection. Such sale shall only occur if at least thirty days has passed since the date of such notification, the abandoned property remains unredeemed with no satisfactory arrangements made with the towing company for continued storage, and the owner or holder of a security agreement has not requested a hearing as provided in section 304.156. The towing company may dispose of such abandoned property by selling the property on a bill of sale as prescribed by the director of revenue to a scrap metal operator or licensed salvage dealer for destruction purposes only. The towing company shall forward a copy of the bill of sale provided by the scrap metal operator or licensed salvage dealer to the director of revenue within two weeks of the date of such sale. The towing company shall keep a record of each such vehicle sold for destruction for three years that shall be available for inspection by law enforcement and authorized department of revenue officials. The record shall contain the year, make, identification number of the property, date of sale, and name of the purchasing scrap metal operator or licensed salvage dealer and copies of all notifications issued by the towing company as required in this chapter. Scrap metal operators or licensed salvage dealers shall keep a record of the purchase of such property as provided in section 301.227. Scrap metal operators and licensed salvage dealers may obtain a junk certificate as provided in section 301.227 on vehicles purchased on a bill of sale pursuant to this section."; and

Further amend said bill, Page 4, Section 574.085, Line 22, by inserting after said section and line the following:

On motion of Representative Haffner, **House Amendment No. 17** was adopted.

Representative Seitz offered **House Amendment No. 18**.

House Amendment No. 18

AMEND House Committee Substitute for Senate Substitute No. 2 for Senate Bill No. 26, Page 2, Section 84.400, Line 14, by inserting after said section and line the following:

"287.067. 1. In this chapter the term "occupational disease" is hereby defined to mean, unless a different meaning is clearly indicated by the context, an identifiable disease arising with or without human fault out of and in the course of the employment. Ordinary diseases of life to which the general public is exposed outside of the employment shall not be compensable, except where the diseases follow as an incident of an occupational disease as defined in this section. The disease need not to have been foreseen or expected but after its contraction it must appear to have had its origin in a risk connected with the employment and to have flowed from that source as a rational consequence.

2. An injury or death by occupational disease is compensable only if the occupational exposure was the prevailing factor in causing both the resulting medical condition and disability. The "prevailing factor" is defined to be the primary factor, in relation to any other factor, causing both the resulting medical condition and disability. Ordinary, gradual deterioration, or progressive degeneration of the body caused by aging or by the normal activities of day-to-day living shall not be compensable.

3. An injury due to repetitive motion is recognized as an occupational disease for purposes of this chapter. An occupational disease due to repetitive motion is compensable only if the occupational exposure was the prevailing factor in causing both the resulting medical condition and disability. The "prevailing factor" is defined to be the primary factor, in relation to any other factor, causing both the resulting medical condition and disability. 3. The petition shall name as defendants all law enforcement agencies, courts, prosecuting or circuit attorneys, municipal prosecuting attorneys, central state repositories of criminal records, or others who the petitioner has reason to believe may possess the records subject to expungement for each of the offenses, violations, and infractions listed in the petition. The court's order of expungement shall not affect any person or entity not named as a defendant in the action.
4. The petition shall include the following information:
 - (1) The petitioner's:
 - (a) Full name;
 - (b) Sex;
 - (c) Race;
 - (d) Driver's license number, if applicable; and
 - (e) Current address;
 - (2) Each offense, violation, or infraction for which the petitioner is requesting expungement;
 - (3) The approximate date the petitioner was charged for each offense, violation, or infraction; and
 - (4) The name of the county where the petitioner was charged for each offense, violation, or infraction and if any of the offenses, violations, or infractions occurred in a municipality, the name of the municipality for each offense, violation, or infraction; and

 5. The clerk of the court shall give notice of the filing of the petition to the office of the prosecuting attorney, circuit attorney, or municipal prosecuting attorney that prosecuted the offenses, violations, or infractions listed in the petition. If the prosecuting attorney, circuit attorney, or municipal prosecuting attorney objects to the petition for expungement, he or she shall do so in writing within thirty days after receipt of service. Unless otherwise agreed upon by the parties, the court shall hold a hearing within sixty days after any written objection is filed, giving reasonable notice of the hearing to the petitioner. If no objection has been filed within thirty days after receipt of service, the court may set a hearing on the matter and shall give reasonable notice of the hearing to each entity named in the petition. At any hearing, the court may accept evidence and hear testimony on, and may consider, the following criteria for each of the offenses, violations, or infractions listed in the petition for expungement:
 - (1) At the time the petition is filed, it has been at least seven years if the offense is a felony, or at least three years if the offense is a misdemeanor, municipal offense, or infraction, from the date the petitioner completed any authorized disposition imposed under section 557.011 for each offense, violation, or infraction listed in the petition;
 - (2) The person has not been found guilty of any other misdemeanor or felony, not including violations of the traffic regulations provided under chapters 304 and 307, during the time period specified for the underlying offense, violation, or infraction in subdivision (1) of this subsection;

- (6) The expungement is consistent with the public welfare and the interests of justice warrant the expungement.

A pleading by the petitioner that such petitioner meets the requirements of subdivisions (5) and (6) of this subsection shall create a rebuttable presumption that the expungement is warranted so long as the criteria contained in subdivisions (1) to (4) of this subsection are otherwise satisfied. The burden shall shift to the prosecuting attorney, circuit attorney, or municipal prosecuting attorney to rebut the presumption. A victim of an offense, violation, or infraction listed in the petition shall have an opportunity to be heard at any hearing held under this section, and the court may make a determination based solely on such victim's testimony.

6. A petition to expunge records related to an arrest for an eligible offense, violation, or infraction may be made in accordance with the provisions of this section to a court of competent jurisdiction in the county where the petitioner was arrested no earlier than three years from the date of arrest; provided that, during such time, the petitioner has not been charged and the petitioner has not been found guilty of any misdemeanor or felony offense.

7. If the court determines that such person meets all the criteria set forth in subsection 5 of this section for each of the offenses, violations, or infractions listed in the petition for expungement, the court shall enter an order of expungement. In all cases under this section, the court shall issue an order of expungement or dismissal within six months of the filing of the petition. A copy of the order of expungement shall be provided to the petitioner and each entity possessing records subject to the order, and, upon receipt of the order, each entity shall close any record in its possession relating to any offense, violation, or infraction listed in the petition, in the manner established by section 610.120. The records and files maintained in any administrative or court proceeding in a municipal, associate, or circuit court for any offense, infraction, or violation ordered expunged under this section shall be confidential and only available to the parties or by order of the court for good cause shown. The central repository shall request the Federal Bureau of Investigation to expunge the records from its files.

8. The order shall not limit any of the petitioner's rights that were restricted as a collateral consequence of such person's criminal record, and such rights shall be restored upon issuance of the order of expungement. **For purposes of 18 U.S.C. 921(a)(3)(B)(ii), an order of expungement granted pursuant to this section shall be considered a complete removal of all effects of the expunged conviction.** Except as otherwise provided under this section, the effect of such order shall be to restore such person to the status he or she occupied prior to such arrests, pleas, trials, or convictions as if such events had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrests, pleas, trials, convictions, or expungement in response to an inquiry made of him or her and no such inquiry shall be made for information relating to an expungement, except the petitioner shall disclose the expunged offense, violation, or infraction to any court when asked or upon being charged with any subsequent offense, violation, or infraction. The expunged offense, violation, or infraction may be considered a prior offense in determining a sentence to be imposed for any subsequent offense that the person is found guilty of committing.

9. Notwithstanding the provisions of subsection 8 of this section to the contrary, a person granted an expungement shall disclose any expunged offense, violation, or infraction when the disclosure of such information is necessary to complete any application for:

- (1) A license, certificate, or permit issued by this state to practice such individual's profession;
- (2) Any license issued under chapter 313 or permit issued under chapter 571;
- (3) Paid or unpaid employment with an entity licensed under chapter 313, any state-operated lottery, or any emergency services provider, including any law enforcement agency;
- (4) Employment with any federally insured bank or savings institution or credit union or an affiliate of such institution or credit union for the purposes of compliance with 12 U.S.C. Section 1829 and 12 U.S.C. Section 1785;
- (5) Employment with any entity engaged in the business of insurance or any insurer for the purpose of complying with 18 U.S.C. Section 1033, 18 U.S.C. Section 1034, or other similar law which requires an employer engaged in the business of insurance to exclude applicants with certain criminal convictions from employment; or

(6) Employment with any employer that is required to exclude applicants with certain criminal convictions from employment due to federal or state law, including corresponding rules and regulations.

An employer shall notify an applicant of the requirements under subdivisions (4) to (6) of this subsection. Notwithstanding any provision of law to the contrary, an expunged offense, violation, or infraction shall not be grounds for automatic disqualification of an applicant, but may be a factor for denying employment, or a professional license, certificate, or permit; except that, an offense, violation, or infraction expunged under the provisions of this section may be grounds for automatic disqualification if the application is for employment under subdivisions (4) to (6) of this subsection.

10. A person who has been granted an expungement of records pertaining to a misdemeanor or felony offense, an ordinance violation, or an infraction may answer "no" to an employer's inquiry into whether the person has ever been convicted of a crime if, after the granting of the expungement, the person has no public record of a misdemeanor or felony offense, an ordinance violation, or an infraction. The person, however, shall answer such an inquiry affirmatively and disclose his or her criminal convictions, including any offense or violation expunged under this section or similar law, if the employer is required to exclude applicants with certain criminal convictions from employment due to federal or state law, including corresponding rules and regulations.

11. If the court determines that the petitioner has not met the criteria for any of the offenses, violations, or infractions listed in the petition for expungement or the petitioner has knowingly provided false information in the petition, the court shall enter an order dismissing the petition. Any person whose petition for expungement has been dismissed by the court for failure to meet the criteria set forth in subsection 5 of this section may not refile another petition until a year has passed since the date of filing for the previous petition.

12. A person may be granted more than one expungement under this section provided that during his or her lifetime, the total number of offenses, violations, or infractions for which orders of expungement are granted to the person shall not exceed the following limits:

(1) Not more than two misdemeanor offenses or ordinance violations that have an authorized term of imprisonment; and

(2) Not more than one felony offense.

A person may be granted expungement under this section for any number of infractions. Nothing in this section shall prevent the court from maintaining records to ensure that an individual has not exceeded the limitations of this subsection. Nothing in this section shall be construed to limit or impair in any way the subsequent use of any record expunged under this section of any arrests or findings of guilt by a law enforcement agency, criminal justice agency, prosecuting attorney, circuit attorney, or municipal prosecuting attorney, including its use as a prior offense, violation, or infraction.

13. The court shall make available a form for pro se petitioners seeking expungement, which shall include the following statement: "I declare under penalty of perjury that the statements made herein are true and correct to the best of my knowledge, information, and belief."

14. Nothing in this section shall be construed to limit or restrict the availability of expungement to any person under any other law."; and"; and

2. A license to operate an excursion gambling boat shall only be granted to an applicant upon the express conditions that:

(1) The applicant shall not, by a lease, contract, understanding, or arrangement of any kind, grant, assign, or turn over to a person the operation of an excursion gambling boat licensed under this section or of the system of wagering described in section 313.817. This section does not prohibit a management contract with a person licensed by the commission; and

(2) The applicant shall not in any manner permit a person other than the licensee and the management licensee to have a share, percentage, or proportion of the money received for admissions to the excursion gambling boat.

3. The commission shall require, as a condition of granting a license, that an applicant operate an excursion gambling boat which, as nearly as practicable, resembles or is a part of Missouri's or the home dock city's or county's riverboat history.

4. The commission shall encourage through its rules and regulations the use of Missouri resources, goods and services in the operation of any excursion gambling boat.

5. The excursion gambling boat shall provide for nongaming areas, food service and a Missouri theme gift shop. The amount of space used for gaming shall be determined in accordance with all rules and regulations of the commission and, **if applicable**, the United States Coast Guard safety regulations.

6. A license to operate gambling games or to operate an excursion gambling boat shall not be granted unless the applicant has, through clear and convincing evidence, demonstrated financial responsibility sufficient to meet adequately the requirements of the proposed enterprise.

7. Each applicant shall establish by clear and convincing evidence its fitness to be licensed. Without limitation, the commission may deny a license based solely on the fact that there is evidence that any of the following apply:

(1) The applicant has been suspended from operating an excursion gambling boat or a game of chance or gambling operation in another jurisdiction by a board or commission of that jurisdiction;

(2) The applicant is not the true owner of the enterprise proposed;

(3) The applicant is not the sole owner, and other persons have ownership in the enterprise, which fact has not been disclosed;

(4) The applicant is a corporation that is not publicly traded and ten percent or more of the stock of the corporation is subject to a contract or option to purchase at any time during the period for which the license is to be issued unless the contract or option was disclosed to the commission and the commission approved the sale or transfer during the period of the license;

(5) The applicant has knowingly made a false statement of a material fact to the commission; or

(6) The applicant has failed to meet a valid, bona fide monetary obligation in connection with an excursion gambling boat.

8. A license shall not be granted if the applicant has not established the applicant's good repute and moral character or if the applicant has pled guilty to, or has been convicted of, a felony. No licensee shall employ or contract with any person who has pled guilty to, or has been convicted of, a felony to perform any duties directly connected with the licensee's privileges under a license granted pursuant to this section, except that employees performing nongaming related occupations as determined by the commission shall be exempt from the requirements of this subsection.

9. Except as provided in section 313.817, a licensee shall not lend to any person money or any other thing of value for the purpose of permitting that person to wager on any gambling game authorized by law. This does not prohibit credit card or debit card transactions or cashing of checks. Any check cashed, other than a credit instrument, ~~must~~ **shall** be deposited within twenty-four hours. Except for any credit instrument, the commission may require licensees to verify a sufficient account balance exists before cashing any check. Any licensee who violates the provisions of this subsection shall be subject to an administrative penalty of five thousand dollars for each violation. Such administrative penalties shall be assessed and collected by the commission.

10. (1) Gambling excursions including the operation of gambling games on an excursion gambling boat which is not continuously docked shall be allowed only on the Mississippi River and the Missouri River. No license to conduct gambling games on an excursion gambling boat in a city or county shall be issued unless and until the qualified voters of the city or county approve such activities pursuant to this subsection. The question shall be submitted to the qualified voters of the city or county at a general, primary or special election upon the motion of the governing body of the city or county or upon the petition of fifteen percent of the qualified voters of the city or county determined on the basis of the number of votes cast for governor in the city or county at the last election held prior to the filing of the petition.

(2) The question shall be submitted in substantially the following form:

Shall the City (County) of _____ allow the licensing of excursion gambling boats or floating facilities as now or hereafter provided by Missouri gaming law in the city (county)?

☐ YES ☐ NO

(3) If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the commission may license excursion gambling boats in that city or county and such boats may operate on the Mississippi River and the Missouri River. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the commission shall not license such excursion gambling boats in such city or county unless and until the question is again submitted to and approved by a majority of the qualified voters of the city or county at a later election. Excursion gambling boats may only dock in a city or unincorporated area of a county which approves licensing of such excursion gambling boats pursuant to this subsection, but gambling operations may be conducted at any point on the Mississippi River or the Missouri River during an excursion. Those cities and counties which have approved by election pursuant to this subsection, except those cities or counties which have subsequently rejected by election, the licensing of any type of excursion gambling boats in the city or county prior to April 6, 1994, are exempt from any local election requirement of this section as such previous election shall have the same effect as if held after May 20, 1994.

11. If a docking fee is charged by a city or a county, a licensee operating an excursion gambling boat shall pay the docking fee prior to the start of the excursion season.

12. Any licensee shall not be delinquent in the payment of property taxes or other taxes or fees or in the payment of any other contractual obligation or debt due or owed to the state or a political subdivision of the state.

13. An excursion gambling boat licensed by the state shall meet all of the requirements of chapter 306 and is subject to an inspection of its sanitary facilities to protect the environment and water quality by the commission or its designee before a license to operate an excursion gambling boat is issued by the commission. Licensed excursion gambling boats shall also be subject to such inspections during the period of the license as may be deemed necessary by the commission. The cost of such inspections shall be paid by the licensee.

14. A holder of any license shall be subject to imposition of penalties, suspension or revocation of such license, or if the person is an applicant for licensure, the denial of the application, for any act or failure to act by ~~himself~~ **such person** or ~~his~~ **such person's** agents or employees, that is injurious to the public health, safety, morals, good order and general welfare of the people of the state of Missouri, or that would discredit or tend to discredit the Missouri gaming industry or the state of Missouri unless the licensee proves by clear and convincing evidence that it is not guilty of such action. The commission shall take appropriate action against any licensee who violates the law or the rules and regulations of the commission. Without limiting other provisions of this subsection, the following acts or omissions may be grounds for such discipline:

- (1) Failing to comply with or make provision for compliance with sections 313.800 to 313.850, the rules and regulations of the commission or any federal, state or local law or regulation;
- (2) Failing to comply with any rule, order or ruling of the commission or its agents pertaining to gaming;
- (3) Receiving goods or services from a person or business entity who does not hold a supplier's license but who is required to hold such license by the provisions of sections 313.800 to 313.850 or the rules and regulations of the commission;
- (4) Being suspended or ruled ineligible or having a license revoked or suspended in any state of gaming jurisdiction;
- (5) Associating with, either socially or in business affairs, or employing persons of notorious or unsavory reputation or who have extensive police records, or who have failed to cooperate with any officially constituted investigatory or administrative body and would adversely affect public confidence and trust in gaming;
- (6) Employing in any gambling games' operation or any excursion gambling boat operation, any person known to have been found guilty of cheating or using any improper device in connection with any gambling game;
- (7) Use of fraud, deception, misrepresentation or bribery in securing any permit or license issued pursuant to sections 313.800 to 313.850;
- (8) Obtaining or attempting to obtain any fee, charge, or other compensation by fraud, deception, or misrepresentation;
- (9) Incompetence, misconduct, gross negligence, fraud, misrepresentation or dishonesty in the performance of the functions or duties regulated by sections 313.800 to 313.850."; and"; and

"190.307. 1. No public agency or public safety agency, nor any officer, agent or employee of any public agency, shall be liable for any civil damages as a result of any act or omission except willful and wanton misconduct or gross negligence, in connection with developing, adopting, operating or implementing any plan or system required by sections 190.300 to 190.340.

2. No person who gives emergency instructions through a system established pursuant to sections 190.300 to 190.340 to persons rendering services in an emergency at another location, nor any persons following such instructions in rendering such services, shall be liable for any civil damages as a result of issuing or following the instructions, unless issuing or following the instructions constitutes willful and wanton misconduct, or gross negligence.

3. Nothing in this section shall be deemed to abrogate any immunity that would exist in the absence of this section including, but not limited to, sovereign immunity, official immunity, or the public duty doctrine."; and

Further amend said bill, Page 9, Section 590.502, Line 175, by inserting after all of said section and line the following:

"650.335. 1. **(1)** Any county or any home rule city with more than fifteen thousand but fewer than seventeen thousand inhabitants and partially located in any county of the third classification without a township form of government and with more than thirty-seven thousand but fewer than forty-one thousand inhabitants, when the prepaid wireless emergency telephone service charge is collected in the county or city, may submit an application for loan funds or other financial assistance to the board for the purpose of financing all or a portion of the costs incurred in implementing a 911 communications service project. **If a county has an elected emergency services board, the elected emergency service board shall be eligible for loan funds or other financial assistance under this section.**

(2) The application shall be accompanied by a technical assistance report. The application and the technical assistance report shall be in such form and contain such information, financial or otherwise, as prescribed by the board.

(3) This section shall not preclude any applicant or borrower from joining in a cooperative project with any other political subdivision or with any state or federal agency or entity in a 911 communications service project, provided that all other requirements of this section have been met.

2. Applications may be approved for loans only in those instances where the applicant has furnished the board information satisfactory to assure that the project cost will be recovered during the repayment period of the loan. In no case shall a loan be made to an applicant unless the approval of the governing body of the applicant to the loan agreement is obtained and a written certification of such approval is provided, where applicable. Repayment periods are to be determined by the board.

3. The board shall approve or disapprove all applications for loans which are sent by certified or registered mail or hand delivered and received by the board upon a schedule as determined by the board.

4. Each applicant to whom a loan has been made under this section shall repay such loan, with interest. The rate of interest shall be the rate required by the board. The number, amounts, and timing of the payments shall be as determined by the board.

5. Any applicant who receives a loan under this section shall annually budget an amount which is at least sufficient to make the payments required under this section.

6. Repayment of principal and interest on loans shall be credited to the Missouri 911 service trust fund established under section 190.420.

7. If a loan recipient fails to remit a payment to the board in accordance with this section within sixty days of the due date of such payment, the board shall notify the director of the department of revenue to deduct such payment amount from first, the prepaid wireless emergency telephone service charge remitted to the county or city under section 190.460; and if insufficient to affect repayment of the loan, next, the regular apportionment of local sales tax distributions to that county or city. Such amount shall then immediately be deposited in the Missouri 911 service trust fund and credited to the loan recipient.

8. All applicants having received loans under this section shall remit the payments required by subsection 4 of this section to the board or such other entity as may be directed by the board. The board or such other entity shall immediately deposit such payments in the Missouri 911 service trust fund.

9. Loans made under this section shall be used only for the purposes specified in an approved application or loan agreement. In the event the board determines that loan funds have been expended for purposes other than those specified in an approved application or loan agreement or any event of default of the loan agreement occurs without resolution, the board shall take appropriate actions to obtain the return of the full amount of the loan and all moneys duly owed or other available remedies.

10. Upon failure of a borrower to remit repayment to the board within sixty days of the date a payment is due, the board may initiate collection or other appropriate action through the provisions outlined in subsection 7 of this section, if applicable.

11. If the borrower is an entity not covered under the collection procedures established in this section, the board, with the advice and consent of the attorney general, may initiate collection procedures or other appropriate action pursuant to applicable law.

12. The board may, at its discretion, audit the expenditure of any loan, grant, or expenditure made or the computation of any payments made.

13. The board shall not approve any application made under this section if the applicant has failed to return the board's annual survey of public safety answering points as required by the board under section 650.330."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Wallingford, **House Amendment No. 20** was adopted.

Representative Toalson Reisch offered **House Amendment No. 21**.

House Amendment No. 21

AMEND House Committee Substitute for Senate Substitute No. 2 for Senate Bill No. 26, Page 2, Section 84.400, Line 14, by inserting after all of said section and line the following:

"217.689. Notwithstanding any law to the contrary, any offender sentenced prior to January 1, 2017, under subsection 2 or 3 of section 195.295 or under section 195.296 shall be eligible for parole after having served ten years of such sentence if the board determines that there is a strong and reasonable probability that the offender will not thereafter violate the law. This section shall not apply to any offender who is also serving a sentence for an offense under a section other than section 195.295 or 195.296.

311.060. 1. No person shall be granted a license hereunder unless such person is of good moral character and a qualified legal voter and a taxpaying citizen of the county, town, city or village, nor shall any corporation be granted a license hereunder unless the managing officer of such corporation is of good moral character and a qualified legal voter and taxpaying citizen of the county, town, city or village; and, except as otherwise provided under subsection 7 of this section, no person shall be granted a license or permit hereunder whose license as such dealer has been revoked, or who has been convicted, since the ratification of the twenty-first amendment to the Constitution of the United States, of a violation of the provisions of any law applicable to the manufacture or sale of intoxicating liquor, or who employs in his or her business as such dealer any person whose license has been revoked unless five years have passed since the revocation as provided under subsection 6 of this section, or who has been convicted of violating such law since the date aforesaid; provided, that nothing in this section contained shall prevent the issuance of licenses to nonresidents of Missouri or foreign corporations for the privilege of selling to duly licensed wholesalers and soliciting orders for the sale of intoxicating liquors to, by or through a duly licensed wholesaler, within this state.

2. (1) No person, partnership or corporation shall be qualified for a license under this law if such person, any member of such partnership, or such corporation, or any officer, director, or any stockholder owning, legally or beneficially, directly or indirectly, ten percent or more of the stock of such corporation, or other financial interest therein, or ten percent or more of the interest in the business for which the person, partnership or corporation is licensed, or any person employed in the business licensed under this law shall have had a license revoked under this law except as otherwise provided under subsections 6 and 7 of this section, or shall have been convicted of violating the provisions of any law applicable to the manufacture or sale of intoxicating liquor since the ratification of the twenty-first amendment to the Constitution of the United States, or shall not be a person of good moral character.

(2) No license issued under this chapter shall be denied, suspended, revoked or otherwise affected based solely on the fact that an employee of the licensee has been convicted of a felony unrelated to the manufacture or sale of intoxicating liquor. ~~[Each employer shall report the identity of any employee convicted of a felony to the division of liquor control.]~~ The division of liquor control shall promulgate rules to enforce the provisions of this subdivision.

(3) No wholesaler license shall be issued to a corporation for the sale of intoxicating liquor containing alcohol in excess of five percent by weight, except to a resident corporation as defined in this section.

3. A "resident corporation" is defined to be a corporation incorporated under the laws of this state, all the officers and directors of which, and all the stockholders, who legally and beneficially own or control sixty percent or more of the stock in amount and in voting rights, shall be qualified legal voters and taxpaying citizens of the county and municipality in which they reside and who shall have been bona fide residents of the state for a period of three years continuously immediately prior to the date of filing of application for a license, provided that a stockholder need not be a voter or a taxpayer, and all the resident stockholders of which shall own, legally and beneficially, at least sixty percent of all the financial interest in the business to be licensed under this law; provided, that no corporation, licensed under the provisions of this law on January 1, 1947, nor any corporation succeeding to the business of a corporation licensed on January 1, 1947, as a result of a tax-free reorganization coming within the provisions of Section 112, United States Internal Revenue Code, shall be disqualified by reason of the new requirements herein, except corporations engaged in the manufacture of alcoholic beverages containing alcohol in excess of five percent by weight, or owned or controlled, directly or indirectly, by nonresident persons, partnerships or corporations engaged in the manufacture of alcoholic beverages containing alcohol in excess of five percent by weight.

4. The term "financial interest" as used in this chapter is defined to mean all interest, legal or beneficial, direct or indirect, in the capital devoted to the licensed enterprise and all such interest in the net profits of the enterprise, after the payment of reasonable and necessary operating business expenses and taxes, including interest in dividends, preferred dividends, interest and profits, directly or indirectly paid as compensation for, or in consideration of interest in, or for use of, the capital devoted to the enterprise, or for property or money advanced, loaned or otherwise made available to the enterprise, except by way of ordinary commercial credit or bona fide bank credit not in excess of credit customarily granted by banking institutions, whether paid as dividends, interest or profits, or in the guise of royalties, commissions, salaries, or any other form whatsoever.

5. The supervisor shall by regulation require all applicants for licenses to file written statements, under oath, containing the information reasonably required to administer this section. Statements by applicants for licenses as wholesalers and retailers shall set out, with other information required, full information concerning the residence of all persons financially interested in the business to be licensed as required by regulation. All material changes in the information filed shall be promptly reported to the supervisor.

6. Any person whose license or permit issued under this chapter has been revoked shall be automatically eligible to work as an employee of an establishment holding a license or permit under this chapter five years after the date of the revocation.

7. Any person whose license or permit issued under this chapter has been revoked shall be eligible to apply and be qualified for a new license or permit five years after the date of the revocation. The person may be issued a new license or permit at the discretion of the division of alcohol and tobacco control. If the division denies the request for a new permit or license, the person may not submit a new application for five years from the date of the denial. If the application is approved, the person shall pay all fees required by law for the license or permit. Any person whose request for a new license or permit is denied may seek a determination by the administrative hearing commission as provided under section 311.691.

311.660. 1. The supervisor of liquor control shall have the authority to suspend or revoke for cause all such licenses; and to make the following regulations, without limiting the generality of provisions empowering the supervisor of liquor control as in this chapter set forth as to the following matters, acts and things:

(1) Fix and determine the nature, form and capacity of all packages used for containing intoxicating liquor of any kind, to be kept or sold under this law;

(2) Prescribe an official seal and label and determine the manner in which such seal or label shall be attached to every package of intoxicating liquor so sold under this law; this includes prescribing different official seals or different labels for the different classes, varieties or brands of intoxicating liquor;

(3) Prescribe all forms, applications and licenses and such other forms as are necessary to carry out the provisions of this chapter, except that when a licensee substantially complies with all requirements for the renewal of a license by the date on which the application for renewal is due, such licensee shall be permitted at least an additional ten days from the date notice is sent that the application is deficient, in which to complete the application;

(4) Prescribe the terms and conditions of the licenses issued and granted under this law;

(5) Prescribe the nature of the proof to be furnished and conditions to be observed in the issuance of duplicate licenses, in lieu of those lost or destroyed;

(6) Establish rules and regulations for the conduct of the business carried on by each specific licensee under the license, and such rules and regulations if not obeyed by every licensee shall be grounds for the revocation or suspension of the license;

(7) The right to examine books, records and papers of each licensee and to hear and determine complaints against any licensee;

(8) To issue subpoenas and all necessary processes and require the production of papers, to administer oaths and to take testimony;

(9) Prescribe all forms of labels to be affixed to all packages containing intoxicating liquor of any kind; and

(10) To make such other rules and regulations as are necessary and feasible for carrying out the provisions of this chapter, as are not inconsistent with this law.

2. Notwithstanding subsection 1 of this section, the supervisor of liquor control shall not prohibit persons from participating in the sale of intoxicating liquor within the scope of their employment solely on the basis of being found guilty of any felony offense, except for prohibitions set forth in sections 311.191 and 311.193.

313.220. 1. The commission shall promulgate such rules and regulations governing the establishment and operation of a state lottery as it deems necessary and desirable to fully implement the mandate of the people expressed in the approval of the lottery amendment to Article III of the Missouri Constitution. Such rules and regulations shall be designed so that a lottery may be initiated at the earliest feasible and practicable time. No rule or portion of a rule promulgated under the authority of this chapter shall become effective unless it has been promulgated pursuant to the provisions of section 536.024.

2. The commission shall have the authority to require a fingerprint background check on any person seeking employment or employed by the commission, any person seeking contract with or contracted to the commission and any person seeking license from or licensed by the commission. The background check shall include a check of the Missouri criminal records repository and when the commission deems it necessary to perform a nationwide criminal history check, a check of the Federal Bureau of Investigation's criminal records file. Fingerprints shall be submitted to the Missouri criminal records repository as required. Notwithstanding the provisions of section 610.120, the commission shall have access to closed criminal history information when fingerprints are submitted. **The commission shall not prohibit a person from participating in the sale of lottery tickets solely on the basis of the person being found guilty of any criminal offense; except that, the person shall not be eligible to be a licensed lottery game retailer under subsection 2 of section 313.260."**; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

SIXTY-FIFTH DAY, WEDNESDAY, MAY 5, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Blessed is everyone that feareth the Lord; that walketh in His ways. (Psalm 128:1)

O God, who is the sustainer of all living things, without whose blessings our labor would be in vain and with whose blessing we walk the way to life and light, we pause before You this moment in the People's House seeking strength, peace and guidance from You.

Strengthen us when we are weak. May the peace of Your presence quiet the stress in our hearts, and when we would doubt or stumble on the way, make our paths straight before us and give us courage to walk with You in our Missouri.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Hattie Ingle, Blake Frevert, Haley Frevert, Crew Gurley, and Coy Gurley.

The Journal of the sixty-fourth day was approved as printed by the following vote:

House Amendment No. 2

AMEND House Committee Substitute for Senate Bill No. 226, Page 1, Section A, Line 2, by inserting after all of said section and line the following:

"143.121. 1. The Missouri adjusted gross income of a resident individual shall be the taxpayer's federal adjusted gross income subject to the modifications in this section.

2. There shall be added to the taxpayer's federal adjusted gross income:

(1) The amount of any federal income tax refund received for a prior year which resulted in a Missouri income tax benefit. The amount added pursuant to this subdivision shall not include any amount of a federal income tax refund attributable to a tax credit reducing a taxpayer's federal tax liability pursuant to Public Law 116-136, enacted by the 116th United States Congress, for the tax year beginning on or after January 1, 2020, and ending on or before December 31, 2020, and deducted from Missouri adjusted gross income pursuant to section 143.171;

(2) Interest on certain governmental obligations excluded from federal gross income by 26 U.S.C. Section 103 of the Internal Revenue Code, as amended. The previous sentence shall not apply to interest on obligations of the state of Missouri or any of its political subdivisions or authorities and shall not apply to the interest described in subdivision (1) of subsection 3 of this section. The amount added pursuant to this subdivision shall be reduced by the amounts applicable to such interest that would have been deductible in computing the taxable income of the taxpayer except only for the application of 26 U.S.C. Section 265 of the Internal Revenue Code, as amended. The reduction shall only be made if it is at least five hundred dollars;

(3) The amount of any deduction that is included in the computation of federal taxable income pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002 to the extent the amount deducted relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent the amount deducted exceeds the amount that would have been deductible pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code of 1986 as in effect on January 1, 2002;

(4) The amount of any deduction that is included in the computation of federal taxable income for net operating loss allowed by 26 U.S.C. Section 172 of the Internal Revenue Code of 1986, as amended, other than the deduction allowed by 26 U.S.C. Section 172(b)(1)(G) and 26 U.S.C. Section 172(i) of the Internal Revenue Code of 1986, as amended, for a net operating loss the taxpayer claims in the tax year in which the net operating loss occurred or carries forward for a period of more than twenty years and carries backward for more than two years. Any amount of net operating loss taken against federal taxable income but disallowed for Missouri income tax purposes pursuant to this subdivision after June 18, 2002, may be carried forward and taken against any income on the Missouri income tax return for a period of not more than twenty years from the year of the initial loss; and

(5) For nonresident individuals in all taxable years ending on or after December 31, 2006, the amount of any property taxes paid to another state or a political subdivision of another state for which a deduction was allowed on such nonresident's federal return in the taxable year unless such state, political subdivision of a state, or the District of Columbia allows a subtraction from income for property taxes paid to this state for purposes of calculating income for the income tax for such state, political subdivision of a state, or the District of Columbia;

(6) For all tax years beginning on or after January 1, 2018, any interest expense paid or accrued in a previous taxable year, but allowed as a deduction under 26 U.S.C. Section 163, as amended, in the current taxable year by reason of the carryforward of disallowed business interest provisions of 26 U.S.C. Section 163(j), as amended. For the purposes of this subdivision, an interest expense is considered paid or accrued only in the first taxable year the deduction would have been allowable under 26 U.S.C. Section 163, as amended, if the limitation under 26 U.S.C. Section 163(j), as amended, did not exist.

3. There shall be subtracted from the taxpayer's federal adjusted gross income the following amounts to the extent included in federal adjusted gross income:

(1) Interest received on deposits held at a federal reserve bank or interest or dividends on obligations of the United States and its territories and possessions or of any authority, commission or instrumentality of the United States to the extent exempt from Missouri income taxes pursuant to the laws of the United States. The amount subtracted pursuant to this subdivision shall be reduced by any interest on indebtedness incurred to carry the

described obligations or securities and by any expenses incurred in the production of interest or dividend income described in this subdivision. The reduction in the previous sentence shall only apply to the extent that such expenses including amortizable bond premiums are deducted in determining the taxpayer's federal adjusted gross income or included in the taxpayer's Missouri itemized deduction. The reduction shall only be made if the expenses total at least five hundred dollars;

(2) The portion of any gain, from the sale or other disposition of property having a higher adjusted basis to the taxpayer for Missouri income tax purposes than for federal income tax purposes on December 31, 1972, that does not exceed such difference in basis. If a gain is considered a long-term capital gain for federal income tax purposes, the modification shall be limited to one-half of such portion of the gain;

(3) The amount necessary to prevent the taxation pursuant to this chapter of any annuity or other amount of income or gain which was properly included in income or gain and was taxed pursuant to the laws of Missouri for a taxable year prior to January 1, 1973, to the taxpayer, or to a decedent by reason of whose death the taxpayer acquired the right to receive the income or gain, or to a trust or estate from which the taxpayer received the income or gain;

(4) Accumulation distributions received by a taxpayer as a beneficiary of a trust to the extent that the same are included in federal adjusted gross income;

(5) The amount of any state income tax refund for a prior year which was included in the federal adjusted gross income;

(6) The portion of capital gain specified in section 135.357 that would otherwise be included in federal adjusted gross income;

(7) The amount that would have been deducted in the computation of federal taxable income pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as in effect on January 1, 2002, to the extent that amount relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent that amount exceeds the amount actually deducted pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002;

(8) For all tax years beginning on or after January 1, 2005, the amount of any income received for military service while the taxpayer serves in a combat zone which is included in federal adjusted gross income and not otherwise excluded therefrom. As used in this section, "combat zone" means any area which the President of the United States by Executive Order designates as an area in which Armed Forces of the United States are or have engaged in combat. Service is performed in a combat zone only if performed on or after the date designated by the President by Executive Order as the date of the commencing of combat activities in such zone, and on or before the date designated by the President by Executive Order as the date of the termination of combatant activities in such zone;

(9) For all tax years ending on or after July 1, 2002, with respect to qualified property that is sold or otherwise disposed of during a taxable year by a taxpayer and for which an additional modification was made under subdivision (3) of subsection 2 of this section, the amount by which additional modification made under subdivision (3) of subsection 2 of this section on qualified property has not been recovered through the additional subtractions provided in subdivision (7) of this subsection;

(10) For all tax years beginning on or after January 1, 2014, the amount of any income received as payment from any program which provides compensation to agricultural producers who have suffered a loss as the result of a disaster or emergency, including the:

- (a) Livestock Forage Disaster Program;
- (b) Livestock Indemnity Program;
- (c) Emergency Assistance for Livestock, Honeybees, and Farm-Raised Fish;
- (d) Emergency Conservation Program;
- (e) Noninsured Crop Disaster Assistance Program;
- (f) Pasture, Rangeland, Forage Pilot Insurance Program;
- (g) Annual Forage Pilot Program;
- (h) Livestock Risk Protection Insurance Plan; and
- (i) Livestock Gross Margin Insurance Plan; ~~and~~

(11) For all tax years beginning on or after January 1, 2018, any interest expense paid or accrued in the current taxable year, but not deducted as a result of the limitation imposed under 26 U.S.C. Section 163(j), as amended. For the purposes of this subdivision, an interest expense is considered paid or accrued only in the first taxable year the deduction would have been allowable under 26 U.S.C. Section 163, as amended, if the limitation under 26 U.S.C. Section 163(j), as amended, did not exist; **and**

(12) For taxpayers authorized to conduct business under Article XIV of the Constitution of Missouri, the amount that would have been deducted from the computation of the taxpayer's federal taxable income if such a deduction were not disallowed under 26 U.S.C. Section 280E, as in effect on January 1, 2021, because of the status of marijuana as a controlled substance under federal law.

4. There shall be added to or subtracted from the taxpayer's federal adjusted gross income the taxpayer's share of the Missouri fiduciary adjustment provided in section 143.351.

5. There shall be added to or subtracted from the taxpayer's federal adjusted gross income the modifications provided in section 143.411.

6. In addition to the modifications to a taxpayer's federal adjusted gross income in this section, to calculate Missouri adjusted gross income there shall be subtracted from the taxpayer's federal adjusted gross income any gain recognized pursuant to 26 U.S.C. Section 1033 of the Internal Revenue Code of 1986, as amended, arising from compulsory or involuntary conversion of property as a result of condemnation or the imminence thereof.

7. (1) As used in this subsection, "qualified health insurance premium" means the amount paid during the tax year by such taxpayer for any insurance policy primarily providing health care coverage for the taxpayer, the taxpayer's spouse, or the taxpayer's dependents.

(2) In addition to the subtractions in subsection 3 of this section, one hundred percent of the amount of qualified health insurance premiums shall be subtracted from the taxpayer's federal adjusted gross income to the extent the amount paid for such premiums is included in federal taxable income. The taxpayer shall provide the department of revenue with proof of the amount of qualified health insurance premiums paid.

8. (1) Beginning January 1, 2014, in addition to the subtractions provided in this section, one hundred percent of the cost incurred by a taxpayer for a home energy audit conducted by an entity certified by the department of natural resources under section 640.153 or the implementation of any energy efficiency recommendations made in such an audit shall be subtracted from the taxpayer's federal adjusted gross income to the extent the amount paid for any such activity is included in federal taxable income. The taxpayer shall provide the department of revenue with a summary of any recommendations made in a qualified home energy audit, the name and certification number of the qualified home energy auditor who conducted the audit, and proof of the amount paid for any activities under this subsection for which a deduction is claimed. The taxpayer shall also provide a copy of the summary of any recommendations made in a qualified home energy audit to the department of natural resources.

(2) At no time shall a deduction claimed under this subsection by an individual taxpayer or taxpayers filing combined returns exceed one thousand dollars per year for individual taxpayers or cumulatively exceed two thousand dollars per year for taxpayers filing combined returns.

(3) Any deduction claimed under this subsection shall be claimed for the tax year in which the qualified home energy audit was conducted or in which the implementation of the energy efficiency recommendations occurred. If implementation of the energy efficiency recommendations occurred during more than one year, the deduction may be claimed in more than one year, subject to the limitations provided under subdivision (2) of this subsection.

(4) A deduction shall not be claimed for any otherwise eligible activity under this subsection if such activity qualified for and received any rebate or other incentive through a state-sponsored energy program or through an electric corporation, gas corporation, electric cooperative, or municipally owned utility.

9. The provisions of subsection 8 of this section shall expire on December 31, 2020."; and

No tax credit shall be approved for any bank, bank and trust company, insurance company, trust company, national bank, savings association, or building and loan association for activities that are a part of its normal course of business. 3. For proposals approved pursuant to section 32.111:

(1) The amount of the tax credit shall not exceed fifty-five percent of the total amount invested in affordable housing assistance activities or market rate housing in distressed communities as defined in section 135.530 by a business firm. Whenever such investment is made in the form of an equity investment or a loan, as opposed to a donation alone, tax credits may be claimed only where the loan or equity investment is accompanied by a donation which is eligible for federal income tax charitable deduction, and where the total value of the tax credits herein plus the value of the federal income tax charitable deduction is less than or equal to the value of the donation. Any tax credit not used in the period for which the credit was approved may be carried over the next ten succeeding calendar or fiscal years until the full credit has been allowed. If the affordable housing units or market rate housing units in distressed communities for which a tax is claimed are within a larger structure, parts of which are not the subject of a tax credit claim, then expenditures applicable to the entire structure shall be reduced on a prorated basis in proportion to the ratio of the number of square feet devoted to the affordable housing units or market rate housing units in distressed communities, for purposes of determining the amount of the tax credit. The total amount of tax credit granted for programs approved pursuant to section 32.111 for the fiscal year beginning July 1, 1991, shall not exceed two million dollars, to be increased by no more than two million dollars each succeeding fiscal year, until the total tax credits that may be approved reaches ten million dollars in any fiscal year;

(2) For any year during the compliance period indicated in the land use restriction agreement, the owner of the affordable housing rental units for which a credit is being claimed shall certify to the commission that all tenants renting claimed units are income eligible for affordable housing units and that the rentals for each claimed unit are in compliance with the provisions of sections 32.100 to 32.125. The commission is authorized, in its discretion, to audit the records and accounts of the owner to verify such certification;

(3) In the case of owner-occupied affordable housing units, the qualifying owner occupant shall, before the end of the first year in which credits are claimed, certify to the commission that the occupant is income eligible during the preceding two years, and at the time of the initial purchase contract, but not thereafter. The qualifying owner occupant shall further certify to the commission, before the end of the first year in which credits are claimed, that during the compliance period indicated in the land use restriction agreement, the cost of the affordable housing unit to the occupant for the claimed unit can reasonably be projected to be in compliance with the provisions of sections 32.100 to 32.125. Any succeeding owner occupant acquiring the affordable housing unit during the compliance period indicated in the land use restriction agreement shall make the same certification;

(4) If at any time during the compliance period the commission determines a project for which a proposal has been approved is not in compliance with the applicable provisions of sections 32.100 to 32.125 or rules promulgated therefor, the commission may within one hundred fifty days of notice to the owner either seek injunctive enforcement action against the owner, or seek legal damages against the owner representing the value of the tax credits, or foreclose on the lien in the land use restriction agreement, selling the project at a public sale, and paying to the owner the proceeds of the sale, less the costs of the sale and less the value of all tax credits allowed herein. The commission shall remit to the director of revenue the portion of the legal damages collected or the sale proceeds representing the value of the tax credits. However, except in the event of intentional fraud by the taxpayer, the proposal's certificate of eligibility for tax credits shall not be revoked.

4. For proposals approved pursuant to section 32.112, the amount of the tax credit shall not exceed fifty-five percent of the total amount contributed to a neighborhood organization by business firms. Any tax credit not used in the period for which the credit was approved may be carried over the next ten succeeding calendar or fiscal years until the full credit has been allowed. The total amount of tax credit granted for programs approved pursuant to section 32.112 shall not exceed one million dollars for each fiscal year.

5. The total amount of tax credits used for market rate housing in distressed communities pursuant to sections 32.100 to 32.125 shall not exceed thirty percent of the total amount of all tax credits authorized pursuant to sections 32.111 and 32.112.

135.341. 1. As used in this section, the following terms shall mean:

The minimum amount of any tax credit issued shall not be less than fifty dollars and shall be applied to taxes due under chapter 143, excluding sections 143.191 to 143.265. A contribution verification shall be issued to the taxpayer by the agency receiving the contribution. Such contribution verification shall include the taxpayer's name, Social Security number, amount of tax credit, amount of contribution, the name and address of the agency receiving the credit, and the date the contribution was made. The tax credit provided under this subsection shall be initially filed for the year in which the verified contribution is made.

3. 2. Orphan children, children with only one parent living, and children whose parents do not contribute to their support—if the children are between the ages of six and twenty years and are unable to pay tuition—may attend the schools of any district in the state in which they have a permanent or temporary home without paying a tuition fee.

3. **(1) For all school years ending on or before June 30, 2022**, any person who pays a school tax in any other district than that in which ~~[he]~~ **the person** resides may send ~~[his]~~ **the person's** children to any public school in the district in which the tax is paid and receive as a credit on the amount charged for tuition the amount of the school tax paid to the district; except that any person who owns real estate of which eighty acres or more are used for agricultural purposes and upon which ~~[his]~~ **the person's** residence is situated may send ~~[his]~~ **the person's** children to public school in any school district in which a part of such real estate, contiguous to that upon which ~~[his]~~ **the person's** residence is situated, lies and shall not be charged tuition therefor; so long as thirty-five percent of the real estate is located in the school district of choice. The school district of choice shall count the children in its average daily attendance for the purpose of distribution of state aid through the foundation formula.

(2) For all school years beginning on or after July 1, 2022, any person who owns residential real property or agricultural real property and pays a school tax in any district other than the district in which the person resides may send any of the person's children to a public school in any district in which the person pays such school tax. The school district or public school of choice shall count a child attending under this subdivision in its average daily attendance for the purpose of distribution of state aid through the foundation formula.

4. **(1) For all school years ending on or before June 30, 2022**, any owner of agricultural land who, ~~[pursuant to]~~ **under subdivision (1) of subsection 3 of this section**, has the option of sending ~~[his]~~ **such person's** children to the public schools of more than one district shall exercise such option as provided in this ~~[subsection]~~ **subdivision**. Such person shall send written notice to all school districts involved specifying to which school district ~~[his]~~ **the** children will attend by June thirtieth in which such a school year begins. If notification is not received, such children shall attend the school in which the majority of ~~[his]~~ **the person's** property lies. Such person shall not send any of ~~[his]~~ **such person's** children to the public schools of any district other than the one to which ~~[he]~~ **such person** has sent notice pursuant to this ~~[subsection]~~ **subdivision** in that school year or in which the majority of ~~[his]~~ **such person's** property lies without paying tuition to such school district.

(2) For all school years beginning on or after July 1, 2022, any owner of real property who elects to exercise the option provided in subdivision (2) of subsection 3 of this section shall exercise such option as provided in this subdivision. Such person shall send written notice to all school districts involved specifying which school district each child will attend thirty days prior to enrollment. When providing such notice, the person shall present proof of the person's payment of at least three thousand dollars of school taxes levied on the real property within such school district and ownership of the real property for no less than three years. Such proof may be determined by taking the school taxes paid on the most recent property tax receipt multiplied by the years of property ownership. If a school district to which the person wishes to send a child does not receive the notification required under this subdivision, the child shall attend school in the district in which the person resides. Such person shall not send a child to the public schools of any district in which the person does not reside other than the district to which such person has sent notice under this subdivision relating to the particular child for that school year.

5. If a pupil is attending school in a district other than the district of residence and the pupil's parent is teaching in the school district or is a regular employee of the school district which the pupil is attending, then the district in which the pupil attends school shall allow the pupil to attend school upon payment of tuition in the same manner in which the district allows other pupils not entitled to free instruction to attend school in the district. The provisions of this subsection shall apply only to pupils attending school in a district which has an enrollment in excess of thirteen thousand pupils and not in excess of fifteen thousand pupils and which district is located in a county ~~[of the first classification]~~ with a charter form of government which has a population in excess of six hundred thousand persons and not in excess of nine hundred thousand persons."; and

~~[(5) "Economic development area", any area or portion of an area located within the territorial limits of a municipality, which does not meet the requirements of subdivisions (1) and (3) of this section, and in which the governing body of the municipality finds that redevelopment will not be solely used for development of commercial businesses which unfairly compete in the local economy and is in the public interest because it will:~~

~~[(11)] (9) "Payment in lieu of taxes", those estimated revenues from real property in the area selected for a redevelopment project, which revenues according to the redevelopment project or plan are to be used for a private use, which taxing districts would have received had a municipality not adopted tax increment allocation financing, and which would result from levies made after the time of the adoption of tax increment allocation financing during the time the current equalized value of real property in the area selected for the redevelopment project exceeds the total initial equalized value of real property in such area until the designation is terminated pursuant to subsection 2 of section 99.850;~~

~~[(13)] (11) "Redevelopment plan", the comprehensive program of a municipality for redevelopment intended by the payment of redevelopment costs to reduce or eliminate those conditions, the existence of which qualified the redevelopment area as a blighted area, [a conservation area, an economic development area, or a combination thereof,] and to thereby enhance the tax bases of the taxing districts which extend into the redevelopment area. No redevelopment plan shall be adopted by a municipality without findings that:
- (1) The redevelopment area on the whole is a blighted area~~, a conservation area, or an economic development area,~~ and has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of tax increment financing. Such a finding shall include, but not be limited to, a study conducted by a third party which includes a detailed description of the factors that qualify the redevelopment area or project pursuant to this subdivision and an affidavit, signed by the developer or developers and submitted with the redevelopment plan, attesting that the provisions of this subdivision have been met;
 - (2) The redevelopment plan conforms to the comprehensive plan for the development of the municipality as a whole;
 - (3) The estimated dates, which shall not be more than twenty-three years from the adoption of the ordinance approving a redevelopment project within a redevelopment area, of completion of any redevelopment project and retirement of obligations incurred to finance redevelopment project costs have been stated, provided that no ordinance approving a redevelopment project shall be adopted later than ten years from the adoption of the ordinance approving the redevelopment plan under which such project is authorized and provided that no property for a redevelopment project shall be acquired by eminent domain later than five years from the adoption of the ordinance approving such redevelopment project;
 - (4) A plan has been developed for relocation assistance for businesses and residences;
 - (5) A cost-benefit analysis showing the economic impact of the plan on each taxing district which is at least partially within the boundaries of the redevelopment area. The analysis shall show the impact on the economy if

the project is not built, and is built pursuant to the redevelopment plan under consideration. The cost-benefit analysis shall include a fiscal impact study on every affected political subdivision, and sufficient information from the developer for the commission established in section 99.820 to evaluate whether the project as proposed is financially feasible;

(6) A finding that the plan does not include the initial development or redevelopment of any gambling establishment, provided however, that this subdivision shall be applicable only to a redevelopment plan adopted for a redevelopment area designated by ordinance after December 23, 1997.

2. By the last day of February each year, each commission shall report to the director of economic development the name, address, phone number and primary line of business of any business which relocates to the district. The director of the department of economic development shall compile and report the same to the governor, the speaker of the house and the president pro tempore of the senate on the last day of April each year.

99.825. 1. Prior to the adoption of an ordinance proposing the designation of a redevelopment area, or approving a redevelopment plan or redevelopment project, the commission shall fix a time and place for a public hearing as required in subsection 4 of section 99.820 and notify each taxing district located wholly or partially within the boundaries of the proposed redevelopment area, plan or project. At the public hearing any interested person or affected taxing district may file with the commission written objections to, or comments on, and may be heard orally in respect to, any issues embodied in the notice. The commission shall hear and consider all protests, objections, comments and other evidence presented at the hearing. The hearing may be continued to another date without further notice other than a motion to be entered upon the minutes fixing the time and place of the subsequent hearing; provided, if the commission is created under subsection 3 of section 99.820, the hearing shall not be continued for more than thirty days beyond the date on which it is originally opened unless such longer period is requested by the chief elected official of the municipality creating the commission and approved by a majority of the commission. Prior to the conclusion of the hearing, changes may be made in the redevelopment plan, redevelopment project, or redevelopment area, provided that each affected taxing district is given written notice of such changes at least seven days prior to the conclusion of the hearing. After the public hearing but prior to the adoption of an ordinance approving a redevelopment plan or redevelopment project, or designating a redevelopment area, changes may be made to the redevelopment plan, redevelopment projects or redevelopment areas without a further hearing, if such changes do not enlarge the exterior boundaries of the redevelopment area or areas, and do not substantially affect the general land uses established in the redevelopment plan or substantially change the nature of the redevelopment projects, provided that notice of such changes shall be given by mail to each affected taxing district and by publication in a newspaper of general circulation in the area of the proposed redevelopment not less than ten days prior to the adoption of the changes by ordinance. After the adoption of an ordinance approving a redevelopment plan or redevelopment project, or designating a redevelopment area, no ordinance shall be adopted altering the exterior boundaries, affecting the general land uses established pursuant to the redevelopment plan or changing the nature of the redevelopment project without complying with the procedures provided in this section pertaining to the initial approval of a redevelopment plan or redevelopment project and designation of a redevelopment area. Hearings with regard to a redevelopment project, redevelopment area, or redevelopment plan may be held simultaneously.

2. If, after concluding the hearing required under this section, the commission makes a recommendation under section 99.820 in opposition to a proposed redevelopment plan, redevelopment project, or designation of a redevelopment area, or any amendments thereto, a municipality desiring to approve such project, plan, designation, or amendments shall do so only upon a two-thirds majority vote of the governing body of such municipality. For plans, projects, designations, or amendments approved by a municipality over the recommendation in opposition by the commission formed under subsection 3 of section 99.820, the economic activity taxes and payments in lieu of taxes generated by such plan, project, designation, or amendment shall be restricted to paying only those redevelopment project costs contained in subparagraphs b. and c. of paragraph (c) of subdivision (15) of section 99.805 per redevelopment project.

~~[3. Tax incremental financing projects within an economic development area shall apply to and fund only the following infrastructure projects: highways, roads, streets, bridges, sewers, traffic control systems and devices, water distribution and supply systems, curbing, sidewalks and any other similar public improvements, but in no case shall it include buildings.]~~

99.843. AMEND House Amendment No. 8 to House Committee Substitute for Senate Bill No. 226, Page 1, Line 4, by inserting immediately before the number "139.305" on said line the following:

"137.115. 1. All other laws to the contrary notwithstanding, the assessor or the assessor's deputies in all counties of this state including the City of St. Louis shall annually make a list of all real and tangible personal property taxable in the assessor's city, county, town or district. Except as otherwise provided in subsection 3 of this section and section 137.078, the assessor shall annually assess all personal property at thirty-three and one-third percent of its true value in money as of January first of each calendar year. The assessor shall annually assess all real property, including any new construction and improvements to real property, and possessory interests in real property at the percent of its true value in money set in subsection 5 of this section. The true value in money of any possessory interest in real property in subclass (3), where such real property is on or lies within the ultimate airport boundary as shown by a federal airport layout plan, as defined by 14 CFR 151.5, of a commercial airport having a FAR Part 139 certification and owned by a political subdivision, shall be the otherwise applicable true value in money of any such possessory interest in real property, less the total dollar amount of costs paid by a party, other than the political subdivision, towards any new construction or improvements on such real property completed after January 1, 2008, and which are included in the above-mentioned possessory interest, regardless of the year in which such costs were incurred or whether such costs were considered in any prior year. The assessor shall annually assess all real property in the following manner: new assessed values shall be determined as of January first of each odd-numbered year and shall be entered in the assessor's books; those same assessed values shall apply in the following even-numbered year, except for new construction and property improvements which shall be valued as though they had been completed as of January first of the preceding odd-numbered year. The assessor may call at the office, place of doing business, or residence of each person required by this chapter to list property, and require the person to make a correct statement of all taxable tangible personal property owned by the person or under his or her care, charge or management, taxable in the county. On or before January first of each even-numbered year, the assessor shall prepare and submit a two-year assessment maintenance plan to the county governing body and the state tax commission for their respective approval or modification. The county governing body shall approve and forward such plan or its alternative to the plan to the state tax commission by February first. If the county governing body fails to forward the plan or its alternative to the plan to the state tax commission by February first, the assessor's plan shall be considered approved by the county governing body. If the state tax commission fails to approve a plan and if the state tax commission and the assessor and the governing body of the county involved are unable to resolve the differences, in order to receive state cost-share funds outlined in section 137.750, the county or the assessor shall petition the administrative hearing commission, by May first, to decide all matters in dispute regarding the assessment maintenance plan. Upon agreement of the parties, the matter may be stayed while the parties proceed with mediation or arbitration upon terms agreed to by the parties. The final decision of the administrative hearing commission shall be subject to judicial review in the circuit court of the county involved. In the event a valuation of subclass (1) real property within any county with a charter form of government, or within a city not within a county, is made by a computer, computer-assisted method or a computer program, the burden of proof, supported by clear, convincing and cogent evidence to sustain such valuation, shall be on the assessor at any hearing or appeal. In any

such county, unless the assessor proves otherwise, there shall be a presumption that the assessment was made by a computer, computer-assisted method or a computer program. Such evidence shall include, but shall not be limited to, the following:

(1) The findings of the assessor based on an appraisal of the property by generally accepted appraisal techniques; and

(2) The purchase prices from sales of at least three comparable properties and the address or location thereof. As used in this subdivision, the word "comparable" means that:

(a) Such sale was closed at a date relevant to the property valuation; and

(b) Such properties are not more than one mile from the site of the disputed property, except where no similar properties exist within one mile of the disputed property, the nearest comparable property shall be used. Such property shall be within five hundred square feet in size of the disputed property, and resemble the disputed property in age, floor plan, number of rooms, and other relevant characteristics.

2. Assessors in each county of this state and the City of St. Louis may send personal property assessment forms through the mail.

3. The following items of personal property shall each constitute separate subclasses of tangible personal property and shall be assessed and valued for the purposes of taxation at the following percentages of their true value in money:

(1) Grain and other agricultural crops in an unmanufactured condition, one-half of one percent;

(2) Livestock, twelve percent;

(3) Farm machinery, twelve percent;

(4) Motor vehicles which are eligible for registration as and are registered as historic motor vehicles pursuant to section 301.131 and aircraft which are at least twenty-five years old and which are used solely for noncommercial purposes and are operated less than ~~[fifty]~~ **two hundred** hours per year or aircraft that are home built from a kit, five percent;

(5) Poultry, twelve percent; and

(6) Tools and equipment used for pollution control and tools and equipment used in retooling for the purpose of introducing new product lines or used for making improvements to existing products by any company which is located in a state enterprise zone and which is identified by any standard industrial classification number cited in subdivision (7) of section 135.200, twenty-five percent.

4. The person listing the property shall enter a true and correct statement of the property, in a printed blank prepared for that purpose. The statement, after being filled out, shall be signed and either affirmed or sworn to as provided in section 137.155. The list shall then be delivered to the assessor.

5. (1) All subclasses of real property, as such subclasses are established in Section 4(b) of Article X of the Missouri Constitution and defined in section 137.016, shall be assessed at the following percentages of true value:

(a) For real property in subclass (1), nineteen percent;

(b) For real property in subclass (2), twelve percent; and

(c) For real property in subclass (3), thirty-two percent.

(2) A taxpayer may apply to the county assessor, or, if not located within a county, then the assessor of such city, for the reclassification of such taxpayer's real property if the use or purpose of such real property is changed after such property is assessed under the provisions of this chapter. If the assessor determines that such property shall be reclassified, he or she shall determine the assessment under this subsection based on the percentage of the tax year that such property was classified in each subclassification.

6. Manufactured homes, as defined in section 700.010, which are actually used as dwelling units shall be assessed at the same percentage of true value as residential real property for the purpose of taxation. The percentage of assessment of true value for such manufactured homes shall be the same as for residential real property. If the county collector cannot identify or find the manufactured home when attempting to attach the manufactured home for payment of taxes owed by the manufactured home owner, the county collector may request the county commission to have the manufactured home removed from the tax books, and such request shall be granted within thirty days after the request is made; however, the removal from the tax books does not remove the tax lien on the manufactured home if it is later identified or found. For purposes of this section, a manufactured home located in a manufactured home rental park, rental community or on real estate not owned by the manufactured home owner shall be considered personal property. For purposes of this section, a manufactured home located on real estate owned by the manufactured home owner may be considered real property.

7. Each manufactured home assessed shall be considered a parcel for the purpose of reimbursement pursuant to section 137.750, unless the manufactured home is real estate as defined in subsection 7 of section 442.015 and assessed as a realty improvement to the existing real estate parcel.

8. Any amount of tax due and owing based on the assessment of a manufactured home shall be included on the personal property tax statement of the manufactured home owner unless the manufactured home is real estate as defined in subsection 7 of section 442.015, in which case the amount of tax due and owing on the assessment of the manufactured home as a realty improvement to the existing real estate parcel shall be included on the real property tax statement of the real estate owner.

9. The assessor of each county and each city not within a county shall use the trade-in value published in the October issue of the National Automobile Dealers' Association Official Used Car Guide, or its successor publication, as the recommended guide of information for determining the true value of motor vehicles described in such publication. The assessor shall not use a value that is greater than the average trade-in value in determining the true value of the motor vehicle without performing a physical inspection of the motor vehicle. For vehicles two years old or newer from a vehicle's model year, the assessor may use a value other than average without performing a physical inspection of the motor vehicle. In the absence of a listing for a particular motor vehicle in such publication, the assessor shall use such information or publications which in the assessor's judgment will fairly estimate the true value in money of the motor vehicle.

10. Before the assessor may increase the assessed valuation of any parcel of subclass (1) real property by more than fifteen percent since the last assessment, excluding increases due to new construction or improvements, the assessor shall conduct a physical inspection of such property.

11. If a physical inspection is required, pursuant to subsection 10 of this section, the assessor shall notify the property owner of that fact in writing and shall provide the owner clear written notice of the owner's rights relating to the physical inspection. If a physical inspection is required, the property owner may request that an interior inspection be performed during the physical inspection. The owner shall have no less than thirty days to notify the assessor of a request for an interior physical inspection.

12. A physical inspection, as required by subsection 10 of this section, shall include, but not be limited to, an on-site personal observation and review of all exterior portions of the land and any buildings and improvements to which the inspector has or may reasonably and lawfully gain external access, and shall include an observation and review of the interior of any buildings or improvements on the property upon the timely request of the owner pursuant to subsection 11 of this section. Mere observation of the property via a drive-by inspection or the like shall not be considered sufficient to constitute a physical inspection as required by this section.

13. A county or city collector may accept credit cards as proper form of payment of outstanding property tax or license due. No county or city collector may charge surcharge for payment by credit card which exceeds the fee or surcharge charged by the credit card bank, processor, or issuer for its service. A county or city collector may accept payment by electronic transfers of funds in payment of any tax or license and charge the person making such payment a fee equal to the fee charged the county by the bank, processor, or issuer of such electronic payment.

14. Any county or city not within a county in this state may, by an affirmative vote of the governing body of such county, opt out of the provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session and section 137.073 as modified by house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session, for the next year of the general reassessment, prior to January first of any year. No county or city not within a county shall exercise this opt-out provision after implementing the provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session and section 137.073 as modified by house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session, in a year of general reassessment. For the purposes of applying the provisions of this subsection, a political subdivision contained within two or more counties where at least one of such counties has opted out and at least one of such counties has not opted out shall calculate a single tax rate as in effect prior to the enactment of house bill no. 1150 of the ninety-first general assembly, second regular session. A governing body of a city not within a county or a county that has opted out under the provisions of this subsection may choose to implement the provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session, and section 137.073 as modified by house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session, for the next year of general reassessment, by an affirmative vote of the governing body prior to December thirty-first of any year.

15. The governing body of any city of the third classification with more than twenty-six thousand three hundred but fewer than twenty-six thousand seven hundred inhabitants located in any county that has exercised its authority to opt out under subsection 14 of this section may levy separate and differing tax rates for real and personal property only if such city bills and collects its own property taxes or satisfies the entire cost of the billing and collection of such separate and differing tax rates. Such separate and differing rates shall not exceed such city's tax rate ceiling.

16. Any portion of real property that is available as reserve for strip, surface, or coal mining for minerals for purposes of excavation for future use or sale to others that has not been bonded and permitted under chapter 444 shall be assessed based upon how the real property is currently being used. Any information provided to a county assessor, state tax commission, state agency, or political subdivision responsible for the administration of tax policies shall, in the performance of its duties, make available all books, records, and information requested, except such books, records, and information as are by law declared confidential in nature, including individually identifiable information regarding a specific taxpayer or taxpayer's mine property. For purposes of this subsection, "mine property" shall mean all real property that is in use or readily available as a reserve for strip, surface, or coal mining for minerals for purposes of excavation for current or future use or sale to others that has been bonded and permitted under chapter 444."; and

(2) "Biomass", has the meaning given the term "qualified biomass" in section 142.028;

(3) "Gas corporation", the same as defined in section 386.020;

(4) "Qualified investment", any capital investment in renewable natural gas infrastructure incurred by a gas corporation for the purpose of providing natural gas service under a renewable natural gas program;

(5) "Renewable energy sources", hydroelectric, geothermal, solar photovoltaic, wind, tidal, wave, biomass, or biogas energy sources;

(6) "Renewable natural gas", any of the following products processed to meet pipeline quality standards or transportation fuel grade requirements:

(a) Biogas that is upgraded to meet natural gas pipeline quality standards such that it may blend with, or substitute for, geologic natural gas;

(b) Hydrogen gas; or

(c) Methane gas derived from any combination of:

a. Biogas;

b. Hydrogen gas or carbon oxides derived from renewable energy sources; or

c. Waste carbon dioxide;

(7) "Renewable natural gas infrastructure", all equipment and facilities for the production, processing, pipeline interconnection, and distribution of renewable natural gas to be furnished to Missouri customers.

2. The commission shall adopt rules for gas corporations to offer a voluntary renewable natural gas program. Rules adopted by the commission under this section shall include:

(1) Rules for reporting requirements; and

(2) Rules for establishing a process for gas corporations to fully recover incurred costs that are prudent, just, and reasonable associated with a renewable natural gas program. Such recovery shall not be permitted until the project is operational and produces renewable natural gas for customer use.

3. A filing by a gas corporation pursuant to the renewable natural gas program created in subsection 2 of this section shall include, but is not limited to:

(1) A proposal to procure a total volume of renewable natural gas over a specific period; and

(2) Identification of the qualified investments that the gas corporation may make in renewable natural gas infrastructure.

5. Any costs incurred by a gas corporation for a qualified investment that are prudent, just, and reasonable may be recovered by means of an automatic rate adjustment clause.

6. When a gas corporation makes a qualified investment in the production of renewable natural gas, the costs associated with such qualified investment shall include the cost of capital established by the commission in the gas corporation's most recent general rate case.

7. On or before January 1, 2023, the division of energy within the department of natural resources shall provide to the chair of the public service commission, the speaker of the house of representatives, the president pro tempore of the senate, the chair of the senate committee on commerce, consumer protection, energy, and the environment, and the chair of the house of representatives utility committee, a report on the renewable natural gas program established under this section. House Amendment No. 2

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 141, Page 1, Section 67.309, Line 6, by inserting after all of said section and line the following:

"91.025. 1. As used in this section, the following terms mean:

- (1) "Municipally owned or operated electric power system", a system for the distribution of electrical power and energy to the inhabitants of a municipality which is owned and operated by the municipality itself, whether operated under authority pursuant to this chapter or under a charter form of government;
- (2) "Permanent service", electrical service provided through facilities which have been permanently installed on a structure and which are designed to provide electric service for the structure's anticipated needs for the indefinite future, as contrasted with facilities installed temporarily to provide electrical service during construction. Service provided temporarily shall be at the risk of the electrical supplier and shall not be determinative of the rights of the provider or recipient of permanent service;

(3) "Structure" or "structures", an agricultural, residential, commercial, industrial or other building or a mechanical installation, machinery or apparatus at which retail electric energy is being delivered through a metering device which is located on or adjacent to the structure and connected to the lines of an electrical corporation, rural electric cooperative, municipally owned or operated electric power system, or joint municipal utility commission. Such terms shall include any contiguous or adjacent additions to or expansions of a particular structure. Nothing in this section shall be construed to confer any right on an electric supplier to serve new structures on a particular tract of land because it was serving an existing structure on that tract.

2. Once a municipally owned or operated electrical system, or its predecessor in interest, lawfully commences supplying retail electric energy to a structure through permanent service facilities, it shall have the right to continue serving such structure, and other suppliers of electrical energy shall not have the right to provide service to the structure except as might be otherwise permitted in the context of municipal annexation, pursuant to section 386.800 or pursuant to a territorial agreement approved under section 394.312. The public service commission, upon application made by a customer, may order a change of suppliers on the basis that it is in the public interest for a reason other than a rate differential, and the commission is hereby given jurisdiction over municipally owned or operated electric systems to accomplish the purpose of this section. The commission's jurisdiction under this section is limited to public interest determinations and excludes questions as to the lawfulness of the provision of service, such questions being reserved to courts of competent jurisdiction. Except as provided in this section, nothing in this section shall be construed as otherwise conferring upon the commission jurisdiction over the service, rates, financing, accounting or management of any such municipally owned or operated electrical system, and nothing in this section, section 393.106, and section 394.315 shall affect the rights, privileges or duties of any municipality to form or operate municipally owned or operated electrical systems. Nothing in this section shall be construed to make lawful any provision of service which was unlawful prior to July 11, 1991. Nothing in this section shall be construed to make unlawful the continued lawful provision of service to any structure which may have had a different supplier in the past, if such a change in supplier was lawful at the time it occurred.

3. Notwithstanding the provisions of this section and sections 393.106, 394.080, and 394.315 to the contrary, in the event that a retail electric supplier is providing service to a structure located within a city, town, or village that has ceased to be a rural area, and such structure is demolished and replaced by a new structure, such retail electric service supplier may provide permanent service to the new structure upon the request of the owner of the new structure.

386.800. 1. No municipally owned electric utility may provide electric energy at retail to any structure located outside the municipality's corporate boundaries after July 11, 1991, unless:

(1) The structure was lawfully receiving permanent service from the municipally owned electric utility prior to July 11, 1991; ~~or~~

(2) The service is provided pursuant to an approved territorial agreement under section 394.312;

(3) The service is provided pursuant to lawful municipal annexation and subject to the provisions of this section; or

(4) The structure is located in an area which was previously served by an electrical corporation regulated under chapter 386, and chapter 393, and the electrical corporation's authorized service territory was contiguous to or inclusive of the municipality's previous corporate boundaries, and the electrical corporation's ownership or operating rights within the area were acquired in total by the municipally owned electrical system prior to July 11, 1991. In the event that a municipally owned electric utility in a city with a population of more than one hundred twenty-five thousand located in a county of the first class not having a charter form of government and not adjacent to any other county of the first class desires to serve customers beyond the authorized service territory in an area which was previously served by an electrical corporation regulated under the provisions of chapter 386, and chapter 393, as provided in this subdivision, **in the absence of an approved territorial agreement under section 394.312**, the municipally owned utility shall apply to the public service commission for an order assigning nonexclusive service territories **and concurrently shall provide written notice of the application to other electric service suppliers with electric facilities located in or within one mile outside of the boundaries of the proposed expanded service territory.** The proposed service area shall be contiguous to the authorized service territory which was previously served by an electrical corporation regulated under the provisions of chapter 386, and chapter 393, as a condition precedent to the granting of the application. The commission shall have one hundred twenty days from the date of application to grant or deny the requested order. The commission, **after a hearing**, may grant the order upon a finding that granting of the applicant's request is not detrimental to the public interest. In granting the applicant's request the commission shall give due regard to territories previously granted to **or served by** other electric service suppliers **and the wasteful duplication of electric service facilities.**

2. Any municipally owned electric utility may extend, pursuant to lawful annexation, its **electric** service territory to include ~~[any structure located within a newly annexed area which has not received permanent service from another supplier within ninety days prior to the effective date of the annexation]~~ areas where another electric supplier currently is not providing permanent service to a structure. If a rural electric cooperative has existing electric service facilities with adequate and necessary service capability located in or within one mile outside the boundaries of the area proposed to be annexed, a majority of the existing developers, landowners, or prospective electric customers in the area proposed to be annexed may, anytime within forty five days prior to the effective date of the annexation, submit a written request to the governing body of the annexing municipality to invoke mandatory good faith negotiations under section 394.312 to determine which electric service supplier is best suited to serve all or portions of the newly annexed area. In such negotiations the following factors shall be considered, at a minimum:

- (1) The preference of landowners and prospective electric customers;
- (2) The rates, terms and conditions of service of the electric service suppliers;
- (3) The economic impact on the electric service suppliers;
- (4) Each electric service supplier's operational ability to serve all or portions of the annexed area within three years of the date the annexation becomes effective;
- (5) Avoiding the wasteful duplication of electric facilities;
- (6) Minimizing unnecessary encumbrances on the property and landscape within the area to be annexed; and
- (7) Preventing the waste of materials and natural resources.

If the municipally owned electric utility and rural electric cooperative are unable to negotiate a territorial agreement pursuant to section 394.312 within forty five days, then they may submit proposals to those submitting the original written request, whose preference shall control, section 394.080 to the contrary notwithstanding, and the governing body of the annexing municipality shall not reject the petition requesting annexation based on such preference. This subsection shall not apply to municipally-owned property in any newly annexed area.

3. In the event an electrical corporation rather than a municipally owned electric utility lawfully is providing electric service in the municipality, all the provisions of subsection 2 shall apply equally as if the electrical corporation were a municipally owned electric utility, except that if the electrical corporation and the rural electric cooperative are unable to negotiate a territorial agreement pursuant to section 394.312 within forty five days, then either electric supplier may file an application with the commission for an order determining which electric supplier should serve, in whole or in part, the area to be annexed. The application shall be made pursuant to the rules and regulations of the commission governing applications for certificates of public convenience and necessity. The commission after the opportunity for hearing shall make its determination after consideration of the factors set forth in subdivisions (1) through (7) of subsection 2 of this section, and section 394.080 to the contrary notwithstanding, may grant its order upon a finding that granting of the applicant's request is not detrimental to the public interest. The commission shall issue its decision by report and order no later than one hundred twenty days from the date of the application unless otherwise ordered by the commission for good cause shown. Review of such commission decisions shall be governed by sections 386.500 to 386.550. If the applicant is a rural electric cooperative, the commission shall charge to the rural electric cooperative the appropriate fees as set forth in subsection 9 of this section.

~~[3-]~~ 4. When a municipally owned electric utility desires to extend its service territory to include any structure located within a newly annexed area which has received permanent service from another **electric service** supplier within ninety days prior to the effective date of the annexation, it shall:

- (1) Notify by publication in a newspaper of general circulation the record owner of said structure, and notify in writing any affected electric **service** supplier and the public service commission, within sixty days after the effective date of the annexation its desire to extend its service territory to include said structure; and
- (2) Within six months after the effective date of the annexation receive the approval of the municipality's governing body to begin negotiations pursuant to section 394.312 with ~~[any]~~ the affected electric **service** supplier.

~~[4-]~~ 5. Upon receiving approval from the municipality's governing body pursuant to subsection 3 of this section, the municipally owned electric utility and the affected electric **service** supplier shall meet and negotiate in good faith the terms of the territorial agreement and any transfers or acquisitions, including, as an alternative, granting the affected electric **service** supplier a franchise or authority to continue providing service in the annexed area. In the event that the affected electric **service** supplier does not provide wholesale electric power to the municipality, if the affected electric **service** supplier so desires, the parties ~~[shall]~~ **may** also negotiate, consistent

with applicable law, regulations and existing power supply agreements, for power contracts which would provide for the purchase of power by the municipality from the affected electric **service** supplier for an amount of power equivalent to the loss of any sales to customers receiving permanent service at structures within the annexed areas which are being sought by the municipally owned electric utility. The parties shall have no more than one hundred eighty days from the date of receiving approval from the municipality's governing body within which to conclude their negotiations and file their territorial agreement with the commission for approval under the provisions of section 394.312. The time period for negotiations allowed under this subsection may be extended for a period not to exceed one hundred eighty days by a mutual agreement of the parties and a written request with the public service commission.

~~[5-]~~ **6.** For purposes of this section, the term "fair and reasonable compensation" shall mean the following:

(1) The present-day reproduction cost, new, of the properties and facilities serving the annexed areas, less depreciation computed on a straight-line basis; and

(2) An amount equal to the reasonable and prudent cost of detaching the facilities in the annexed areas and the reasonable and prudent cost of constructing any necessary facilities to reintegrate the system of the affected electric **service** supplier outside the annexed area after detaching the portion to be transferred to the municipally owned electric utility; and

(3) ~~[Four]~~ **Two** hundred percent of gross revenues less gross receipts taxes received by the affected electric **service** supplier from the twelve-month period preceding the approval of the municipality's governing body under the provisions of subdivision (2) of subsection ~~[3]~~ **4** of this section, normalized to produce a representative usage from customers at the subject structures in the annexed area; and

(4) Any federal, state and local taxes which may be incurred as a result of the transaction, including the recapture of any deduction or credit; and

(5) Any other costs reasonably incurred by the affected electric supplier in connection with the transaction.

~~[6-]~~ **7.** In the event the parties are unable to reach an agreement under subsection ~~[4]~~ **5** of this section, within sixty days after the expiration of the time specified for negotiations, the municipally owned electric utility **or the affected electric service supplier** may apply to the commission for an order assigning exclusive service territories within the annexed area and a determination of the fair and reasonable compensation amount to be paid to the affected electric **service** supplier under subsection ~~[5]~~ **6** of this section. Applications shall be made and notice of such filing shall be given to all affected parties pursuant to the rules and regulations of the commission governing applications for certificates of public convenience and necessity. Unless otherwise ordered by the commission for good cause shown, the commission shall rule on such applications not later than one hundred twenty days after the application is properly filed with the secretary of the commission. The commission shall hold evidentiary hearings to assign service territory between **the** affected electric **service** suppliers inside the annexed area and to determine the amount of compensation due any affected electric **service** supplier for the transfer of plant, facilities or associated lost revenues between electric **service** suppliers in the annexed area. The commission shall make such determinations based on findings of what best serves the public interest and shall issue its decision by report and order. Review of such commission decisions shall be governed by sections 386.500 to 386.550. The payment of compensation and transfer of title and operation of the facilities shall occur within ninety days after the order and any appeal therefrom becomes final unless the order provides otherwise.

~~[7-]~~ **8.** In reaching its decision under subsection ~~[6]~~ **7** of this section, the commission shall consider the following factors:

(1) Whether the acquisition or transfers sought by the municipally owned electric utility within the annexed area from the affected electric **service** supplier are, in total, in the public interest, including **the preference of the owner of any affected structure**, consideration of rate disparities between the competing electric **service** suppliers, and issues of unjust rate discrimination among customers of a single electric **service** supplier if the rates to be charged in the annexed areas are lower than those charged to other system customers; and

(2) The fair and reasonable compensation to be paid by the municipally owned electric utility, to the affected electric **service** supplier with existing system operations within the annexed area, for any proposed acquisitions or transfers; and

(3) Any effect on system operation, including, but not limited to, loss of load and loss of revenue; and

(4) Any other issues upon which the municipally owned electric utility and the affected electric **service** supplier might otherwise agree, including, but not limited to, the valuation formulas and factors contained in subsections ~~[4-]~~ **5, 6 and [6] 7**, of this section, even if the parties could not voluntarily reach an agreement thereon under those subsections.

[8-] 9. The commission is hereby given all necessary jurisdiction over municipally owned electric utilities and rural electric cooperatives to carry out the purposes of this section consistent with other applicable law; provided, however, the commission shall not have jurisdiction to compel the transfer of customers or structures with a connected load greater than one thousand kilowatts. The commission shall by rule set appropriate fees to be charged on a case-by-case basis to municipally owned electric utilities and rural electric cooperatives to cover all necessary costs incurred by the commission in carrying out its duties under this section. **Nothing in this section shall be construed as otherwise conferring upon the public service commission jurisdiction over the service, rates, financing, accounting, or management of any rural electric cooperative or municipally-owned electric utility, except as provided in this section.**

10. Notwithstanding sections 394.020 and 394.080 to the contrary, a rural electric cooperative may provide electric service within the corporate boundaries of a municipality if such service is provided:

- (1) Pursuant to subsections 2 through 9 of this section; and**
- (2) Such service is conditioned upon the execution of the appropriate territorial and municipal franchise agreements, which may include a nondiscriminatory requirement, consistent with other applicable law, that the rural electric cooperative collect and remit a sales tax based on the amount of electricity sold by the rural electric cooperative within the municipality.";** and

Further amend said bill, Page 3, Section 386.895, Line 57, by inserting after all of said section and line the following:

"393.106. 1. As used in this section, the following terms mean:

(1) "Permanent service", electrical service provided through facilities which have been permanently installed on a structure and which are designed to provide electric service for the structure's anticipated needs for the indefinite future, as contrasted with facilities installed temporarily to provide electrical service during construction. Service provided temporarily shall be at the risk of the electrical supplier and shall not be determinative of the rights of the provider or recipient of permanent service;

(2) "Structure" or "structures", an agricultural, residential, commercial, industrial or other building or a mechanical installation, machinery or apparatus at which retail electric energy is being delivered through a metering device which is located on or adjacent to the structure and connected to the lines of an electrical supplier. Such terms shall include any contiguous or adjacent additions to or expansions of a particular structure. Nothing in this section shall be construed to confer any right on an electric supplier to serve new structures on a particular tract of land because it was serving an existing structure on that tract.

2. Once an electrical corporation or joint municipal utility commission, or its predecessor in interest, lawfully commences supplying retail electric energy to a structure through permanent service facilities, it shall have the right to continue serving such structure, and other suppliers of electrical energy shall not have the right to provide service to the structure except as might be otherwise permitted in the context of municipal annexation, pursuant to section 386.800 and section 394.080, or pursuant to a territorial agreement approved under section 394.312. The public service commission, upon application made by an affected party, may order a change of suppliers on the basis that it is in the public interest for a reason other than a rate differential. The commission's jurisdiction under this section is limited to public interest determinations and excludes questions as to the lawfulness of the provision of service, such questions being reserved to courts of competent jurisdiction. Except as provided in this section, nothing contained herein shall affect the rights, privileges or duties of existing corporations pursuant to this chapter. Nothing in this section shall be construed to make lawful any provision of service which was unlawful prior to July 11, 1991. Nothing in this section shall be construed to make unlawful the continued lawful provision of service to any structure which may have had a different supplier in the past, if such a change in supplier was lawful at the time it occurred. However, those customers who had cancelled service with their previous supplier or had requested cancellation by May 1, 1991, shall be eligible to change suppliers as per previous procedures. No customer shall be allowed to change electric suppliers by disconnecting service between May 1, 1991, and July 11, 1991.

3. Notwithstanding the provisions of this section and sections 91.025, 394.080, and 394.315 to the contrary, in the event that a retail electric supplier is providing service to a structure located within a city, town, or village that has ceased to be a rural area, and such structure is demolished and replaced by a new structure, such retail electric service supplier may provide permanent service to the new structure upon the request of the owner of the new structure."; and

Further amend said bill, Page 5, Section 393.1250, Line 41, by inserting after all of said section and line the following:

Service provided temporarily shall be at the risk of the electrical supplier and shall not be determinative of the rights of the provider or recipient of permanent service;

2. Once a rural electric cooperative, or its predecessor in interest, lawfully commences supplying retail electric energy to a structure through permanent service facilities, it shall have the right to continue serving such structure, and other suppliers of electrical energy shall not have the right to provide service to the structure except as might be otherwise permitted in the context of municipal annexation, pursuant to section 386.800 and section 394.080, or pursuant to a territorial agreement approved under section 394.312. The public service commission, upon application made by an affected party, may order a change of suppliers on the basis that it is in the public interest for a reason other than a rate differential, and the commission is hereby given jurisdiction over rural electric cooperatives to accomplish the purpose of this section. The commission's jurisdiction under this section is limited to public interest determinations and excludes questions as to the lawfulness of the provision of service, such questions being reserved to courts of competent jurisdiction. Except as provided herein, nothing in this section shall be construed as otherwise conferring upon the commission jurisdiction over the service, rates, financing, accounting or management of any such cooperative, and except as provided in this section, nothing contained herein shall affect the rights, privileges or duties of existing cooperatives pursuant to this chapter. Nothing in this section shall be construed to make lawful any provision of service which was unlawful prior to July 11, 1991. Nothing in this section shall be construed to make unlawful the continued lawful provision of service to any structure which may have had a different supplier in the past, if such a change in supplier was lawful at the time it occurred. However, those customers who had cancelled service with their previous supplier or had requested cancellation by May 1, 1991, shall be eligible to change suppliers as per previous procedures. No customer shall be allowed to change electric suppliers by disconnecting service between May 1, 1991, and July 11, 1991.

3. Notwithstanding the provisions of this section and sections 91.025, 393.106, and 394.080 to the contrary, in the event that a retail electric supplier is providing service to a structure located within a city, town, or village that has ceased to be a rural area, and such structure is demolished and replaced by a new structure, such retail electric service supplier may provide permanent service to the new structure upon the request of the owner of the new structure."; and

House Amendment No. 5

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 141, Page 4, Section 393.170, Line 32, by inserting after all of said section and line the following:

"393.355. 1. As used in this section, the following terms shall mean:

(1) "Electrical corporation", the same meaning given to the term in section 386.020, but shall not include an electrical corporation as described in subsection 2 of section 393.110;

(2) "Facility", a:

(a) Facility whose primary industry is the ~~[smelting]~~ **processing of [aluminum and]** primary metals~~[- Standard Industrial Classification Code 3334];~~

(b) Facility whose primary industry is the production or fabrication of steel, North American Industrial Classification System 331110; or

(c) Facility with a new or incremental increase in load equal to or in excess of a monthly demand of fifty megawatts.

2. Notwithstanding section 393.130 or any other provision of law to the contrary, the public service commission shall have the authority to approve a special rate, outside a general rate proceeding, that is not based on the electrical corporation's cost of service for a facility if:

(1) The commission determines, but for the authorization of the special rate the facility would not commence operations, the special rate is in the interest of the state of Missouri when considering the interests of the customers of the electrical corporation serving the facility, considering the incremental cost of serving the facility to receive the special rate, and the interests of the citizens of the state generally in promoting economic development, improving the tax base, providing employment opportunities in the state, and promoting such other benefits to the state as the commission may determine are created by approval of the special rate;

(2) After approval of the special rate, the commission allocates in each general rate proceeding of the electrical corporation serving the facility the reduced revenues from the special rate as compared to the revenues that would have been generated at the rate the facility would have paid without the special rate to the electrical corporation's other customers through a uniform percentage adjustment to all components of the base rates of all customer classes; and

(3) The commission approves a tracking mechanism meeting the requirements of subsection 3 of this section.

3. Any commission order approving a special rate authorized by this section to provide service to a facility in the manner specified under subsection 4 of this section shall establish, as part of the commission's approval of a special rate, a tracking mechanism to track changes in the net margin experienced by the electrical corporation serving the facility with the tracker to apply retroactively to the date the electrical corporation's base rates were last set in its last general rate proceeding concluded prior to June 14, 2017. The commission shall ensure that the changes in net margin experienced by the electrical corporation between the general rate proceedings as a result of serving the facility are calculated in such a manner that the electrical corporation's net income is neither increased nor decreased. The changes in net margin shall be deferred to a regulatory liability or regulatory asset, as applicable, with the balance of such regulatory asset or liability to be included in the revenue requirement of the electrical corporation in each of its general rate proceedings through an amortization of the balance over a reasonable period until fully returned to or collected from the electrical corporation's customers.

4. Notwithstanding the provisions of section 393.170, an electrical corporation is authorized to provide electric service to a facility at a special rate for the new or incremental load authorized by the commission:

(1) Under a rate schedule reflecting the special rate approved by the commission; or

(2) If the facility is located outside the electrical corporation's certificated service territory, the facility shall be treated as if it is in the electrical corporation's certified service territory, subject to a commission-approved rate schedule incorporating the special rate under the contract.

5. To receive a special rate, the electrical corporation serving the facility, or facility if the facility is located outside of the electrical corporation's certified service territory, shall file a written application with the commission specifying the requested special rate and any terms or conditions proposed by the facility respecting the requested special rate and provide information regarding how the requested special rate meets the criteria specified in subdivision (1) of subsection 2 of this section. A special rate provided for by this section shall be effective for no

longer than ten years from the date such special rate is authorized. The commission may impose such conditions, including but not limited to any conditions in a memorandum of understanding between the facility and the electrical corporation, on the special rate as it deems appropriate so long as it otherwise complies with the provisions of this section.

6. Any entity which has been granted a special rate under this section may reapply to the commission for a special rate under this section."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Bromley offered **House Amendment No. 6**.

House Amendment No. 6

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 141, Page 3, Section 393.135, Line 6, by inserting after all of said section and line the following:

~~"393.137. 1. [This section applies to electrical corporations that do not have a general rate proceeding pending before the commission as of the later of February 1, 2018, or June 1, 2018.~~

~~2.] For purposes of this section, the following terms shall mean:~~

~~(1) "Commission", the public service commission;~~

~~(2) "Tax legislation", additions, deletions, or amendments to the Internal Revenue Code, Title 26 of the United States Code, to the Missouri income tax code, or regulations adopted under chapter 143;~~

~~(3) ["Electrical corporation", the same as] "Utility", an electrical corporation, gas corporation, water corporation, or sewer corporation, as defined in section 386.020[~~but~~]. "Utility" shall not include an electrical corporation as described in subsection 2 of section 393.110.~~

~~[3. If the rates of any electrical corporation to which this section applies have not already been adjusted to reflect the effects of the federal 2017 Tax Cut and Jobs Act, Pub. L. No. 115-97, 94 Stat. 2390, the commission shall have one time authority that shall be exercised within ninety days of June 1, 2018, to adjust such electrical corporation's rates prospectively so that the income tax component of the revenue requirement used to set such an electrical corporation's rates is based upon the provisions of such federal act without considering any other factor as otherwise required by section 393.270. The commission shall also require electrical corporations to which this section applies, as provided for under subsection 1 of this section, to defer to a regulatory asset the financial impact of such federal act on the electrical corporation for the period of January 1, 2018, through the date the electrical corporation's rates are adjusted on a one-time basis as provided for in the immediately preceding sentence. The amounts deferred under this subsection shall be included in the revenue requirement used to set the electrical corporation's rates in its subsequent general rate proceeding through an amortization over a period determined by the commission.]~~

2. If the United States Congress or general assembly enacts tax legislation that, had it been effective when the utility's base rates were last set, would have resulted in a lower income tax component of the revenue requirement used to last set such base rates, the commission shall have the authority to, within one hundred eighty days of the enacted date of the subject tax legislation, enter an order adjusting such utility's base rates prospectively so that the income tax component of the revenue requirement used to set such utility's base rates is based upon the provisions of such tax legislation without considering any other factor as otherwise required by section 393.270. As part of its exercise of such authority, the commission shall also require the utility to defer to a regulatory liability an amount equal to the difference between what the income tax component of the revenue requirement last used to set its base rates was under the law at that time and what the income tax component of the revenue requirement would have been had such tax legislation been in effect at that time. The deferral period shall commence with the date such tax legislation would have resulted in a lower income tax component of such revenue requirement last used to set the utility's base rates and continue through the date the utility's base rates are next adjusted. The amounts deferred under this subsection shall be included in the revenue requirement used to set the utility's base rates in its subsequent general rate proceedings through amortization over a period of up to three years, as determined by the commission.

[4.] 3. Upon good cause shown by ~~[the electrical corporation]~~ **a utility**, the commission may, as an alternative to requiring a ~~[one-time]~~ rate change and deferral under subsection [3] 2 of this section, allow a deferral **to a regulatory liability**, in whole or in part, of ~~[such federal act's financial impacts to a regulatory asset starting January 1, 2018,]~~ **the amounts that would have been reflected in a base rate reduction under subsection 2 of this section.** The deferral period shall commence on the date such tax legislation would have resulted in a **lower income tax component and continue** through the effective date of new rates in such ~~[electrical corporation's]~~ **utility's** next general rate proceeding. The deferred amounts shall be included in the revenue requirement used to set the ~~[electrical corporation's]~~ **utility's** rates in its subsequent general rate proceeding through an amortization over a period determined by the commission.

4. If the United States Congress or general assembly enacts tax legislation that, had it been in effect when the utility's base rates were last set, would have resulted in a higher income tax component of the revenue requirement used to last set such base rates, the utility shall be entitled, by giving notice to the commission within one hundred eighty days of the enacted date of such tax legislation, to defer to a regulatory asset an amount equal to the difference between what the income tax component of the revenue requirement used to last set its base rates was under the law at that time and what the income tax component of the revenue requirement would have been had such tax legislation been in effect at that time. The deferral period shall commence on the date such tax legislation would have resulted in a higher income tax component of such revenue requirement last used to set the utility's base rates and continue through the date the utility's base rates are next adjusted as provided for in this subsection. The amounts deferred under this subsection shall be included in the revenue requirement used to set the utility's rates in its subsequent general rate proceedings through amortization over a period of up to three years, as determined by the commission, without considering any other factor as otherwise required by section 393.270.

5. If the tax legislation that either reduces or increases the utility's income tax component, under subsection 2 or 4 of this section, does so at a point in time other than beginning with its effective date, or does so in multiple stages at different points in time, the commission order in subsection 1 of this section and the utility's notice in subsection 4 of this section shall be deemed to apply to the first point in time when the income tax component would have been changed and to subsequent changes in such income tax component arising from such tax legislation without the necessity of the commission issuing a subsequent order or the utility providing a subsequent notice, as the case may be. Each such change shall require a separate base rate change, deferral, and amortization period, as applicable.

6. If the United States Congress or general assembly has, prior to the effective date of this section, enacted tax legislation that either reduces or increases the utility's income tax component the one-hundred-eighty-day period in subsection 2 and 4 of this section shall commence on the effective date of this section.

7. Notwithstanding any other provision of this section to the contrary, the commission's authority to adjust utility rates and require deferrals regarding reductions in the income tax component of a utility's revenue requirement under subsections 2 and 3 of this section, and utility authority to defer and recover increases in the income tax component under subsection 4 of this section, shall not exist unless the addition, deletion, or amendment to tax legislation results in a difference in the income tax component of the utility's revenue requirement, calculated in accordance with subsection 2 or 4 of this section, as applicable, that is greater than an amount in excess of two-tenths of one percent of such utility's operating revenues reported to the commission in such utility's annual report for the calendar year preceding the calendar year in which such difference is calculated."; and

5. (1) The driver of any vehicle referred to in subsection 4 of this section shall not sound the siren thereon or have the front red lights or blue lights on except when such vehicle is responding to an emergency call or when in pursuit of an actual or suspected law violator, or when responding to, but not upon returning from, a fire.

Further amend said bill, Page 49, Section 304.050, Line 76, by inserting after all of said section and line the following:

"307.175. 1. Motor vehicles and equipment which are operated by any member of an organized fire department, ambulance association, or rescue squad, whether paid or volunteer, may be operated on streets and highways in this state as an emergency vehicle under the provisions of section 304.022 while responding to a fire call or ambulance call or at the scene of a fire call or ambulance call and while using or sounding a warning siren and using or displaying thereon fixed, flashing or rotating blue lights, but sirens and blue lights shall be used only in bona fide emergencies.

Representative Evans offered **House Amendment No. 2.**

House Amendment No. 2

AMEND House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill Nos. 53 & 60, Page 3, Section 21.405, Line 20, by inserting after said line the following:

"3. Nothing in this section shall be construed to deprive any person of any right, privilege, or immunity guaranteed by the Constitution of the United States or the constitution of Missouri."; and

Further amend said bill, Page 11, Section 210.143, Line 2, by deleting the phrase **"or prosecuting attorney"** and inserting in lieu thereof the phrase **"prosecuting attorney; or circuit attorney"**; and

Further amend said bill, Page 16, Section 210.1256, Line 5, by inserting after the word **"children"** the words **"of the parents or guardians"**; and

Further amend said bill, Page 18, Section 210.1271, Line 2, by inserting after the first instance of the word **"attorney"** the phrase **"or circuit attorney"**; and

Further amend said bill, Page 20, Section 211.012, Line 4, by inserting after all of said section and line the following:

"211.072. 1. A juvenile under eighteen years of age who has been certified to stand trial as an adult for offenses pursuant to section 211.071, if currently placed in a secure juvenile detention facility, shall remain in a secure juvenile detention facility pending finalization of the judgment and completion of appeal,

if any, of the judgment dismissing the juvenile petition to allow for prosecution under the general law unless otherwise ordered by the juvenile court. Upon the judgment dismissing the petition to allow prosecution under the general laws becoming final and adult charges being filed, if the juvenile is currently in a secure juvenile detention facility, the juvenile shall remain in such facility unless the juvenile posts bond or the juvenile is transferred to an adult jail. If the juvenile officer does not believe juvenile detention would be the appropriate placement or would continue to serve as the appropriate placement, the juvenile officer may file a motion in the adult criminal case requesting that the juvenile be transferred from a secure juvenile detention facility to an adult jail. The court shall hear evidence relating to the appropriateness of the juvenile remaining in a secure juvenile detention facility or being transferred to an adult jail. At such hearing, the following shall have the right to be present and have the opportunity to present evidence and recommendations at such hearing: the juvenile; the juvenile's parents; the juvenile's counsel; the prosecuting attorney; the juvenile officer or his or her designee for the circuit in which the juvenile was certified; the juvenile officer or his or her designee for the circuit in which the pre-trial certified juvenile is proposed to be held, if different from the circuit in which the juvenile was certified; counsel for the juvenile officer; and representatives of the county proposed to have custody of the pre-trial certified juvenile.

2. Following the hearing, the court shall order that the juvenile continue to be held in a secure juvenile detention facility subject to all Missouri juvenile detention standards, or the court shall order that the pre-trial certified juvenile be held in an adult jail but only after the court has made findings that it would be in the best interest of justice to move the pre-trial certified juvenile to an adult jail. The court shall weigh the following factors when deciding whether to detain a certified juvenile in an adult facility:

- (1) The certified juvenile's age;
- (2) The certified juvenile's physical and mental maturity;
- (3) The certified juvenile's present mental state, including whether they present an imminent risk of self-harm;
- (4) The nature and circumstances of the charges;
- (5) The certified juvenile's history of delinquency;
- (6) The relative ability of the available adult and juvenile facilities to both meet the needs of the certified juvenile but to protect the public and other youth in their custody;
- (7) The opinion of the juvenile officer in the circuit of the proposed placement as to the ability of that juvenile detention facility to provide for appropriate care, custody, and control of the pre-trial certified juvenile;
- (8) Any other relevant factor.

3. In the event the court finds that it is in the best interest of justice to require the certified juvenile to be held in an adult jail, the court shall hold a hearing once every thirty days to determine whether the placement of the certified juvenile in an adult jail is still in the best interests of justice.

4. A certified juvenile cannot be held in an adult jail for more than one hundred eighty days unless the court finds, for good cause, that an extension is necessary or the juvenile, through counsel, waives the one hundred eighty day maximum period. If no extension is granted under this subsection, the certified juvenile shall be transferred from the adult jail to a secure juvenile detention facility.

5. Effective December 21, 2021, all previously pre-trial certified juveniles under eighteen years of age who had been certified prior to August 28, 2021, shall be transferred from adult jail to a secure juvenile detention facility, unless a hearing is held and the court finds, based upon the factors in subsection 2 of this section, that it would be in the best interest of justice to keep the juvenile in the adult jail.

6. All pre-trial certified juveniles under eighteen years of age who are held in adult jails pursuant to the best interest of justice exception shall continue to be subject to the protections of the Prison Rape Elimination Act (PREA) and shall be physically separated from adult inmates.

7. If the certified juvenile remains in juvenile detention, the juvenile officer may file a motion to reconsider placement. The court shall consider the factors set out in subsection 2 of this section and the individuals set forth in subsection 1 of this section shall have a right to be present and present evidence. The court may amend its earlier order in light of the evidence and arguments presented at the hearing if the court finds that it would not be in the best interest of justice for the juvenile to remain in a secure juvenile detention facility.

8. Issues related to the setting of, and posting of, bond along with any bond forfeiture proceedings shall be held in the pre-trial certified juvenile's adult criminal case.

9. Upon attaining eighteen years of age or upon conviction on the adult charges, the juvenile shall be transferred from juvenile detention to the appropriate adult facility.

10. Any responsibility for transportation of and contracted service for the certified juvenile who remains in a secure juvenile detention facility shall be handled in the same manner as in all other adult criminal cases where the defendant is in custody.

11. The per diem provisions as set forth in section 211.156 shall apply to certified juveniles who are being held in a secure juvenile detention facility."; and

Further amend said bill, Page 25, Section 211.211, Line 43, by deleting said line and inserting in lieu thereof the following:

"(1) At any contested detention hearing under Missouri supreme court rule 127.08 where the petitioner alleges that the child violated any law that, if committed by an adult, would be a felony unless an"; and

Further amend said bill, Page 63, Section 479.162, Lines 4-5, by deleting the phrase **"police report or probable cause statement"** and inserting in lieu thereof the phrase **"police report, probable cause statement, or any video relevant to the traffic stop or arrest"**; and

Further amend said bill, page, and section, Line 5, by deleting the phrase **"police report or probable cause statement"** and inserting in lieu thereof the phrase **"police report, probable cause statement, or video"**; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Further amend said bill, page, and section, Line 53, by inserting after said section and line the following:

"192.2520. 1. Sections 192.2520 and 197.135 shall be known and may be cited as the "Justice for Survivors Act".

2. As used in this section, the following terms shall mean:

3. No later than July 1, 2022, there shall be established within the department a statewide telehealth network for forensic examinations of victims of sexual offenses in order to provide access to sexual assault nurse examiners (SANE) or other similarly trained appropriate medical providers. A statewide coordinator for the telehealth network shall be selected by the director of the department of health and senior services and shall have oversight responsibilities and provide support for the training programs offered by the network, as well as the implementation and operation of the network. **The statewide coordinator shall regularly consult with Missouri-based stakeholders and clinicians actively engaged in the collection of forensic evidence regarding the training programs offered by the network, as well as the implementation and operation of the network.**

4. The network shall provide mentoring and educational training services, including:

- (1) Conducting a forensic examination of a victim of a sexual offense, in accordance with best practices, while utilizing an evidentiary collection kit;
- (2) Proper documentation, transmission, and storage of the examination evidence;

(3) Utilizing trauma-informed care to address the needs of victims;
 (4) Utilizing telehealth technology while conducting a live examination; and
 (5) Providing ongoing case consultation and serving as an expert witness in event of a trial. The network shall, in the mentoring and educational training services provided, emphasize the importance of obtaining a victim's informed consent to evidence collection, including issues involving minor consent, and the scope and limitations of confidentiality regarding information gathered during the forensic examination.

5. The training offered ~~may~~ **shall** be made available ~~both~~ online ~~or in person~~, including the use of video conferencing technology to connect trained interdisciplinary experts with providers in a case-based learning environment, **and may also be made available in-person.**

6. The network shall, through telehealth services available twenty-four hours a day, seven days a week, by a SANE or another similarly trained appropriate medical provider, provide mentoring, consultation services, guidance, and technical assistance to appropriate medical providers during and outside of a forensic examination of a victim of a sexual offense. The network shall ensure that the system through which the network provides telehealth services meets national standards for interoperability to connect to telehealth systems.

7. The department may consult and enter into any necessary contracts with any other local, state, or federal agency, institution of higher education, or private entity to carry out the provisions of this section, including, but not limited to, a contract to:

- (1) Develop, implement, maintain, or operate the network;
- (2) Train and provide technical assistance to appropriate medical providers on conducting forensic examinations of victims of sexual offenses and the use of telehealth services; and
- (3) Provide consultation, guidance, or technical assistance to appropriate medical providers using telehealth services during a forensic examination of a victim of a sexual offense.

8. Beginning October 1, 2021, and each year thereafter, all hospitals licensed under chapter 197 shall report to the department the following information for the previous year:

- (1) The number of forensic examinations of victims of a sexual offense performed at the hospital;
- (2) The number of forensic examinations of victims of a sexual offense requested to be performed by a victim of a sexual offense that the hospital did not perform and the reason why the examination was not performed;
- (3) The number of evidentiary collection kits submitted to a law enforcement agency for testing; and
- (4) After July 1, 2022, the number of appropriate medical providers employed at or contracted with the hospital who utilized the training and telehealth services provided by the network.

The information reported under this subsection and subsection 9 of this section shall not include any personally identifiable information of any victim of a sexual offense or any appropriate medical provider performing a forensic examination of such victim.

9. Beginning January 1, 2022, and each year thereafter, the department shall make publicly available a report that shall include the information submitted under subsection 8 of this section. The report shall also include, in collaboration with the department of public safety, information about the number of evidentiary collection kits submitted by a person or entity outside of a hospital setting, as well as the number of appropriate medical providers utilizing the training and telehealth services provided by the network outside of a hospital setting.

10. (1) The funding for the network shall be subject to appropriations. In addition to appropriations from the general assembly, the department shall apply for available grants and shall be able to accept other gifts, grants, bequests, and donations to develop and maintain the network and the training offered by the network.

(2) There is hereby created in the state treasury the "Justice for Survivors Telehealth Network Fund", which shall consist of any gifts, grants, bequests, and donations accepted under this subsection. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. The fund shall be a dedicated fund and money in the fund shall be used solely by the department for the purpose of developing and maintaining the network and the training offered by the network. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

11. The department shall promulgate rules and regulations in order to implement the provisions of this section, including, but not limited to, the following:

- (1) The operation of a statewide telehealth network for forensic examinations of victims of sexual offenses;
- (2) The development of training for appropriate medical providers conducting a forensic examination of a victim of a sexual offense; and
- (3) Maintenance of records and data privacy and security of patient information.

Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2020, shall be invalid and void.

197.135. 1. Beginning January 1, 2023, **or no later than six months after the establishment of the statewide telehealth network under section 192.2520, whichever is later**, any hospital licensed under this chapter shall perform a forensic examination using an evidentiary collection kit upon the request and consent of the victim of a sexual offense, or the victim's guardian, when the victim is at least fourteen years of age. In the case of minor consent, the provisions of subsection 2 of section 595.220 shall apply. Victims under fourteen years of age shall be referred, **and victims fourteen years of age or older but less than eighteen years of age may be referred**, to a SAFE CARE provider, as such term is defined in section 334.950, for medical or forensic evaluation and case review. Nothing in this section shall be interpreted to preclude a hospital from performing a forensic examination for a victim under fourteen years of age upon the request and consent of the victim or victim's guardian, subject to the provisions of section 595.220 and the rules promulgated by the department of public safety.

2. **(1)** An appropriate medical provider, as such term is defined in section 595.220, shall perform the forensic examination of a victim of a sexual offense. The hospital shall ensure that any provider performing the examination has received training conducting such examinations that is, at a minimum, equivalent to the training offered by the statewide telehealth network under subsection 4 of section 192.2520. **Nothing in this section shall require providers to utilize the training offered by the statewide telehealth network, as long as the training utilized is, at a minimum, equivalent to the training offered by the statewide telehealth network.**

(2) If the provider is not a sexual assault nurse examiner (SANE), or another similarly trained physician or nurse, then the hospital shall utilize telehealth services during the examination, such as those provided by the statewide telehealth network, to provide guidance and support through a SANE, or other similarly trained physician or nurse, who may observe the live forensic examination and who shall communicate with and support the onsite provider with the examination, forensic evidence collection, and proper transmission and storage of the examination evidence.

3. The department of health and senior services may issue a waiver of the telehealth requirements of subsection 2 of this section if the hospital demonstrates to the department, in writing, a technological hardship in accessing telehealth services or a lack of access to adequate broadband services sufficient to access telehealth services. Such waivers shall be granted sparingly and for no more than a year in length at a time, with the opportunity for renewal at the department's discretion.

4. The department shall waive the requirements of this section if the statewide telehealth network established under section 192.2520 ceases operation, the director of the department of health and senior services has provided written notice to hospitals licensed under this chapter that the network has ceased operation, and the hospital cannot, in good faith, comply with the requirements of this section without assistance or resources of the statewide telehealth network. Such waiver shall remain in effect until such time as the statewide telehealth network resumes operation or until the hospital is able to demonstrate compliance with the provisions of this section without the assistance or resources of the statewide telehealth network.

5. The provisions of section 595.220 shall apply to the reimbursement of the reasonable costs of the examinations and the provision of the evidentiary collection kits.

6. On motion of Representative Hicks, **House Amendment No. 4** was adopted.

Representative Schroer offered **House Amendment No. 5**.

House Amendment No. 5

AMEND House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill Nos. 53 & 60, Pages 36-37, Section 217.690, Lines 39-90, by deleting said lines and inserting in lieu thereof the following:

"6. Any offender sentenced to a term of imprisonment amounting to fifteen years or more or multiple terms of imprisonment that, taken together, amount to fifteen or more years who was under eighteen years of age at the time of the commission of the offense or offenses may be eligible for parole after serving fifteen years of incarceration, regardless of whether the case is final for the purposes of appeal, and may be eligible for reconsideration hearings in accordance with regulations promulgated by the parole board.

7. The provisions of subsection 6 shall not apply to an offender found guilty of murder in the first degree or capital murder who was under eighteen years of age when the offender committed the offense or offenses who may be found ineligible for parole or whose parole eligibility may be controlled by section 558.047 or 565.033.

8. Any offender under a sentence for first degree murder who has been denied release on parole after a parole hearing shall not be eligible for another parole hearing until at least three years from the month of the parole denial; however, this subsection shall not prevent a release pursuant to subsection 4 of section 558.011.

[7-] 9. A victim who has requested an opportunity to be heard shall receive notice that the parole board is conducting an assessment of the offender's risk and readiness for release and that the victim's input will be particularly helpful when it pertains to safety concerns and specific protective measures that may be beneficial to the victim should the offender be granted release.

[8-] 10. Parole hearings shall, at a minimum, contain the following procedures:

(1) The victim or person representing the victim who attends a hearing may be accompanied by one other person;

(2) The victim or person representing the victim who attends a hearing shall have the option of giving testimony in the presence of the inmate or to the hearing panel without the inmate being present;

(3) The victim or person representing the victim may call or write the parole board rather than attend the hearing;

(4) The victim or person representing the victim may have a personal meeting with a **parole** board member at the **parole** board's central office;

(5) The judge, prosecuting attorney or circuit attorney and a representative of the local law enforcement agency investigating the crime shall be allowed to attend the hearing or provide information to the hearing panel in regard to the parole consideration; and

(6) The **parole** board shall evaluate information listed in the juvenile sex offender registry pursuant to section 211.425, provided the offender is between the ages of seventeen and twenty-one, as it impacts the safety of the community.

[9-] 11. The parole board shall notify any person of the results of a parole eligibility hearing if the person indicates to the parole board a desire to be notified.

~~[10-]~~ **12.** The **parole** board may, at its discretion, require any offender seeking parole to meet certain conditions during the term of that parole so long as said conditions are not illegal or impossible for the offender to perform. These conditions may include an amount of restitution to the state for the cost of that offender's incarceration.

~~[11-]~~ **13.** Special parole conditions shall be responsive to the assessed risk and needs of the offender or the need for extraordinary supervision, such as electronic monitoring. The **parole** board shall adopt rules to minimize the conditions placed on low-risk cases, to frontload conditions upon release, and to require the modification and reduction of conditions based on the person's continuing stability in the community. **Parole** board rules shall permit parole conditions to be modified by parole officers with review and approval by supervisors.

~~[12-]~~ **14.** Nothing contained in this section shall be construed to require the release of an offender on parole nor to reduce the sentence of an offender heretofore committed.

~~[13-]~~ **15.** Beginning January 1, 2001, the **parole** board shall not order a parole unless the offender has obtained a high school diploma or its equivalent, or unless the **parole** board is satisfied that the offender, while committed to the custody of the department, has made an honest good-faith effort to obtain a high school diploma or its equivalent; provided that the director may waive this requirement by certifying in writing to the **parole** board that the offender has actively participated in mandatory education programs or is academically unable to obtain a high school diploma or its equivalent.

~~[14-]~~ **16.** Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2005, shall be invalid and void."; and

Further amend said bill, Page 38, Section 217.692, Line 33, by deleting the number "8" and inserting in lieu thereof the numbers "[8] 10"; and

Further amend said bill, Pages 94-100, Section 590.500, Lines 1-198, by deleting said lines and inserting in lieu thereof the following:

"590.502. 1. For purposes of this section, the following shall mean:

(1) "Administering authority", any individual or body authorized by a law enforcement agency to hear and make final decisions regarding appeals of disciplinary actions issued by such agency;

(2) "Color of law", any act by a law enforcement officer, whether on duty or off duty, that is performed in furtherance of his or her sworn duty to enforce laws and to protect and serve the public;

(3) "Economic loss", any economic loss including, but not limited to, loss of overtime accrual, overtime income, sick time accrual, sick time, secondary employment income, holiday pay, and vacation pay;

(4) "Good cause", sufficient evidence or facts that would support a party's request for extensions of time or any other requests seeking accommodations outside the scope of the rules set out herein;

(5) "Law enforcement officer", any commissioned peace officer with the power to arrest for a violation of the criminal code who is employed by any unit of the state or any county, charter county, city, charter city, municipality, district, college, university, or any other political subdivision or is employed by the board of police commissioners as defined in chapter 84. "Law enforcement officer" shall not include any officer who is the highest ranking officer in the law enforcement agency.

2. Whenever a law enforcement officer is under administrative investigation or is subjected to administrative questioning that the officer reasonably believes could lead to disciplinary action, demotion, dismissal, transfer, or placement on a status that could lead to economic loss, the investigation or questioning shall be conducted under the following conditions:

(1) The law enforcement officer who is the subject of the investigation shall be informed, in writing, of the existence and nature of the alleged violation and the individuals who will be conducting the investigation. Notice shall be provided to the officer along with a copy of the complaint at least twenty-four hours prior to any interrogation or interview of the officer;

(2) Any person, including members of the same agency or department as the officer under investigation, filing a complaint against a law enforcement officer shall have the complaint supported by a written statement outlining the complaint that includes the personal identifying information of the person filing the complaint. All personal identifying information shall be held confidential by the investigating agency;

(3) When a law enforcement officer is questioned or interviewed regarding matters pertaining to his or her law enforcement duties or actions taken within the scope of his or her employment, such questioning shall be conducted for a reasonable length of time and only while the officer is on duty unless reasonable circumstances exist that necessitate questioning the officer while he or she is off duty;

(4) Any interviews or questioning shall be conducted at a secure location at the agency that is conducting the investigation or at the place where the officer reports to work, unless the officer consents to another location;

(5) Law enforcement officers shall be questioned by up to two investigators and shall be informed of the name, rank, and command of the investigator or investigators conducting the investigation; except that, separate investigators shall be assigned to investigate alleged department policy violations and alleged criminal violations;

(6) Interview sessions shall be for a reasonable period of time. There shall be times provided for the officer to allow for such personal necessities and rest periods as are reasonably necessary;

(7) Prior to an interview session, the investigator or investigators conducting the investigation shall advise the law enforcement officer of the rule set out in *Garrity v. New Jersey*, 385 U.S. 493 (1967), specifically that the law enforcement officer is being ordered to answer questions under threat of disciplinary action and that the officer's answers to the questions will not be used against the officer in criminal proceedings;

(8) Law enforcement officers shall not be threatened, harassed, or promised rewards to induce them into answering any question; except that, law enforcement officers may be compelled by their employer to give protected *Garrity* statements to an investigator under the direct control of the employer, but such compelled statements shall not be used or derivatively used against the officer in any aspect of a criminal case brought against the officer;

(9) Law enforcement officers under investigation are entitled to have an attorney or any duly authorized representative present during any questioning that the law enforcement officer reasonably believes may result in disciplinary action. The attorney or representative shall be permitted to confer with the officer but shall not unduly disrupt or interfere with the interview. The questioning shall be suspended for a period of up to twenty-four hours if the officer requests representation;

(10) Prior to the law enforcement officer being interviewed, the officer and his or her attorney or representative shall have the opportunity to review the complaint;

(11) Law enforcement officers or their designated representative shall have the right to bring their own recording device and may record all aspects of the interview;

(12) The law enforcement agency conducting the investigation shall have ninety days from receipt of a citizen complaint or from the date the agency became aware of the alleged conduct upon which the allegation rests to complete such investigation. The agency shall determine the disposition of the complaint and render a disciplinary decision, if any, within ninety days. The agency may, for good cause, petition the administering authority overseeing the administration of discipline for an extension of time to complete the investigation. If the administering authority finds the agency has shown good cause for the granting of an extension of time to complete the investigation, the administering authority shall grant an extension of up to sixty days. The agency is limited to two extensions per investigation; except that, if there is an ongoing criminal investigation there shall be no limitation on the amount of sixty-day extensions. For good cause shown, the internal investigation may be tolled until the conclusion of a concurrent criminal investigation arising out of the same alleged conduct. Absent consent from the officer being investigated, the administering authority overseeing the administration of discipline shall set the matter for hearing and shall provide notice of the hearing to the law enforcement officer under investigation. The officer shall have the right to attend the hearing and to present evidence and arguments against extension;

(13) Within five days of the conclusion of the administrative investigation, the investigator shall inform the officer, in writing, of the investigative findings and any recommendation for further action, including discipline;

(14) A complete record of the administrative investigation shall be kept by the law enforcement agency conducting such investigation. Upon completion of the investigation, a copy of the entire record, including, but not limited to, audio, video, and transcribed statements, shall be provided to the officer or the

officer's representative within five business days of the officer's written request. The agency may request a protective order to redact all personal identifying witness information; and

(15) All records compiled as a result of any investigation subject to the provisions of this section shall be held confidential and shall not be subject to disclosure under chapter 610, except by lawful subpoena or court order, by release approved by the officer, or as provided in section 590.070.

3. Law enforcement officers who are suspended without pay, demoted, terminated, transferred, or placed on a status resulting in economic loss shall be entitled to a full due process hearing. However, nothing in this section shall prohibit a law enforcement agency and the authorized bargaining representative for a law enforcement officer employed by that agency from reaching written agreements providing disciplinary procedures more favorable than those provided for this section. The components of the hearing shall include, at a minimum:

- (1) The right to be represented by an attorney or other individual of their choice during the hearing;
- (2) The right of the law enforcement officer or his or her attorney to conduct discovery prior to the hearing. Depositions may be taken in the same manner and under the same conditions as provided for in the Missouri civil rules of civil procedure for civil cases in the circuit court. Subpoenas may be issued by the board conducting the hearing or by the circuit court or the office of the clerk for the county where the agency has its principal place of business;
- (3) Seven days' notice of the hearing date and time;
- (4) An opportunity to access and review documents, at least seven days in advance of the hearing, that are in the employer's possession and that were used as a basis for the disciplinary action;
- (5) The right of the law enforcement officer or his or her attorney to present witnesses and evidence in the officer's defense and a right to cross-examine any adverse witnesses against the officer;
- (6) The right to refuse to testify at the hearing if the officer is concurrently facing criminal charges in connection with the same incident. A law enforcement officer's decision not to testify shall not result in additional internal charges or discipline;
- (7) A complete record of the hearing shall be kept by the agency for purposes of appeal. The record shall be provided to the officer or his or her attorney upon written request;
- (8) The entire record of the hearing shall remain confidential and shall not be subject to disclosure under chapter 610, except by lawful subpoena or court order.

4. Any decision, order, or action taken following the hearing shall be in writing and shall be accompanied by findings of fact. The findings shall consist of a concise statement upon each issue in the case. A copy of the decision or order accompanying findings and conclusions along with the written action and right of appeal, if any, shall be delivered or mailed promptly to the law enforcement officer or to the officer's attorney or representative of record.

5. Law enforcement officers shall have the opportunity to provide a written response to any adverse materials placed in their personnel file, and such written response shall be permanently attached to the adverse material.

6. Law enforcement officers shall have the right to compensation for any economic loss incurred during an investigation if the officer is found to have committed no misconduct.

7. Law enforcement officers may petition the circuit court in the county in which the law enforcement agency has its principal place of business to review the decision of the administrative body hearing the appeal of discipline. Upon a finding that the discipline was not justified, the circuit court may award the law enforcement officer back pay and costs incurred in bringing the suit, including attorney's fees.

8. Employers shall defend and indemnify law enforcement officers from and against civil claims made against them in their official and individual capacities if the alleged conduct arose in the course and scope of their obligations and duties as law enforcement officers. This includes any actions taken off duty if such actions were taken under color of law. In the event the law enforcement officer is convicted of, or pleads guilty to, criminal charges arising out of the same conduct, the employer shall no longer be obligated to defend and indemnify the officer in connection with related civil claims.

9. Law enforcement officers shall not be disciplined, demoted, dismissed, transferred, or placed on a status resulting in economic loss as a result of the assertion of their constitutional rights in any judicial proceeding, unless the officer admits to wrong-doing, in which case the provisions of this section shall not apply.

10. No state or local governmental unit including, but not limited to, a county, charter county, city, charter city, municipality, district, college, university, or any other political subdivision that employs a law enforcement officer shall enact, promulgate, enforce, or follow any law, regulation, or policy that would abolish, conflict with, modify, or in any way diminish any right or remedy provided to law enforcement officers under this section.

11. The rights set out in this section are minimum standards to be applied throughout the state. However, nothing in this section shall prohibit a law enforcement agency and the authorized bargaining representative for a law enforcement officer employed by that agency from reaching written agreements providing disciplinary procedures more favorable than those provided in this section.

12. Any aggrieved law enforcement officer or authorized representative may seek judicial enforcement of the requirements of this section. Suits to enforce this section shall be brought in the circuit court for the county in which the law enforcement agency or governmental body has its principal place of business.

13. Upon a finding by a preponderance of the evidence that a law enforcement agency, governmental body, or member of same has violated any provision of this section, a court shall void any action taken in violation of this section. The court may also award the law enforcement officer the costs of bringing the suit including, but not limited to, attorneys' fees. A lawsuit for enforcement shall be brought within one year from which the violation is ascertainable.

14. Nothing in this section shall apply to any investigation or other action by the director regarding a license issued by the director under this chapter.

15. A law enforcement agency that has substantially similar or greater procedures shall be deemed in compliance with this section."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

(2) Any unattended abandoned property illegally left standing upon any highway or bridge if the abandoned property is left in a position or under such circumstances as to obstruct the normal movement of traffic where there is no reasonable indication that the person in control of the property is arranging for its immediate control or removal;

(3) Any abandoned property which has been abandoned under section 577.080;

(4) Any abandoned property which has been reported as stolen or taken without consent of the owner;

(5) Any abandoned property for which the person operating such property is arrested for an alleged offense for which the officer takes the person into custody and where such person is unable to arrange for the property's ~~timely~~ removal **within forty-eight hours of such person's arrest**;

(6) Any abandoned property which due to any other state law or local ordinance is subject to towing because of the owner's outstanding traffic or parking violations;

(7) Any abandoned property left unattended in violation of a state law or local ordinance where signs have been posted giving notice of the law or where the violation causes a safety hazard;

(8) Any abandoned property illegally left standing on the waters of this state as defined in section 306.010 where the abandoned property is obstructing the normal movement of traffic, or where the abandoned property has been unattended for more than ten hours or is floating loose on the water; or

(9) Any abandoned property for which the person operating such property or vehicle eludes arrest for an alleged offense for which the officer would have taken the offender into custody.

2. The department of transportation or any law enforcement officer within the officer's jurisdiction may immediately remove any abandoned, unattended, wrecked, burned or partially dismantled property, spilled cargo or other personal property from the right-of-way of any interstate highway, freeway, or state highway if the abandoned property, cargo or personal property is creating a traffic hazard because of its position in relation to the interstate highway, freeway, or state highway. In the event the property creating a traffic hazard is a commercial motor vehicle, as defined in section 302.700, the department's authority under this subsection shall be limited to

authorizing a towing company to remove the commercial motor vehicle to a place of safety, except that the owner of the commercial motor vehicle or the owner's designated representative shall have a reasonable opportunity to contact a towing company of choice. The provisions of this subsection shall not apply to vehicles transporting any material which has been designated as hazardous under Section 5103(a) of Title 49, U.S.C.

3. Any law enforcement agency authorizing a tow pursuant to this section in which the abandoned property is moved from the immediate vicinity shall complete a crime inquiry and inspection report. Any state or federal government agency other than a law enforcement agency authorizing a tow pursuant to this section in which the abandoned property is moved away from the immediate vicinity in which it was abandoned shall report the towing to the state highway patrol or water patrol within two hours of the tow along with a crime inquiry and inspection report as required in this section. 4. Neither the law enforcement officer, government agency official nor anyone having custody of abandoned property under his direction shall be liable for any damage to such abandoned property occasioned by a removal authorized by this section or by ordinance of a county or municipality licensing and regulating the sale of abandoned property by the municipality, other than damages occasioned by negligence or by willful or wanton acts or omissions.

5. The owner of abandoned property removed as provided in this section or in section 304.157 shall be responsible for payment of all reasonable charges for towing and storage of such abandoned property as provided in section 304.158.

6. Upon the towing of any abandoned property pursuant to this section or under authority of a law enforcement officer or local government agency pursuant to section 304.157, the law enforcement agency that authorized such towing or was properly notified by another government agency of such towing shall promptly make an inquiry with the national crime information center and any statewide Missouri law enforcement computer system to determine if the abandoned property has been reported as stolen and shall enter the information pertaining to the towed property into the statewide law enforcement computer system. If the abandoned property is not claimed within ten working days of the towing, the tower who has online access to the department of revenue's records shall make an inquiry to determine the abandoned property owner and lienholder, if any, of record. In the event that the records of the department of revenue fail to disclose the name of the owner or any lienholder of record, the tower shall comply with the requirements of subsection 3 of section 304.156. If the tower does not have online access, the law enforcement agency shall submit a crime inquiry and inspection report to the director of revenue. A towing company that does not have online access to the department's records and that is in possession of abandoned property after ten working days shall report such fact to the law enforcement agency with which the crime inquiry and inspection report was filed. The crime inquiry and inspection report shall be designed by the director of revenue and shall include the following:

- (1) The year, model, make and property identification number of the property and the owner and any lienholders, if known;
- (2) A description of any damage to the property noted by the officer authorizing the tow;
- (3) The license plate or registration number and the state of issuance, if available;
- (4) The storage location of the towed property;
- (5) The name, telephone number and address of the towing company;
- (6) The date, place and reason for the towing of the abandoned property;
- (7) The date of the inquiry of the national crime information center, any statewide Missouri law enforcement computer system and any other similar system which has titling and registration information to determine if the abandoned property had been stolen. This information shall be entered only by the law enforcement agency making the inquiry;
- (8) The signature and printed name of the officer authorizing the tow;
- (9) The name of the towing company, the signature and printed name of the towing operator, and an indicator disclosing whether the tower has online access to the department's records; and
- (10) Any additional information the director of revenue deems appropriate.

7. One copy of the crime inquiry and inspection report shall remain with the agency which authorized the tow. One copy shall be provided to and retained by the storage facility and one copy shall be retained by the towing facility in an accessible format in the business records for a period of three years from the date of the tow or removal.

8. The owner of such abandoned property, or the holder of a valid security interest of record, may reclaim it from the towing company upon proof of ownership or valid security interest of record and payment of all reasonable charges for the towing and storage of the abandoned property.

9. Any person who removes abandoned property at the direction of a law enforcement officer or an officer of a government agency where that agency's real property is concerned as provided in this section shall have a lien for all reasonable charges for the towing and storage of the abandoned property until possession of the abandoned property is voluntarily relinquished to the owner of the abandoned property or to the holder of a valid security interest of record. Any personal property within the abandoned property need not be released to the owner thereof until the reasonable or agreed charges for such recovery, transportation or safekeeping have been paid or satisfactory arrangements for payment have been made, except that any medication prescribed by a physician shall be released to the owner thereof upon request. The company holding or storing the abandoned property shall either release the personal property to the owner of the abandoned property or allow the owner to inspect the property and provide an itemized receipt for the contents. The company holding or storing the property shall be strictly liable for the condition and safe return of the personal property. Such lien shall be enforced in the manner provided under section 304.156.

10. Towing companies shall keep a record for three years on any abandoned property towed and not reclaimed by the owner of the abandoned property. Such record shall contain information regarding the authorization to tow, copies of all correspondence with the department of revenue concerning the abandoned property, including copies of any online records of the towing company accessed and information concerning the final disposition of the possession of the abandoned property.

11. If a lienholder repossesses any motor vehicle, trailer, all-terrain vehicle, outboard motor or vessel without the knowledge or cooperation of the owner, then the reposessor shall notify the local law enforcement agency where the repossession occurred within two hours of the repossession and shall further provide the local law enforcement agency with any additional information the agency deems appropriate. The local law enforcement agency shall make an inquiry with the national crime information center and the Missouri statewide law enforcement computer system and shall enter the repossessed vehicle into the statewide law enforcement computer system.

12. Notwithstanding the provisions of section 301.227, any towing company who has complied with the notification provisions in section 304.156 including notice that any property remaining unredeemed after thirty days may be sold as scrap property may then dispose of such property as provided in this subsection. Such sale shall only occur if at least thirty days has passed since the date of such notification, the abandoned property remains unredeemed with no satisfactory arrangements made with the towing company for continued storage, and the owner or holder of a security agreement has not requested a hearing as provided in section 304.156. The towing company may dispose of such abandoned property by selling the property on a bill of sale as prescribed by the director of revenue to a scrap metal operator or licensed salvage dealer for destruction purposes only. The towing company shall forward a copy of the bill of sale provided by the scrap metal operator or licensed salvage dealer to the director of revenue within two weeks of the date of such sale. The towing company shall keep a record of each such vehicle sold for destruction for three years that shall be available for inspection by law enforcement and authorized department of revenue officials. The record shall contain the year, make, identification number of the property, date of sale, and name of the purchasing scrap metal operator or licensed salvage dealer and copies of all notifications issued by the towing company as required in this chapter. Scrap metal operators or licensed salvage dealers shall keep a record of the purchase of such property as provided in section 301.227. JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

SIXTY-SIXTH DAY, THURSDAY, MAY 6, 2021

The House met pursuant to adjournment.

Speaker Pro Tem Wiemann in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

The Lord will give strength unto His people; the Lord will bless His people with peace. (Psalm 29:11)

Almighty God, grant us Your peace as we begin to travel to the end of session—peace in our own hearts, peace in our homes, peace in our offices and in our state. Bless our Speaker and grant him, and all who work with him, the sense of your presence and the power of Your spirit. Out of these legislative endeavors may there come a greater political cooperation to our state and an increasing desire and determination to work together in greater harmony and finer accord under this dome. May we meet the pressures of this present day with courage and faith through the presence of Your spirit living in our hearts on this National Day of Prayer.

And the House says, “Amen!”

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-fifth day was approved as printed.

On motion of Representative Shields, the title of **HCS SB 330** was agreed to.

Representative Shields offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Committee Substitute for Senate Bill No. 330, Page 1, Section A, Line 12, by inserting after all of said section and line the following:

"135.690. 1. As used in this section, the following terms mean:

- (1) "Community-based faculty preceptor", a physician or physician assistant who is licensed in Missouri and provides preceptorships to Missouri medical students or physician assistant students without direct compensation for the work of precepting;**
- (2) "Department", the Missouri department of revenue;**
- (3) "Division", the division of professional registration of the Missouri department of commerce and insurance;**
- (4) "Federally Qualified Health Center (FQHC)", a reimbursement designation from the Bureau of Primary Health Care and the Centers for Medicare and Medicaid Services of the United States Department of Health and Human Services;**
- (5) "Medical student", an individual enrolled in a Missouri medical college approved and accredited as reputable by the American Medical Association or the Liaison Committee on Medical Education or enrolled in a Missouri osteopathic college approved and accredited as reputable by the American Osteopathic Association;**
- (6) "Medical student core preceptorship" or "physician assistant student core preceptorship", a preceptorship for a medical student or physician assistant student that provides a minimum of one hundred twenty hours of community-based instruction in family medicine, internal medicine, pediatrics, psychiatry, or obstetrics and gynecology, under the guidance of a community-based faculty preceptor. A community-based faculty preceptor may add together the amounts of preceptorship instruction time separately provided to multiple students in determining whether he or she has reached the minimum hours required under this subdivision, but the total preceptorship instruction time provided shall equal at least one hundred twenty hours in order for such preceptor to be eligible for the tax credit authorized under this section;**
- (7) "Physician assistant student", an individual participating in a Missouri physician assistant program accredited by the Commission on Accreditation of Allied Health Education Programs or its successor organization;**
- (8) "Taxpayer", any individual, firm, partner in a firm, corporation, or shareholder in an S corporation doing business in this state and subject to the state income tax imposed under chapter 143, excluding withholding tax imposed under sections 143.191 to 143.265.**

2. (1) Beginning January 1, 2022, any community-based faculty preceptor who serves as the community-based faculty preceptor for a medical student core preceptorship or a physician assistant student core preceptorship shall be allowed a credit against the tax otherwise due under chapter 143, excluding withholding tax imposed under sections 143.191 to 143.265, in an amount equal to one thousand dollars for each preceptorship, up to a maximum of three thousand dollars per tax year, if he or she completes up to three preceptorship rotations during the tax year and did not receive any direct compensation for the preceptorships.

(2) To receive the credit allowed by this section, a community-based faculty preceptor shall claim such credit on his or her return for the tax year in which he or she completes the preceptorship rotations and shall submit supporting documentation as prescribed by the division and the department.

(3) In no event shall the total amount of a tax credit authorized under this section exceed a taxpayer's income tax liability for the tax year for which such credit is claimed. No tax credit authorized under this section shall be allowed a taxpayer against his or her tax liability for any prior or succeeding tax year.

(4) No more than two hundred preceptorship tax credits shall be authorized under this section for any one calendar year. The tax credits shall be awarded on a first-come, first-served basis. The division and the department shall jointly promulgate rules for determining the manner in which taxpayers who have obtained certification under this section are able to claim the tax credit. The cumulative amount of tax credits awarded under this section shall not exceed two hundred thousand dollars per year.

(5) Notwithstanding the provisions of subdivision (4) of this subsection, the division is authorized to exceed the two hundred thousand dollars per year tax credit program cap in any amount not to exceed the amount of funds remaining in the medical preceptor fund, as established under subsection 3 of this section, as of the end of the most recent tax year, after any required transfers to the general revenue fund have taken place in accordance with the provisions of subsection 3 of this section.

3. (1) Funding for the tax credit program authorized under this section shall be generated by the division from a license fee increase of seven dollars per license for physicians and surgeons and from a license fee increase of three dollars per license for physician assistants. The license fee increases shall take effect as of January 1, 2022, based on the underlying license fee rates prevailing on that date. The underlying license fee rates shall be determined under section 334.090 and all other applicable provisions of chapter 334.

(2) (a) There is hereby created in the state treasury the "Medical Preceptor Fund", which shall consist of moneys collected under this subsection. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. The fund shall be a dedicated fund and, upon appropriation, moneys in the fund shall be used solely by the division for the administration of the tax credit program authorized under this section. Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the medical preceptor fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

(b) Notwithstanding any provision of this chapter or any other provision of law to the contrary, all revenue from the license fee increases described under subdivision (1) of this subsection shall be deposited in the medical preceptor fund. After the end of every tax year, an amount equal to the total dollar amount of all tax credits claimed under this section shall be transferred from the medical preceptor fund to the state's general revenue fund established under section 33.543. Any excess moneys in the medical preceptor fund shall remain in the fund and shall not be transferred to the general revenue fund.

4. (1) The division shall administer the tax credit program authorized under this section and certify rotations for the tax credit. Each taxpayer claiming a tax credit under this section shall file an affidavit with his or her income tax return, affirming that he or she is eligible for the tax credit.

(2) No amount of any tax credit allowed under this section shall be refundable. No tax credit allowed under this section shall be transferred, sold, or assigned. No taxpayer shall be eligible to receive the tax credit authorized under this section if such taxpayer employs persons who are not authorized to work in the United States under federal law.

5. The department of commerce and insurance and the department of revenue shall jointly promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2021, shall be invalid and void."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Shields, **House Amendment No. 1** was adopted.

Representative Mayhew offered **House Amendment No. 2**.

House Amendment No. 2

AMEND House Committee Substitute for Senate Bill No. 330, Page 1, Section A, Line 12, by inserting after all of said section and line the following:

"60.301. Whenever the following words and terms are used in this chapter they shall have the following meaning unless the context clearly indicates that a different meaning is intended:

(1) "Corners of the United States public land survey", those points that determine the boundaries of the various subdivisions represented on the official plat such as the township corner, the section corner, the quarter-section corner, grant corner ~~and~~, meander corner, **and center of section;**

(2) "Existent corner", a corner whose position can be identified by verifying the evidence of the original monument or its accessories, or by some physical evidence described in the field notes, or located by an acceptable supplemental survey record or some physical evidence thereof, or by testimony. The physical evidence of a corner may have been entirely obliterated but the corner will be considered existent if its position can be recovered through the testimony of one or more witnesses who have a dependable knowledge of the original location. A legally reestablished corner shall have the same status as an existent corner;

(3) "Lost corner", a corner whose position cannot be determined, beyond reasonable doubt, either from traces of the original marks or from acceptable evidence or testimony that bears upon the original position;

(4) "Monument", the physical object which marks the corner point determined by the surveying process. The accessories, such as bearing trees, bearing objects, reference monuments, mounds of stone and other similar objects that aid in identifying the corner position, are also considered a part of a corner monument;

(5) "Obliterated, decayed or destroyed corner", ~~[an-existent corner]~~ **a position** at whose point there are no remaining traces of the original monument or its accessories, but whose location has been perpetuated by subsequent surveys, or the point may be recovered beyond reasonable doubt by the acts and testimony of local residents, competent surveyors, other qualified local authorities or witnesses, or by some acceptable record evidence. A position that depends upon the use of collateral evidence can be accepted only if duly supported, generally through proper relation to known corners, and agreement with the field notes regarding distances to natural objects, stream crossings, line trees, etc., or unquestionable testimony;

(6) "Original government survey", that survey executed under the authority of the United States government as recorded on the official plats and field notes of the United States public land survey maintained by the Missouri department of agriculture;

(7) "Proportionate measurement", a measurement of a line that gives equal relative weight to all parts of the line. The excess or deficiency between two existent corners is so distributed that the amount of excess or deficiency given to each interval bears the same proportion to the whole difference as the record length of the interval bears to the whole record distance:

(a) "Single proportionate measurement", a measurement of a line applied to a new measurement made between known points on a line to determine one or more positions on that line;

(b) "Double proportionate measurement", a measurement applied to a new measurement made between four known corners, two each on intersecting meridional and latitudinal lines, for the purpose of relating the intersection to both. ~~[The procedure is described as follows: first, measurements will be made between the nearest existent corners north and south of the lost corner. A temporary point will be determined to locate the latitude of the lost corner on the straight line connecting the existent corners and at the proper proportionate distance. Second, measurements will be made between the nearest existent corners east and west of the lost corner. A temporary point will be determined to locate the longitude of the lost corner on the straight line connecting the existent corners and at the proportionate distance. Third, determine the location of the lost corner at the intersection of an east-west line through the point determining the latitude of the lost corner with a north-south line through the point determining the longitude of the lost corner.]~~ When the total length of the line between the nearest existing corners was not measured in the original government survey, the record distance from one existing corner to the lost corner will be used instead of the proportionate distance. This exception will apply to either or both of the east-west or north-south lines;

(8) "Record distance", the distance or length as shown on the original government survey. In determining record distances, consideration shall be given as to whether the distance was measured on a random or true line.

60.315. The following rules for the reestablishment of lost corners shall be applied only when it is determined that the corner is lost: (The rules utilize proportional measurement which harmonizes surveying practice with legal and equitable considerations. This plan of relocating a lost corner is always employed unless it can be shown that the corner so located is in substantial disagreement with the general scheme of the original government survey as monumented. In such cases the surveyor shall use procedures that produce results consistent with the original survey of that township.)

(1) Existent original corners shall not be disturbed. Consequently, discrepancies between the new and record measurements shall not in any manner affect the measurements beyond the existent corners; but the differences shall be distributed proportionately within the several intervals along the line between the corners;

(2) Standard parallels shall be given precedence over other township exteriors, and, ordinarily, the latter shall be given precedence over subdivisional lines; section corners shall be located or reestablished before the position of lost quarter-section corners can be determined;

(3) Lost township corners common to four townships shall be reestablished by double proportionate measurement between the nearest existent corners on opposite sides of the lost township corner;

(4) Lost township corners located on standard parallels and common only to two townships shall be reestablished by single proportionate measurement between the nearest existent corners on opposite sides of the lost township corner on the standard parallel;

(5) ~~Lost standard corners shall be reestablished on a standard or correction line by single proportionate measurement on the line connecting the nearest identified standard or closing corners on opposite sides of the lost corner or corners, as the case may be;~~

~~———— (6) All lost section and quarter-section corners on the township boundary lines shall be reestablished by single proportionate measurement between the nearest existent corners on opposite sides of the lost corner according to the conditions represented upon the original government plat;~~

~~———— (7)~~ **Lost corners on township exteriors, excluding corners referenced in subdivision (3) of this section, whether they are standard or closing corners, will be reestablished by single proportionate measurement on the line connecting the next nearest existent standard or closing corner on opposite sides of the lost corner;**

(6) A lost interior corner of four sections shall be reestablished by double proportionate measurement;

~~[(8) A lost closing corner shall be reestablished on the true line that was closed upon, and at the proper proportional interval between the nearest existent corners on opposite sides of the lost corner;~~

~~———— (9)~~ **(7) All lost quarter-section corners on the section boundaries within the township shall be reestablished by single proportionate measurement between the adjoining section corners, after the section corners have been identified or reestablished; and**

~~[(10)]~~ **(8) Where a line has been terminated with a measurement in one direction only, a lost corner shall be reestablished by record bearing and distance, counting from the nearest regular corner, the latter having been duly identified or reestablished.**

60.345. The quarter-section corners of sections south of the township line and east of the range line, and not established by the original government survey will be established according to the conditions represented upon the official government plat using **single** proportionate measurement between the ~~adjoining~~ section corners belonging to the same section as the quarter-section corner being established, the section corners having first been identified or reestablished. **The proportional position shall be offset, if necessary, in a cardinal direction to the true line defined by the nearest adjacent corners on opposite sides of the quarter-section corner to be established.**"; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Houx offered **House Amendment No. 1 to House Amendment No. 2.**

House Amendment No. 2*

AMEND House Amendment No. 2 to House Committee Substitute for Senate Bill No. 330, Page 3, Line 21, by deleting said line and inserting in lieu thereof the following:

"by the nearest adjacent corners on opposite sides of the quarter-section corner to be established.

89.410. 1. The planning commission shall recommend and the council may by ordinance adopt regulations governing the subdivision of land within its jurisdiction. The regulations, in addition to the requirements provided by law for the approval of plats, may provide requirements for the coordinated development of the city, town or village; for the coordination of streets within subdivisions with other existing or planned streets or with other

features of the city plan or official map of the city, town or village; for adequate open spaces for traffic, recreation, light and air; and for a distribution of population and traffic; provided that, the city, town or village may only impose requirements for the posting of bonds, letters of credit or escrows for subdivision-related improvements as provided for in subsections 2 to 5 of this section.

2. The regulation may include requirements as to the extent and the manner in which the streets of the subdivision or any designated portions thereto shall be graded and improved as well as including requirements as to the extent and manner of the installation of all utility facilities. Compliance with all of these requirements is a condition precedent to the approval of the plat. The regulations or practice of the council may provide for the tentative approval of the plat previous to the improvements and utility installations; but any tentative approval shall not be entered on the plat. The regulations may provide that, in lieu of the completion of the work and installations previous to the final approval of a plat, the council shall accept, at the option of the developer, an escrow secured with cash or an irrevocable letter of credit deposited with the city, town, or village. The city, town, or village may accept a surety bond, and such bond shall be in an amount and with surety and other reasonable conditions, providing for and securing the actual construction and installation of the improvements and utilities within a period specified by the council and expressed in the bond. The release of any such escrow, letter of credit, or bond by the city, town or village shall be as specified in this section. The council may enforce the escrow or bond by all appropriate legal and equitable remedies. The regulations may provide, in lieu of the completion of the work and installations previous to the final approval of a plat, for an assessment or other method whereby the council is put in an assured position to do the work and make the installations at the cost of the owners of the property within the subdivision. The regulations may provide for the dedication, reservation or acquisition of lands and open spaces necessary for public uses indicated on the city plan and for appropriate means of providing for the compensation, including reasonable charges against the subdivision, if any, and over a period of time and in a manner as is in the public interest. **The regulations shall not require the creation of any private indentures, declarations, covenants, regulations or homeowners' associations. Any such private indentures, declarations, covenants, regulations or homeowners' associations that a developer may choose to create shall not be subject to the regulations. However, the regulations may require script on a plat to provide for the common maintenance of shared and privately maintained infrastructure.**

3. The regulations shall provide that in the event a developer who has posted an escrow, or letter of credit, or bond with a city, town, or village in accordance with subsection 2 of this section transfers title of the subdivision property prior to full release of the escrow, letter of credit, or bond, the municipality shall accept a replacement escrow or letter of credit from the successor developer in the form allowed in subsection 2 of this section and in the amount of the escrow or letter of credit held by the city, town, or village at the time of the property transfer, and upon receipt of the replacement escrow or letter of credit, the city, town, or village shall release the original escrow or letter of credit in full and release the prior developer from all further obligations with respect to the subdivision improvements if the successor developer assumes all of the outstanding obligations of the previous developer. The city, town, or village may accept a surety bond from the successor developer in the form allowed in subsection 2 of this section and in the amount of the bond held by the city, town, or village at the time of the property transfer, and upon receipt of the replacement bond, the city, town, or village shall release the original bond in full, and release the prior developer from all further obligations with respect to the subdivision improvements.

4. The regulations shall provide that any escrow or bond amount held by the city, town or village to secure actual construction and installation on each component of the improvements or utilities shall be released within thirty days of completion of each category of improvement or utility work to be installed, minus a maximum retention of five percent which shall be released upon completion of all improvements and utility work. The city, town, or village shall inspect each category of improvement or utility work within twenty business days after a request for such inspection. Any such category of improvement or utility work shall be deemed to be completed upon certification by the city, town or village that the project is complete in accordance with the ordinance of the city, town or village including the filing of all documentation and certifications required by the city, town or village, in complete and acceptable form. The release shall be deemed effective when the escrow funds or bond amount are duly posted with the United States Postal Service or other agreed-upon delivery service or when the escrow funds or bond amount are hand delivered to an authorized person or place as specified by the owner or developer.

5. If the city, town or village has not released the escrow funds or bond amount within thirty days as provided in this section or provided a timely inspection of the improvements or utility work after request for such inspection, the city, town or village shall pay the owner or developer in addition to the escrow funds due the owner or developer, interest at the rate of one and one-half percent per month calculated from the expiration of the thirty-day period until the escrow funds or bond amount have been released. Any owner or developer aggrieved by the city's, town's or village's failure to observe the requirements of this section may bring a civil action to enforce the

provisions of this section. In any civil action or part of a civil action brought pursuant to this section, the court may award the prevailing party or the city, town or village the amount of all costs attributable to the action, including reasonable attorneys' fees.

6. Nothing in this section shall apply to performance, maintenance and payment bonds required by cities, towns or villages.

7. Before adoption of its subdivision regulations or any amendment thereof, a duly advertised public hearing thereon shall be held by the council.

8. The provisions of subsection 2 of this section requiring the acceptance of an escrow secured by cash or an irrevocable letter of credit, rather than a surety bond, at the option of the developer, all of the provisions of subsection 3 of this section, and the provisions of subsections 4 and 5 of this section regarding an inspection of improvements or utility work within twenty business days shall not apply to any home rule city with more than four hundred thousand inhabitants and located in more than one county.

9. Notwithstanding the provisions of section 290.210 to the contrary, improvements secured by escrow, letter of credit, or bond as provided in this section shall not be subject to the terms of sections 290.210 to 290.340 unless they are paid for wholly or in part out of public funds."; and"; and

Any such person or individual shall immediately notify the director as to the absence of ~~[his or her]~~ **such person's or individual's** sole certified commercial applicator.

[8-] 9. 3. If the surety becomes unsatisfactory, **the commercial applicator license shall expire and become invalid and** the bond- or policyholder shall immediately execute **and submit to the director** a new bond or insurance policy and maintain the surety bond or liability insurance certificate at the business location from which the certified commercial applicator is licensed, and if ~~[he or she]~~ **the bond- or policyholder** fails to do so, the director shall cancel ~~[his or her]~~ **the bond- or policyholder** license, or deny the license of an applicant, and give ~~[him or her]~~ **the bond- or policyholder** notice of cancellation or denial, and it shall be unlawful thereafter for the applicant to engage in the business of using pesticides until the bond or insurance is brought into compliance with the requirements of subsection 1 of this section. The director shall, upon receipt of the statement, notify the person alleged to have caused the damage and the owner or lessee of the land, or other person who may be charged with the responsibility of the damages claimed, and furnish copies of any statements which may be requested. The director shall inspect damages whenever possible and ~~[he]~~ **the director** shall make ~~[his]~~ **the director's** inspection reports available to the person claiming damage and to the person who is alleged to have caused the damage. The failure to file such a report shall not be a violation of sections 281.010 to 281.115. However, if the person failing to file such report is the only one injured from such use or application of a pesticide by others, the director may, when in the public interest, refuse to hold a hearing for the denial, suspension, or revocation of a license ~~[or permit]~~ issued under sections 281.010 to 281.115 until such report is filed.

HCS SB 303, relating to workers' compensation, was taken up by Representative Henderson.

On motion of Representative Henderson, the title of **HCS SB 303** was agreed to.

Representative Veit offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Committee Substitute for Senate Bill No. 303, Page 14, Section 287.480, Line 30, by inserting after all of said section and line the following:

"287.715. 1. For the purpose of providing for revenue for the second injury fund, every authorized self-insurer, and every workers' compensation policyholder insured pursuant to the provisions of this chapter, shall be liable for payment of an annual surcharge in accordance with the provisions of this section. The annual surcharge imposed under this section shall apply to all workers' compensation insurance policies and self-insurance coverages which are written or renewed on or after April 26, 1988, including the state of Missouri, including any of its departments, divisions, agencies, commissions, and boards or any political subdivisions of the state who self-insure or hold themselves out to be any part self-insured. Notwithstanding any law to the contrary, the surcharge imposed pursuant to this section shall not apply to any reinsurance or retrocessional transaction.

2. Beginning October 31, 2005, and each year thereafter, the director of the division of workers' compensation shall estimate the amount of benefits payable from the second injury fund during the following calendar year and shall calculate the total amount of the annual surcharge to be imposed during the following calendar year upon all workers' compensation policyholders and authorized self-insurers. The amount of the annual surcharge percentage to be imposed upon each policyholder and self-insured for the following calendar year commencing with the calendar year beginning on January 1, 2006, shall be set at and calculated against a percentage, not to exceed three percent, of the policyholder's or self-insured's workers' compensation net deposits, net premiums, or net assessments for the previous policy year, rounded up to the nearest one-half of a percentage point, that shall generate, as nearly as possible, one hundred ten percent of the moneys to be paid from the second injury fund in the following calendar year, less any moneys contained in the fund at the end of the previous calendar year. All policyholders and self-insurers shall be notified by the division of workers' compensation within ten calendar days of the determination of the surcharge percent to be imposed for, and paid in, the following calendar year. The net premium equivalent for individual self-insured employers shall be based on average rate classifications calculated by the department of commerce and insurance as taken from premium rates filed by the twenty insurance companies providing the greatest volume of workers' compensation insurance coverage in this state. For employers qualified to self-insure their liability pursuant to this chapter, the rates filed by such group of employers in accordance with subsection 4 of section 287.280 shall be the net premium equivalent. Any group of political subdivisions of this state qualified to self-insure their liability pursuant to this chapter as authorized by section 537.620 may choose either the average rate classification method or the filed rate method, provided that the

method used may only be changed once without receiving the consent of the director of the division of workers' compensation. The director may advance funds from the workers' compensation fund to the second injury fund if surcharge collections prove to be insufficient. Any funds advanced from the workers' compensation fund to the second injury fund must be reimbursed by the second injury fund no later than December thirty-first of the year following the advance. The surcharge shall be collected from policyholders by each insurer at the same time and in the same manner that the premium is collected, but no insurer or its agent shall be entitled to any portion of the surcharge as a fee or commission for its collection. The surcharge is not subject to any taxes, licenses or fees.

3. All surcharge amounts imposed by this section shall be deposited to the credit of the second injury fund.

4. Such surcharge amounts shall be paid quarterly by insurers and self-insurers, and insurers shall pay the amounts not later than the thirtieth day of the month following the end of the quarter in which the amount is received from policyholders. If the director of the division of workers' compensation fails to calculate the surcharge by the thirty-first day of October of any year for the following year, any increase in the surcharge ultimately set by the director shall not be effective for any calendar quarter beginning less than sixty days from the date the director makes such determination.

5. If a policyholder or self-insured fails to make payment of the surcharge or an insurer fails to make timely transfer to the division of surcharges actually collected from policyholders, as required by this section, a penalty of one-half of one percent of the surcharge unpaid, or untransferred, shall be assessed against the liable policyholder, self-insured or insurer. Penalties assessed under this subsection shall be collected in a civil action by a summary proceeding brought by the director of the division of workers' compensation.

6. Notwithstanding subsection 2 of this section to the contrary, the director of the division of workers' compensation shall collect a supplemental surcharge not to exceed three percent for calendar years 2014 to ~~2024~~ **2022** of the policyholder's or self-insured's workers' compensation net deposits, net premiums, or net assessments for the previous policy year, rounded up to the nearest one-half of a percentage point. **For calendar year 2023, the director of the division of workers' compensation shall collect a supplemental surcharge not to exceed two and one-half percent of the policyholder's or self-insured's workers' compensation net deposits, net premiums, or net assessments for the previous policy year, rounded up to the nearest one-half of a percentage point.** All policyholders and self-insurers shall be notified by the division of the supplemental surcharge percentage to be imposed for such period of time as part of the notice provided in subsection 2 of this section. The provisions of this subsection shall expire on December 31, ~~2024~~ **2023**.

7. Funds collected under the provisions of this chapter shall be the sole funding source of the second injury fund."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Veit, **House Amendment No. 1** was adopted.

Representative Henderson offered **House Amendment No. 2**.

House Amendment No. 2

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

SIXTY-SEVENTH DAY, Friday, May 7, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

In God we live, and move, and have our being. (Acts 17:28)

O Amazing God, who is the source of true spiritual light and life, whose glory is visible throughout all our state, and without whom no one can live, make us one with You as we move rapidly through the experiences of this day in this historic chamber. By ourselves we are not adequate for our daily tasks, but with You we are made ready for every responsibility and equal to every challenge. This day, help us to think, and to think clearly; help us to speak, and to speak wisely; help us to live, and to live faithfully. May we always do our very best and then leave the results with You and our good citizens as we vote on the budget today.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-sixth day was approved as printed.

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

FIFTY-NINTH DAY, MONDAY, APRIL 26, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Representative Allen Andrews.

Holy and Almighty God, as we humbly stand in Your presence today, we the members of Missouri's 101st General Assembly worship and praise Your glorious name. You are the Alpha and Omega, the First and the Last, the Beginning and the End, the King of Kings and Lord of Lords. You are the Living Water and the Bread of Life, the Prince of Peace and the Great I AM. At the sound of Your great name, the sick are healed, the lost are saved, and tears are wiped away. You are the resurrection and the life, and through the precious name of Jesus we find hope and life everlasting. We give all glory and honor to You as there is none like You, O God.

May we follow Your example and clothe ourselves with compassion, kindness, humility, gentleness and patience, as we humbly ask that You be present with us as we conduct the work for the great people of Missouri.

We ask this in the name of Christ Jesus, our Lord, and all for Your glory.

Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the fifty-eighth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

SIXTIETH DAY, TUESDAY, APRIL 27, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Why art thou cast down, O my soul? and why art thou disquieted in me – hope thou in God. (Psalm 42:5)

O God, our help in ages past, from whom our spirits come, with whom they live and to whom they return when life on earth is over, in the quiet of this moment we humbly lift our hearts unto You in prayer. We believe in You with all our minds. Do make Yourself alive in our hearts. Give to us a song on our lips in the morning, strength for the day, good will for one another, steadfast loyalty to our constitution, courage to maintain noble goals of our political life, and faith that gives us confidence and helps us overcome all evil temptations of the world.

Grant us an inner spirit of humility to that which is good in life and then send us forth as servants, because we are guided by You. By Your spirit of truth alive within us, may we be among that company of Your children who lift up our Missouri and who leave it a better place in which to live.

And the House says, “Amen!”

The Pledge of Allegiance to the flag was recited.

The Journal for the fifty-ninth day was approved as printed by the following vote:

2. The members of the board shall be fiduciaries of the plan under ERISA, and the board shall have the following powers, authorities, and duties:

(1) To establish, implement, and maintain the plan, in each case acting on behalf of the state of Missouri, including, in its discretion, more than one plan;

(2) To cause the plan, trust, and arrangements and accounts established under the plan to be designed, established, and operated:

(a) In accordance with best practices for retirement savings vehicles;

(b) To encourage participation, saving, sound investment practices, and appropriate selection of default investments;

Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. (13) To collect application, account, or administrative fees and to accept any grants, gifts, legislative appropriations, loans, and other moneys from the state of Missouri, any unit of federal, state, or local government, or any other person, firm, or entity to defray the costs of administering and operating the plan;

(21) To indemnify, including procurement of insurance as needed for this purpose, each member of the board from personal loss or liability resulting from a member's action or inaction as a member of the board and as a fiduciary;

(22) To collaborate with, and evaluate the role of, financial advisors or other financial professionals, including in assisting and providing guidance for covered employees; and

(23) To carry out the powers and duties of the program under sections 285.1000 to 285.1055 and exercise any and all other powers as are appropriate to effect the purposes, objectives, and provisions of such sections pertaining to the program.

3. A board member, program administrator, or other staff of the board shall not:

3. Nothing in sections 285.1000 to 285.1055 shall be construed to guarantee any interest rate or other rate of return on or investment performance of any contribution or account balance.
- 285.1035. 1. Individual account information relating to accounts under the plan and relating to individual participants including, but not limited to, names, addresses, telephone numbers, email addresses, personal identification information, investments, contributions, and earnings shall be confidential and shall be maintained as confidential, provided that such information may be disclosed:

- 285.1040. The board may enter into an intergovernmental agreement or memorandum of understanding with the state of Missouri and any agency thereof to receive outreach, technical assistance, enforcement and compliance services, collection or dissemination of information pertinent to the plan, subject to such obligations of confidentiality as may be agreed or required by law, or other services or assistance. The state of Missouri and any agency thereof that enters into such agreements or memoranda of understanding shall collaborate to provide the outreach, assistance, information, and compliance or other services or assistance to the board. The memoranda of understanding may cover the sharing of costs incurred in gathering and disseminating information and the reimbursement of costs for any enforcement activities or assistance.
- 285.1045. 1. There is hereby created in the state treasury the "Missouri Workplace Retirement Savings Administrative Fund", which shall consist of moneys collected under this section. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. Subject to appropriation, moneys in the fund shall be distributed by the state treasurer solely for the administration of sections 285.1000 to 285.1055.
- 2. Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund.
 - 3. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.
 - 4. The Missouri workplace retirement savings administrative fund shall consist of:

 - (2) Moneys transferred to the administrative fund from the federal government, other state agencies, or local governments;

(3) Moneys from the payment of application, account, administrative, or other fees and the payment of other moneys due to the board;

(4) Any gifts, donations, or grants made to the state of Missouri for deposit in the administrative fund;

(5) Moneys collected for the administrative fund from contributions to, or investment returns or assets of, the plan or other moneys collected by or for the plan or pursuant to arrangements established under the plan to the extent permitted under federal and Missouri law; and

(6) Earnings on moneys in the administrative fund.

5. To the extent consistent with ERISA, the tax qualification rules, and other federal law, the board shall accept any grants, gifts, appropriations, or other moneys from the state, any unit of federal, state, or local government, or any other person, firm, partnership, corporation, or other entity solely for deposit into the administrative fund, whether for investment or administrative expenses.

6. To enable or facilitate the start-up and continuing operation, maintenance, administration, and management of the program until the plan accumulates sufficient balances and can generate sufficient funding through fees assessed on program accounts for the plan to become financially self-sustaining:

(1) The board may borrow from the state of Missouri; any unit of federal, state, or local government; or any other person, firm, partnership, corporation, or other entity working capital funds and other funds as may be necessary for this purpose, provided that such funds are borrowed in the name of the plan and board only and that any such borrowings shall be payable solely from the revenues of the plan; and

(2) The board may enter into long-term procurement contracts with one or more financial providers that provide a fee structure that would assist the plan in avoiding or minimizing the need to borrow or to rely upon general assets of the state.

7. Subject to appropriation, the state of Missouri may pay administrative costs associated with the creation, maintenance, operation, and management of the plan and trust until sufficient assets are available in the administrative fund for that purpose. Thereafter, all administrative costs of the administrative fund, including any repayment of start-up funds provided by the state of Missouri, shall be repaid only out of moneys on deposit therein. However, private funds or federal funding received in order to implement the program until the administrative fund is self-sustaining shall not be repaid unless those funds were offered contingent upon the promise of such repayment.

8. The board may use the moneys in the administrative fund solely to pay the administrative costs and expenses of the plan and the administrative costs and expenses the board incurs in the performance of its duties under sections 285.1000 to 285.1055.

285.1050. 1. The board shall keep an accurate account of all the activities, operations, receipts, and expenditures of the plan, the trust, and the board. JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

SIXTY-FIRST DAY, WEDNESDAY, APRIL 28, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

I will extol Thee, my God, O King; and I will bless Thy name for ever and ever. (Psalm 145:1)

O Eternal God, who commits to us the swift pace of life, since we know not what a day may bring forth but only that the hour for serving You is always present, may we awake to the claims of Your holy will, not waiting for tomorrow but offering today. Consecrate with Your presence the way our feet may go, that the humblest work may shine and the roughest places be made smooth. Lift us above fear and doubt by a simple and steadfast reliance on Your holy will in this historic chamber.

May the light of faith burn brightly within us; may the life of hope ever glow in our hearts; and may the love of truth always lead us in the way of Your peace in our bicentennial state.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the sixtieth day was approved as printed.
